

Friday, 11 December 2020

Dear Grey Court Community

Y11 Mock Exams Well done to all our Y11 students for putting in the hard work, revision and positive attitude required for writing their mocks. The most important aspect about writing mocks is that it gives our students the opportunity to experience what awaits them in their finals and affords them time to revise and fully prepare for them. Next week the Y11 practical exams will be going ahead and Mr Gordon Walker has forwarded the details to you. However, for ease of access the information can be found on page 4. I would like to thank my staff for their continued dedication and hard work. We are expecting good results!

Christmas Lunch & Charity Christmas Jumper Mufti Day This will be held over three days next week. Please see page 10 for the menu and details of our Christmas jumper mufti in aid of Crisis at Christmas. Please can parents ensure that there are sufficient funds in accounts to cover the cost of the lunch.

Letter from the Chairman of the Every Child, Every Day Academy Trust Please take the time to read a letter from the Chairman of the Every Child, Every Day Academy Trust. The letter can be found on page 2.

Thank you for your generosity! A BIG thank you to everyone who generously gave towards our senior citizens' Christmas hampers which will be delivered to the care homes next week. A special thank you to Ms Gray for all her work with the hampers.

Lastly, should you have any concerns about your child please contact my PA who will make arrangements for you to have a virtual meeting with me.

Kind regards—Chris Rhodes

"Going above and beyond for every child, every day." Chris Rhodes, Headteacher

PDW

The topics for PDW this fortnight are as follows:

Y7 this week: What is the House of Commons?

Y7 next week: What is the House of Lords?

Y8 this week: Healthy eating hacks from grey Court Sixth Formers

Y8 next week: How can you help someone with allergies?

Y9 this week: Hobbies and Options

Y9 next week: Reasons for choosing different GCSE options

Y10 this week: What is a Cult?

Y10 next week: What is Right Wing extremism?

Y11 this week: How can you talk to others about contraception?

Y11 next week: Consent

As always, if you have any questions about our PDW curriculum, please email Ms James

hjames@greycourt.org.uk

Christmas Cards

Y7 Christmas card orders are now in school and are available for collection from the Art Department. We will endeavour to allow students to collect them in Art lessons and then send all those unclaimed to tutor groups. If parents/carers are expecting an order but their child is not in school they can email Ms Bowie to arrange home delivery cbowie@greycourt.org.uk

Ham and Petersham Local History Book

The Ham and Petersham Association has donated several copies of a local history book to the school which we are delighted to have added to the school library. Parents are welcome to purchase their own copy, click [here](#) for £20 incl delivery. For every book sold the school will receive £3."

**EVERY CHILD,
EVERY DAY
ACADEMY
TRUST**

Dear parents of Grey Court School

The Every Child Every Day Academy Trust is made up of two founding schools, Grey Court and Hollyfield. The two schools share a common mission: they are both dedicated to ensuring that every young person reaches his or her full potential, and have the best possible experience, during their time at school.

- The name of the Trust – Every Child Every Day – signifies a commitment to:
- Enhancing the life chances of all our young people using the richness of their gender, religion, race, academic ability and social circumstances.
- Creating a wide range of opportunities to seek out the spark that will ignite an individual child's passion.
- Inspiring passion that will make our students valuable contributors to their communities and society.
- Engendering in them a fiercely independent "self-starter", resilient and creative approach to life-long learning.

The Trust is now in a position to expand and has plans to welcome a new school in the new year, and to increase the number of Trustees.

With this in mind, and with our continued belief in the importance of making the most of our community, the Trust invites parents of children at Grey Court School to submit an expression of interest in joining the Board of Trustees. The nature of the role is defined in the government's official handbook: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/925104/Governance_Handbook_FINAL.pdf. But the handbook does not necessarily describe fully the passion and dedication of Trustees who seek to make a real difference across a wide range of communities; and that is what we believe is the most important quality of new members of the Board. It will be important to have some experience of strategic thinking and planning, as well as experience and skills in, for example, the law, marketing, finance, HR or, of course, education, but most important will be a commitment to the moral purpose of education and a belief in the power of education to shape young people's lives and the society to which they belong.

The government has also published a competency framework which sets out how Trustees can be most effective in their role: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/583733/Competency_framework_for_governance_.pdf.

If you would like to be considered for the role, we would love to hear from you. In the first instance you should set out, in a letter to the Clerk to the Board, why you would like to become a Trustee, and summarise your experiences and skills in no more than two sides of A4. Your letter should be sent to clerk@everychildeveryday.org.uk by midday on Friday 11th December 2020.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Bill Watkin", followed by a period.

Bill Watkin
Chair, Every Child Every Day Multi-Academy Trust

#KS3

#Y7

We are delighted to be nearing the Christmas break. This week, students attended our school pantomime in a social distanced format. A big thanks to the VPA department for putting on a spectacle, and especially the Y7s students who took part.

