

**Grey Court School GCSE results 2008**  
**PRESS RELEASE**

I am absolutely delighted that this year the five A\*-C pass rate has risen to 68%. This is not only our best result for the last 14 years but it is also a massive 14% rise on the 2007 figures. I was always expecting this outcome as Grey Court School has continued to develop rapidly. This was also noted by Ofsted in July this year. Students and staff have been working exceptionally hard to raise standards. The support for the school from governors and parents has been second to none.

All of our students deserve praise for the results they gained and I would like to take this opportunity to wish them well in their future careers. So many of our students excelled by getting over nine GCSE A\*-C passes at the highest grades. Special praise must go however to Sam Cox and Holly Bestley. Sam achieved 10 GCSE 'A\*' grades along with a further three 'A's. Holly was our top performer getting 12 'A\*' grades and one 'A' grade. Both of these students also sat AS Level maths and were successful by gaining an 'A' grade.
