Grey Court School and Sixth Form presents...

The KS4 and KS5 Visual Arts Exhibition 2024

Join us for an evening of celebration in the Atrium Gallery and Sixth Form between 5 and 7pm on Wednesday 19th June. Refreshments will be provided.

Delivery Boy
A spiral-bound notebook with a red and white checkered pattern, designed to look like a slice of pizza. The notebook is made of recycled paper and is available in two sizes: 5x7 inches and 8.5x11 inches. It is a perfect gift for anyone who loves to write or draw.

Artists and photographers

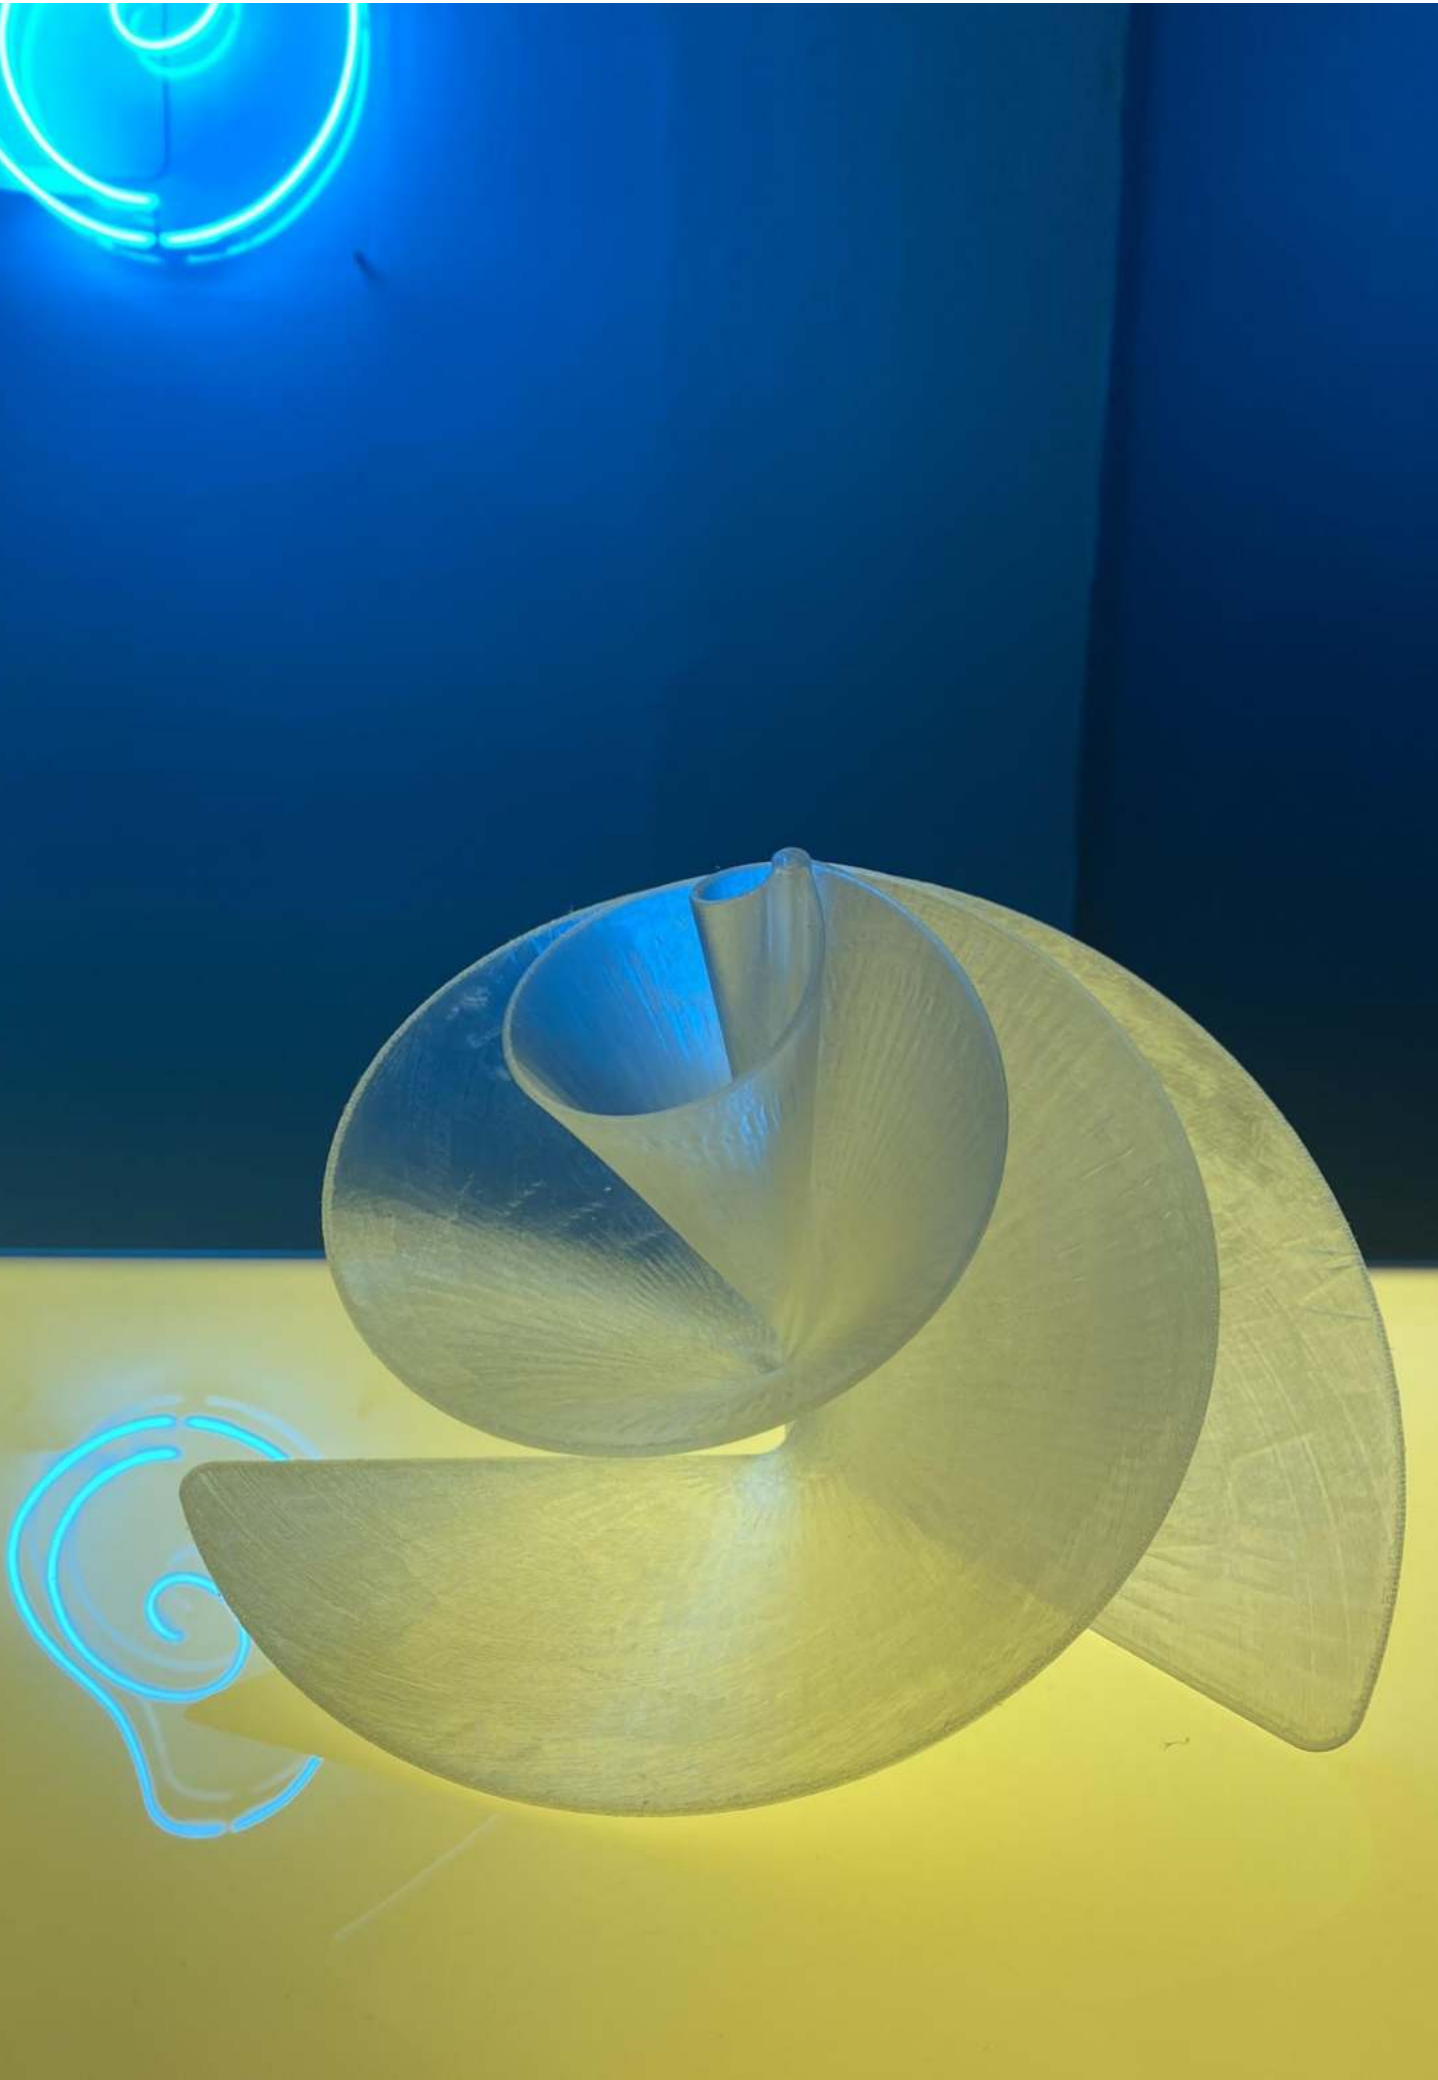

On Tuesday 12 June, our Year 12 artists and photographers enjoyed an inspirational trip to the Kingston School of Art Degree Show and the Stanley Picker Gallery. They enjoyed a private tour of the current show 'Haunted Ecologies' by Thomas Pausz, seeing the very impressive Art School workshops and viewing highlights from the Degree Show itself.