On Thursday, which is now the final day of term, Y7s students will be able to buy Xmas lunch from the canteen. Students are encouraged to wear their festive jumpers - or anything else Christmas related (Santa hats, reindeer antlers etc etc) with a £1 donation to charity.

We are delighted to see so many students attending our extra-curricular clubs which have re-started. We look forward to seeing students taking advantage of as many opportunities as they can. A quick thank you to our librarian Mr Johnson. Mr Johnson has been running HW club each day at lunch and the club has been well attended. We are very grateful to Mr Johnson for giving his time to help our Y7s!

Celebration Awards

Here are the winners of last week's celebration awards:

Y7A: Max R, Max F

Y7M: Isabella W, Abdulazeez T

Y7R: Zaki M, Mania R

Y7C: Aaron K, Sacha C

Y7E: Ale L, Sophie R

Y7W: Leo D, Matilda D

Y7O: Lucas GD, Sophie L

Y7B: Oliver W, Aara AS

Mr Day, HO Y7

Y7 Homework Club

Mr Day and I were so pleased when Mr Johnson agreed to take over the homework club so imagine our faces when he said he would do it every lunchtime! We are so fortunate to have this offered to the Y7s, to enable them to access a Chromebook and a quiet space to get on top of their work and free up some of their own time. Thank you Mr Johnson!

Ms Igoe, Y7 SSO

#ThankYou

Thank you to ALL the Y7s who gave so generously to the Motor Neurone Disease (MND) fundraiser and to help name our brave lion mascot.

We can announce **Martha Huddart** named him 'Hope' which our selective panel of neutral primary school children thought was the most wonderful name of them all. Martha wins a £20 voucher of her choice.

Runners-up will also receive a small prize for the suggestion of 'Basil' (**Ane Katherine Brogaard-Burdock**), 'Theodore' (**Yassin Ibrahim**) and 'Aubergine' (**Oliver Hislop**). 7B win the goody box of a dentist's nightmare of sweets for raising the most money in their form. Well done everyone!

We have raised over £100 for my local MND branch which will help to fund an electric bed raiser so patients can sit up in bed without a carer helping them. This is such a special cause to me, and 'Hope' and the MND charity thank you from the bottom of their hearts.

Ms Igoe

#KS4

Y11 Trial Exams

We have been very impressed with the approach Y11 students have shown during their Trial Exams this week. They have been determined, resilient and organised in their demeanour and as a result their exams have run smoothly. As you know, from the communications that Mr Rhodes has sent out, some of Y11 have had to self isolate during these Trial Exams. This is extremely unfortunate and we commend them for the understanding that they shown. As ever, we have adapted to the challenges of Covid and each of these students will complete their exams with adult supervision at home.

Next week the exams continue but there will be practical exams only. Please read the information below to ensure students know where to be and at what time:

Monday, 14 December:

All students arrive at 9.25 for lesson 2. PE and Creative Media exams will take place in the afternoon

Tuesday, 15 December:

Students studying Music arrive at 8.30 and go to MUA for their exams. All other students arrive at 9.25 for lesson 2

Wednesday, 16 December:

All students arrive at 9.25 for lesson 2. No exams

Thursday, 17 December:

All students arrive at 9.25 for lesson 2. No exams

There will be lesson 7 next week for all students, therefore students will finish at 3.30pm. The only exception to this rule are students who have exams on Monday and Tuesday who will finish school when their exam ends

We thank you for your support and understanding during this term, especially the last week that has provided a few more challenges than usual!

Mr Gordon Walker, AHT Y10+Y11

Y10 TEST

Next term we'll be testing Y10 on material covered this far in the year. It will be a 1 hour, non-calculator test, and done in class. The topics list for the test is the following:

10a1,10a2,10a3,10b1,10b2,10b3
Number, Algebra, Interpreting and representing data, fractions, ratio, & percentages.

10a4,10b4
Number, Algebra, Graphs, tables & charts, fractions and percentages

Pupils will be provided with a more detailed list of subtopics through a revision sheet on Google classroom. This will be uploaded before the end of term.

These tests will be used to inform subsequent set changes, so please encourage your son/daughter to give their best.

Mr Lewis, KS4 Maths Coordinator

#Attendance

Please report any absences to the Attendance Officer - Teresa Carver email address:

attendance@greycourt.org.uk

before 8.00 am.

If your child is absent for more than one day it is necessary to contact the school on a daily basis.

If you phone the students attendance line: 0208 948 1173 Ext 104, please speak audibly and keep your message brief, include your child's name, tutor group and the reason for their absence.

Should you need to go into more detail, please contact your child's SSO/and or tutor.

CHRISTMAS CELESTIAL BEINGS OF THE WEEK: MARTHA COLLINS AND FLORA WILSON – Y10

These two charitable and entrepreneurial individuals should be commended for their magnanimous natures, resilience, persistence and for their ability to cajole and organise... me!