The trip was definitely visually overwhelming but there was a lot to be taken away which will hopefully inspire our makers now and in the future. With thanks to Natalie Kay, Stanley Picker Gallery participation curator, and gallery assistant Alex Warren for facilitating such an exciting morning.

Ms Bowie

Subject Lead for Art and Design and Photography

PLEASE NOTE that the cover photo and photos were taken during the year 12 artists and photographers trip to the Kingston School of Art Degree Show and the Stanley Picker Gallery

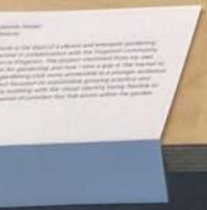

MY MOM DOESN'T

Jingyi Wang
Narratives of Material Regeneration
The images and shadows are revealed through the deep
Prussian blue. Medical X-rays present an interior space and
objectively reveal the current situation and even distance of the
body, calling the warm body as a white remains in absence
this cold and pure rational image is both frightening and
attractive, and the profound Prussian blue expresses emotion
appropriateness of death in their most brilliant bloom, attempting
to lure thoughts into the blue space hidden deep within each
body. When imagination reaches like a paratrooper, the step
again with this touch of blue. In the face of physical pain and
death, imagination is the most romantic resistance.

"There is always a pendulum of desires: I made a realistic film this time, then I make a different film next time."

- Makoto Shinkai [新海誠] (*Your Name*, *Suzume*)

Grey Court School Presents Our First Film Competition

GOLDEN STAG AWARDS

**Made possible thanks to the talent of our
very own students!**

FREE ADMISSION!

**Tuesday 16th July 2024
18:30 BST Start**

"When you're doing films, just with friends, with no money, on a shoestring. You have to be able to do all the jobs... And it's a wonderful way to learn everything."

- Sir Christopher Nolan (*Oppenheimer*, *Inception*)

Jacob Ramsell, Suhan Wasim and **Tobe Keerinkun** have been working hard organising the Golden Stag Awards: our new film festival.

Students from Years 7-10 have been submitting their own original short films. All will be showcased during the evening, followed by an awards show.

This is a fantastic opportunity to demonstrate creative talent and encourages people to consider a career in filmmaking.