Over the past two weeks they have mooted the idea of the "Lunchbowl Network," tracked me down in various locations around the school, designed a PowerPoint, written a newsletter, reminded me of my moral responsibilities when I covered their mathematics class and have generally been very patient and accommodating. So please everyone get behind this initiative so we can raise some money!

Martha and **Flora** want to promote and raise money for the "Lunchbowl Network." This is a charitable enterprise that was set up in 2006 in response to the plight of the orphaned and vulnerable children living in Kibera, Kenya, the biggest slum in Africa.

Martha and Flora will be selling "angels" for £2 in aid of the charity. These can be used as gifts, key-rings, table or tree decorations.

This charity has funded two schools - safe spaces - where over 500 children from Kibera receive not only an education but breakfast, lunch and a snack. However, Covid 19 has hit Kenya hard and the schools are still not properly open. This means these children need support more than ever. Please encourage your child to bring in £2 to buy an angel to give a gift this Christmas to the children of Kibera. One £2 angel equals six meals for children in Kibera!

The angels will be sold in forms on the following days: Monday, 14 December, to Wednesday, 16 December, or alternatively you can donate by completing the [Google form](#) and pay £2 via Kibera Angel Donation (optional not compulsory) – scopay tab (by Monday) and we will deliver the angel directly to your room.

You can also buy them from **Mr Clements (If you are unsure of who Mr Clements is – he is a well-dressed young teacher - about 25 – who is usually on gate duty in the mornings when you arrive)** at the front gate of the school at 8.30am from Monday - Wednesday (Please bring exact money!)

Y11: Mock Exam Week

smoother than a Bremont Hawking timepiece

This week I have meditated upon the fact that Ms Weston and Mr Gordon-Walker must have been inspired by the sleek symmetrical lines of modernist - Le Corbusier - inspired architecture. Local historians will no doubt remember the imposing facade of the Old Sopwith Hawker Aircraft factory - that used to dominate the Ham environs in the 1950s. (Thank you Mr Winch for your personal photos of the building from 1958.) Indeed, the Weston-Gordon-Walker partnership has been intent on recreating a hyper-efficient role call of workers each morning, as the year 11s have been lined up, had their uniforms checked, been ordered to present arms and then marched off alphabetically by row, number and sub-clause into various exam venues. Ms Weston has delighted in checking her chuff chart, whilst Gordon Walker has urged students to "go the full bore" and repeatedly implored me to run the operation with the synchronicity of his hand engraved Bremont Hawking Swiss quartz Jaguar timepiece.

I have humbly endeavoured to live up to their exacting standards - but must congratulate the year group for their discipline, fortitude and good humour over the past week - it has been wonderful to witness and much appreciated!

Mr Clements, Deputy Headteacher

COMIC DOUBLE-ACT OF THE WEEK:

Many thanks to Y11 students **Elijah** and **Callum** who have spent the week delighting in slapstick double act lunchtime buffoonery involving twigs, pine-cones and mud. A part as the bungling burglars in *Home Alone IV: Lost in Newman House* awaits.

"The best of all gifts around any Christmas tree: the presence of a happy family all wrapped up in each other."

– BURTON HILLS

Food + Nutrition

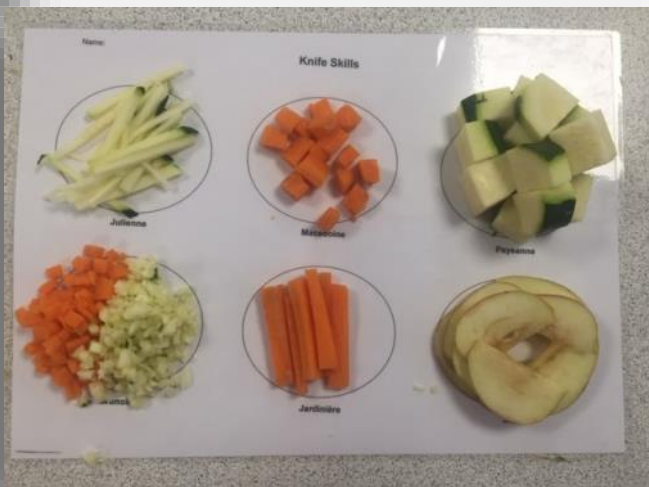

As we near the end of term, we have been busy in the Food department. Our Y7s have been experimenting making a healthy version of fish and chips, some of our Y8s had the opportunity to show their skills in a 'free cook' lesson and Y9 were busy exploring international cuisines, making Sweet and Sour Chicken.

Y10s have been as busy as ever, honing their knife skills and exploring factors affecting food choice. They have focused on festival foods with an international theme. See some of the delicious dishes they made! Next week, they are making foods which are typically eaten at different religious festivals.

Y11 are staying busy with their NEA coursework and their mock exams and we are wishing them a restful Christmas break.

Mrs Anjum discusses Food Waste this week in her writing. We can become especially wasteful at Christmas - she encourages you to think about what you're buying to reduce our impact on the environment both locally and globally.

Ms Clark, HO Food + Nutrition

Cutting food waste is a delicious way of saving money, helping to feed the world and protect the planet

Tristram Stuart

Food Waste

Food is the basic necessity and can bring great pleasure. Unfortunately, lots of it goes to waste. Food production and food waste are amongst the top emitters of greenhouse gasses globally, eventually contributing to global warming and climate change. The disparity between food wasted in developed countries and those not having enough to eat, both locally and globally, is huge and we should aim to be reducing that gap.

Every year over 8000 tons of food is wasted by our local residents alone, which can be avoidable and recycled. Food waste has high moisture content which is unsuitable for disposal with other residual rubbish which is used as a fuel to generate electricity for the national grid and businesses. Most households can easily reduce the amount of food they waste. Potatoes, bread slices and apples are respectively the most wasted foods by quantity, while salads are thrown away in the greatest proportion in the UK. Therefore, plan ahead before you head out for your weekly shopping. Freeze your left overs and check use by date before you buy.

When planning your Christmas eating festivities, think about portion size, Boxing Day leftovers and donating foods that might not be consumed to local food banks and charities, to help those that may struggle to have enough food over the holidays and to reduce our carbon footprint.

Get detailed information and advice on how to do so from **LOVE FOOD HATE WASTE** website. There are recipes, shopping tips, storage techniques, cooking with kids and much more. The website will definitely make you love food and take action to save food

Child Labour

Jad al Hassanieh, Y11

Around the world, around 265 million children are snatched from their schools and forced to partake in manual labour in exchange for little or even no money.

In addition to the psychological effects that come with child labour, the child's health can be impacted due to the exposure to harmful chemicals.

Adding to the negative effects, 1 million of the children mentioned before will be victims of human trafficking. The main cause of this problem is uneducated parents who think that school is a waste of time and that their children are better off working. This becomes worse when you realize that these children will grow up and not send their children to school and the cycle of labour repeats itself. Although the United Nations banned child labour over 30 years ago, it still prevails. It's up to us to change this.

Children have rights

Children's rights are human rights! At the international and national level, there are many special acts to protect the rights of a child. The main instrument for their rights at the international level is the Convention on the rights of a child- a 54 article document.

Children's rights have always been infringed upon because children are minors, they have no right to vote, they are not considered human. They cannot go to the police or complain to someone if they are threatened.

**I STAND FOR
CHILDREN'S
RIGHTS**

Children have always needed and will need comprehensive care and support from the state and society. I want to talk about the most important issue in my opinion "The child has a right to be protected from all forms of physical or psychological abuse or malicious acts of parents, legal guardians or any other person who takes care of the child , lack of care or neglect, abuse or exploitation , as well as from malicious sexual acts". In many families, children are still vulnerable to physical, psychological and sexual abuse. Moreover, many parents believe that hitting children is the right upbringing. In families where there is no physical abuse, there can be psychological. I think that people, before having a child, must undergo a medical commission, psychiatrist, special training, and any violence should be criminalized in all countries.

"The child has the right to education, the purpose of which is to develop the personality, talents, intellectual and physical abilities of the child to the greatest extent". Why then, in many poor countries, such as African countries, do children work from childhood without the opportunity to go to school? Children have a right to childhood, education and leisure! Children are cheap labour and unfortunately this will continue until the state begins to monitor families more closely.

Homes

**PRIZES FOR THE MOST ORIGINAL/FUNNY
JUMPER**

Sixth Form Alumni Update

Y12 Mock Exams

The Y12 mock exams will run from the 11 to 15 January. These will be sat in lessons time and they will be managed by classroom teachers. The only exception will be the Pure Maths paper which will be sat by all Maths students in enrichment. The exam booklet will be sent home before the end of the term so that students are aware of the specific details of what they need to revise.

Students who use lap-tops in examinations are encouraged to bring their own lap-tops in for exam week. Lap-tops will also be available from the Sixth Form reception. Exam leave will be in operation for the week to allow students to study at home OR in school depending on personal preference.

Teachers will be available in their classrooms if you want to revise in class or seek additional help

After last week's university update -this message winged its way into the Sixth Form inbox from Orla Harrison who is studying creative writing at Birmingham.

Dear Mr Clements,

I hope you are doing well.

I have been meaning to email you for a while and when I picked up this week's read of Toni Morrison's Jazz and I was reminded of your perpetual appreciation of her work.

Although my first year of university has, so far, been far from the norm, I wouldn't have wished to go any other year. My course is exactly what I hoped for; I am happy and thriving in this learning environment (despite the current limitations) and every day I become more invested in my passion for literature and creative writing.

Thanks Orla - I like Toni Morrison and positivity!

Employable Me Update

YE Learning Zone is home to our brand-new digital courses. These have been designed to develop the vital skills young people need to earn and look after their money.

Employable Me will equip students with the skills and knowledge needed to navigate the world of work through five core units:

1. What is your USP?
2. Finding the dream job
3. Getting to the interview - CVs and cover letters
4. Shine in the interview
5. Digital footprints matter

On ATD, Y12 were asked to work on 'Employable Me' which is an online careers program. As we were in a pilot group of schools trying this, there were some technical glitches and well done to those who navigated through it and completed the course!

We have been told these glitches have now been resolved and Y12 students can access this resource until February.

This involves the above modules and can be accessed via:
<https://ye-learningzone.org.uk/login>

The login information is on google classroom under ATD resources. We encourage all Y12s to complete this and it will count towards the Grey Court edge programme.

STARS OF THE WEEK

Daisy Whitley for setting up the first Grey Court MUN debate of the year and pulling together 28 students who were representing 20 different countries to manage the question of what the global response to Covid-19 should be. Watch this space as there is a climate change debate coming in 2021.

Daisy's star pair:

Eddie Bing and Ella Logan-Wilson who represented Sweden and were able to construct logical arguments that clearly carried weight with delegates.

DIY UN conference

Every year - an elite bunch of staff and students from Grey Court participate in a prestigious model United Nations conference at St Paul's school. The students debate and the staff eat biscuits.

When Daisy Whitlie approached me about participating in the conference this year I was initially saddened to tell her that the event had been cancelled by both St Paul's and the UN itself. However, not to be perturbed Daisy set about organising, promoting and recruiting one herself. My own contribution to the festival of mannered debating was to find a free room and take a picture!

"Adults" such as Ms Higham and myself were banned from proceedings although from the covert picture, the students seem to be doing very well without us!

My only EBI for next year would be biscuits!

ESU motion:

...so with Daisy Whitlie and her security council having solved the problems of the World, the baton has now been passed to Jashan Ball, Oliver Piers and the honourable

Thomas PRESTIDGE to represent Grey Court in the English speaking Union's prestigious debating competition. The talented orators will be arguing AGAINST the motion that: **This House Would ban job applicants from disclosing the names of educational institutions that they have attended.** Jeshan feels this is ironic but nevertheless has set about the task with gusto and tells me that he has unearthed a set of statistics which are non rebuttable!

Mr Clements, Deputy Headteacher

Model UN Conference

write up by Daisy Whitlie, organiser

On Wednesday 9th, we ran an in-school Model United Nations Conference amongst Y12 students. The turnout was incredible with 28 students representing 20 countries, from Tuvalu to the USA. Despite not ever having participated in model UN before, everyone came prepared and on great form when it came to debating the current COVID 19 crisis and attempting to come up with a global resolution that would benefit all countries involved. Heated debates ran throughout and eventually, delegates were able to form alliances in preparation to write up and propose resolutions during enrichment next week, where hopefully, agreements can be reached. Thank you to everyone involved and we look forward to running another conference in the new year!

Is University Worth it?

Newcastle University has published a guide about the pros and cons of going to university - mainly pros! Their eBook brings together the facts about the return on investment received by attending university and makes an interesting read. Please click [here](#) to access it.

Sessions on from Edge Hill University

Humanities

Edge Hill University is running 2 live sessions on, 'Pandemics: Past, Present and Future' for students interested in **History & Politics**, **Geography** and **English**. The sessions examine the Spanish Flu, the Plague and Covid-19. The live sessions are on **Friday, 15 January, at 10am and 2pm (UK)**

Sessions on activism, stories and environment

Also aimed at post-16 students, Edge Hill will run 3 pre-recorded sessions which come with interactive activities and worksheets:

History: A is for Activism (*the role activism plays in global politics*)

English: Stories that Shaped the World (*the ways in which real life events are imagined within literature*)

Geography: Us and our Environment (*the relationships between humans and their environment*)

The pre-recorded sessions are available **Monday, 11 January, to Friday, 22 January.**

For both live and pre-recorded sessions: [see more info / book](#)

Careers@GreyCourt

by Ms Corrighan (Head of Careers)

Final call!

Grey Court Sixth Form

Application Deadline: 15 December 2020

If any students still haven't applied and need any support next week Ms Corrighan (Careers) is on hand to help—just see her in school or email: bcorrighan@greycourt.org.uk

For any students and parents still considering the post-16 opportunities in the local area please see the Achieving for Children Opportunities pack:

[Opportunities pack Richmond and Kingston](#)

Opportunities....

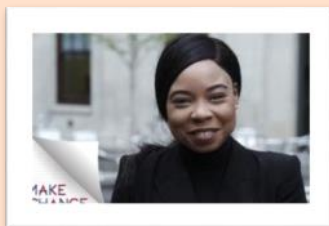

Uptree are an organisation that works to link up students with employers to provide work experience opportunities and apprenticeships. They are free to sign up to: <https://uptree.co/> and employers such as IBM, Facebook and loads more! See attached flyer (at the end of this bulletin) for a selection of opportunities this week.

The Government Economic Service Degree Apprenticeship Programme

Applications will be opening on 14 December 2020 for the Degree Economist Apprenticeship Programme with the Government Economic Service. With 70+ vacancies available, this is a brilliant opportunity to work in a central government department or agency on some of the most important social, environmental and economic issues our country faces. You can find out more about the programme [here](#).

KINGSTON CARERS' NETWORK
Improving the lives of carers in Kingston

A Network Partner of
CARERS TRUST

Young Carers' Project

Richmond & Kingston Carers' Centre are the only organisations in the borough with a team dedicated to supporting the needs of young carers (aged 5-18) and as such have a wealth of experience and expertise in issues which affect their lives.

They provide:

- information and advice, including 1-to-1 support
- opportunities to meet other young carers
- fun activities, outings and breaks away from home
- regular drop ins
- awareness raising of the needs of young carers, particularly in schools
- advocacy and whole family support
- quarterly newsletter

Please contact Ms Igoe at cigoe@greycourt.org.uk if you feel your children is a young carer and not already known to us and you would like further support.

See details for the Carers' Christmas quiz which will take place online via Zoom on 17 December

Rethink Mental Illness Free mental health and money toolkit

The new mental health and money toolkit can help you understand, manage and improve both your mental and financial health. It was co-produced by people with lived experience of mental health and money difficulties, and healthcare professionals who support people to manage their mental health and money.

The toolkit includes sections on understanding your finances, navigating the benefits system and where to get further support. You can use it on your own, or to help guide conversations with your relevant healthcare worker about your mental health and money. Click [here](#) to download the toolkit

#Wellbeing

Richmond & Kingston CARERS' CHRISTMAS QUIZ

Instead of their usual Carers' Christmas lunch, this year they will be running an online Christmas Quiz. **CLICK HERE** for full details.

Food Glorious Food

#BreakfastClub

Breakfast is available to purchase from the silver canteen each morning from 07.45am to 08.15am. There are allocated areas for students to eat breakfast. A member of staff is on hand to welcome and supervise students.

Students who are in receipt of the free school meal allowance will have an additional £2 allocated to their accounts each morning for purchasing breakfast.

#MENUS

Click here to [download](#) the menus

#Fundraising

Did you know that you can donate to Grey Court School while you shop without spending any additional money?

Nearly everything you buy online can be done so through one of these two sites and, each time you shop, your retailer donates a % of the value of your basket to charity - and that could be Grey Court.

easyfundraising.org.uk
giveasyoulive.com

Here's what to do:

1. Visit the website
2. Sign up using your email address and select a password
3. Choose the charity you wish to support and, yes, **Grey Court Education Fund** or the **Grey Court PA** is ready and waiting for you to select
4. Download the laptop donation reminder. It automatically prompts you to use the service each time you shop **or**
5. Download the app for your phone

Now, you can shop as usual, knowing that every time you do, those retailers are donating to Grey Court.

If all our parents come together to buy their weekly shop online via the donation portal, the transformative effect of those donations would be extraordinary.

Only shop at Amazon? No problem.....

Smile.amazon.co.uk does the same thing/.

Once you've signed up (and yes, Grey Court Education Fund is on here too) you simply do all your usual Amazon shopping on smile.amazon.co.uk. Usually the website prompts you to redirect, taking all the hassle out of extra charitable giving this festive season.

Thank you, in advance, for helping us this festive season!

Please, please, please sign up to Easy Fundraising (see below)

Grey Court PA Easy Fundraising in 4 simple steps

1. Go to <https://www.easyfundraising.org.uk/causes/greycourtpa/>
2. Click 'support the cause' and type in your name and email address
3. Choose to either get donation reminders or click no thanks
4. Download the Easy fundraising app to your phone or use the Easy fundraising website.

#PANews

HUGE FESTIVE THANK YOU'S

Thanks to all of you who bought our Xmas Goody Bags and/or the Park Brewery Ales! You have raised a fantastic £2000 for our wonderful school!!

We wouldn't have been able to do this without the incredible generosity of **Park Brewery**, as well as **Richard Broom** for designing and funding the very stylish Grey Court canvas bags, and of course **Stampastic** for giving us a Merry Christmas stamp! Thank You! Thank You! Thank You!

But this isn't all you have done!

Nearly £2,000 has been raised through Go-FundMe, £35 this month so far through easy-fundraising, and a very gratefully received £300 donation from **Deea from your take-away curries back in November!**

Please keep shopping through Easy Fundraising (link above). We can't thank you enough for every little bit of help you give to assist us in raising money for the school! Even the smallest things help enormously!

If you haven't bought your Christmas Tree yet, don't panic! The Palm Centre still has a huge selection of trees, big and small, and will donate 25% of the takings of any trees bought to Grey Court (please use attached flyer)

Michaela, Amira & Lou

Sports Stag

Netball

The Y9 and Y7 netball teams enjoyed some very competitive matches against Shan Netball Academy. The Y7s won 17-13 and the Y9's narrowly lost. MVP for Y9 was Amy D and the Y7s MVPs were Pearl H and Margo F. The girls are looking forward to hopefully more fixtures in January. All netball training sessions have now resumed.

Ms Shaw, HO Girls' PE

Win with style, lose with style

Teddington Girls' Rugby

On Sunday, 13 December, at 10.30am we will be running our last TRFC GIRLS TRAINING session of 2020

Book Stag

Salutations from the weekly periodical of the school library. It is a compendium of current trends and interests forwarded by the students and staff of Grey Court.

News

Best Children's Books of 2020

This year has been a little difficult but thank the heavens that there has been some cracking reads to help us escape or to put things into perspective. Our top five for the year.

Eight Pieces of Silva by Patrice Lawrence

From the multi-award-winning author of Orangeboy, serves up an addictive YA thriller centred on a missing girl and the eight clues which may, or may not, help her stepsister find her.

Serpentine by Philip Pullman

A standalone novella that takes place after the conclusion of His Dark Materials and finds Lyra and Pan on a perilous journey. The perfect re-entry for fans of His Dark Materials and a wonderful companion to The Book of Dust.

The Night Bus Hero by Onjali Q. Rauf

Blessed with the combination of page turning excitement and thoughtful compassion that made her Waterstones Children's Book Prize-winning The Boy at the Back of the Class so unforgettable, The Night Bus Hero is a compelling fable of bullying and homelessness.

The Invisible Boy by

A powerful contemporary novel about slavery, friendship and standing up for what is right. From the author of the UKLA Book Award-winning THE ELEVENTH TRADE comes a second novel with a powerful modern message.

The Lost Spells by Robert Macfarlane and Jackie Morris

Written to be read aloud, painted in brushstrokes that call to the forest, field, and riverbank. It celebrates a sense of wonder, bearing witness to nature's power to amaze, console and bring joy.

Happy Birthday

Cornelia Funke is a German author of children's fiction born on December 10, 1958. Funke is best known for her Inkheart trilogy. Many of her books have now been translated into English. Her work fits mainly into the fantasy and adventure genres. Funke has been called "the J. K. Rowling" of Germany and her fans are sometimes referred to as Funkies.

Funke has sold over 20 million copies of her books worldwide.

Book of the Week

Globally bestselling Divergent author Veronica Roth delivers a breathtaking fantasy featuring an unusual friendship, an epic love story, and a galaxy-sweeping adventure.

Cyra Noavek and Akos Kereseth have grown up in enemy countries locked in a long-standing fight for dominance over their shared planet. When Akos and his brother are kidnapped by the ruling

Noavek family, Akos is forced to serve Cyra, the sister of a dictator who governs with violence and fear. Cyra is known for her deadly power of transferring extraordinary pain unto others with simple touch, and her tyrant brother uses her as a weapon against those who challenge him. But as Akos fights for his own survival, he recognizes that Cyra is also fighting for hers, and that her true gift--resilience--might be what saves them both.

December 4, 1791 - The Observer, now the oldest Sunday newspaper in the world, was first published in Britain.

December 5, 1901 - Walt Disney (1901-1966) was born. After moving to Hollywood he produced Steamboat Willie, starring Mickey Mouse. In 1937, he released his full length animated film, Snow White and the Seven Dwarfs. He opened the Disneyland amusement park in California, in 1955. Five years after his death, Disney World opened in Florida. The company he founded has since grown into a global entertainment empire.

December 9, 1608 - British poet John Milton (1608-1674) was born in London. Considered second only to Shakespeare in importance, his works include; Paradise Lost, Paradise Regained, Samson Agonistes, and The Tenure of Kings.

This Week in History

AR Stars of the Week

To acknowledge the effort that year 7s & 8s put into their reading. This week students have been picked because of they have earned the most points in their classes.

Communications and Diversity

SMALL AXE

MUST-SEE THIS WINTER:

Small Axe is a collection of 5 films depicting Black British stories. Directed by Steve McQueen, this project has been in the works for 10 years and focuses on a part of

our history we often brush over - The British Civil rights Movement. Described by the BBC as '*Love letters to black resilience and triumph in London's West Indian community*' these vivid stories of hard-won victories in the face of racism are a must watch for those who want to learn about the British Civil Rights movement.

Link to Small Axe:

<https://www.bbc.co.uk/programmes/p08vxt33>

Poetry LGBTQ+ Open Mic Night (on zoom)

Upcoming dates: 6 December and 20th December

- Free entry
- 5:00pm - 7:30pm

Everyone is welcome and encouraged to read their poetry for 5 minutes each.

This event is run on a pay what you can basis so you can pay as little as you want!

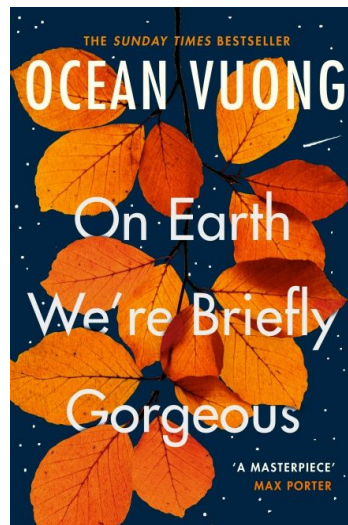

This is a great opportunity for creative queer people to showcase their writing and perhaps find some supportive people and inspiration!

This event takes place every month but there are only 15 slots available for poetry

But you can also apply to be a member of the audience!

Link to sign up:

Book of the Season:

'On Earth We're Briefly Gorgeous' is the tale of a Vietnamese mother and her son, with this book being framed as a letter written by the son

to his mother, who cannot speak English. Telling the story of 'Little Dog's' life, Ocean Vuong explores what it means to grow up in a first generation immigrant household and the struggles that come with that, whether that be language, sexuality, or the complicated history left behind. This book is beautifully written and is also relatively short so anyone can pick it up and have a go, I promise you it will be worth it.

What's On This Winter ?

Communications and Diversity

Singer of the Season: Arlo Parks

(taken from <https://www.arloparksofficial.com>)

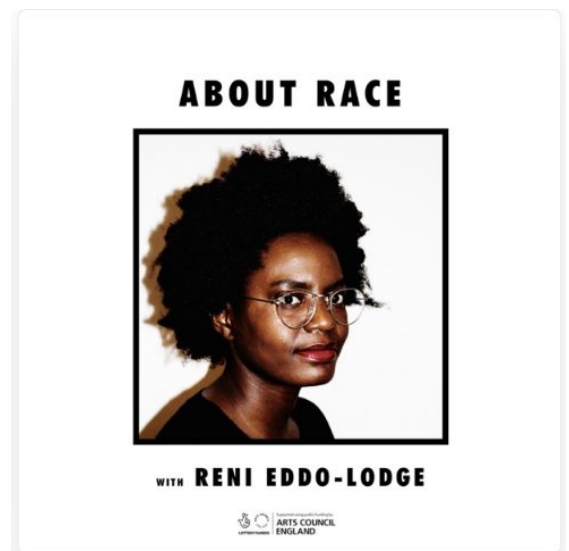

Arlo Parks is a singer-songwriter from London. In her words she spent most of school feeling like that black kid who couldn't dance for shit, listening to too much emo music and crushing on some girl in her Spanish class. Her songs are confessional and tender, mainly inspired by Portishead and Earl Sweatshirt.

Her music is both calming and catchy and she explores themes of depression, what it means to be a queer black woman in 2020 and identity.

Podcast of the Season: 'About Race with Reni Eddo-Lodge'

After Reni Eddo-Lodge's book 'Why I'm No Longer Talking to White People about Race' made records in the Bestseller charts this summer, she has released a podcast in which she dives into the complex and multi-faceted discussion of race. Featuring key voices from the last few decades of anti-racism activism, About Race with Reni Eddo-Lodge looks at the recent history that led to the politics of today. Have a listen to further involve yourself in becoming actively anti-racist and aware of the culture we live in today and its intrinsic links to racism.

Some websites to find further resources/ information about Diversity:

<https://www.stonewall.org.uk/help-and-advice> - if you'd like any information on LGBTQ+ issues

<https://www.bbc.co.uk/bitesize/articles/zs9n2v4> - to learn more about 'anti-racism'

<https://lgbt.foundation/meet-the-team> - an LGBTQ+ UK charity that provides lots of helpful information on queerness and offers support and guidance, as well as shows you where to go in local areas.

Who are we?

We are a team of experienced youth workers who work with 11 to 19 year olds in Kingston and Richmond to provide fun, affordable and developmental activities

What do we do?

We provide young people with a safe space where they can meet their friends, talk to staff, and take part in activities.

We run accredited awards for activities such as AQA Unit Awards and the Arts Award.

We offer support on issues young people sometimes face such as stress, substance misuse, relationships, sexual health, school, careers, internet use, etc.

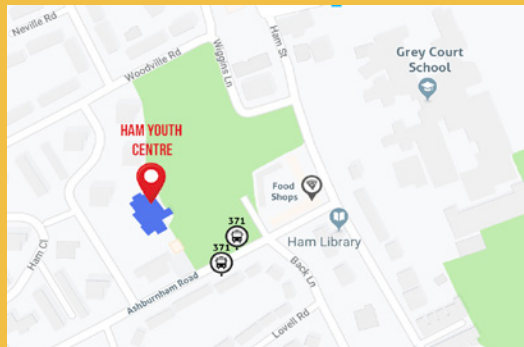

We operate the CCard scheme.

What about Coronavirus?

We strictly follow guidelines of the National Youth Agency - see our [website](#) for more details.