Please confirm your attendance by completing the attached Google Form. We look forward to seeing you there!

Challenge & Olympiad

Congratulations to the following students participated in the second round of the UKMT Intermediate Maths Challenge and were awarded the following certificates:

Year 9

Joseph Bailey

Grey Kangaroo - Certificate of Qualification
(Best in School)

Kingsley Fan

Grey Kangaroo - Certificate of Qualification

Luca Grima

Grey Kangaroo - Certificate of Qualification

Sonya Mishchenko

Grey Kangaroo - Certificate of Qualification

Ki Wai Lau

Grey Kangaroo - Certificate of Qualification

Year 10

Frank Wong

Pink Kangaroo - Certificate of Merit
(Best in School)

Year 11

Oliver Engelbrecht

Pink Kangaroo - Certificate of Qualification

Tudor Pataca

Pink Kangaroo - Certificate of Qualification

A special mention to the following students who wrote the MacLaurin Olympiad:

Kihyeon Lim (Year 11)

Certificate of Merit (Best in School)

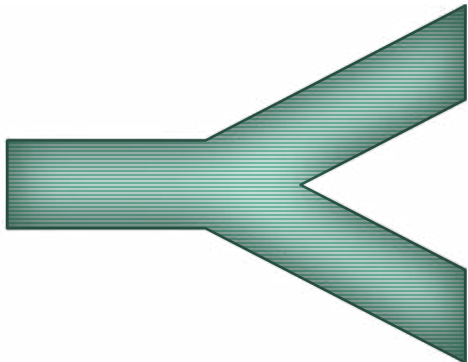

Xavier Mtandaari (Year 11)

Certificate of Merit

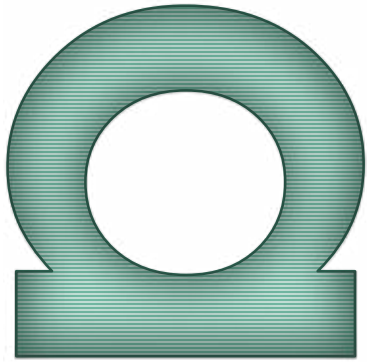

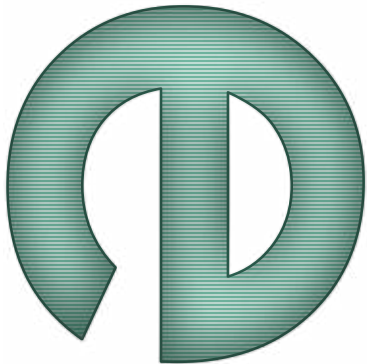

The Maths Department is very proud of all of their achievements!

Ms Niss

KS4 Mathematics Coordinator

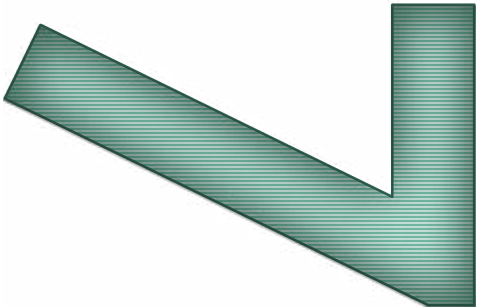

This week for PDW we were lucky enough to have an organisation called Just Like Us speak to the Y7s on the topic of LGBT+. We heard from two speakers about the topic of LGBT, their experiences and also their tips and advice. We were extremely impressed with how the Y7s listened in the session, and they also answered fantastic questions. We in particular focussed on being a good 'ally' and looking after the community by reporting any issues they may have seen or heard.

This week we also had house assemblies running each morning. Thanks to all the heads of houses and Mr Murphy for providing a thorough review of the current situation, and plans for the upcoming Sports Day on Friday 21st June. Some of these events have already been taking place, and it has been excellent to see the competitive but respectful nature of the competitors.

We hope parents evening was productive. It was fantastic to read through so many excellent reports. There are, however, always areas to work on and we hope the students can reflect on their year and prepare to maintain their high standards in Y8.

Mr Day
Head of Year 7

Year 7 Tea Party

On Wednesday afternoon, the SEND department hosted a tea party for some of our incoming year 7 students to help support their transition to Grey Court School. The Year 6s shared information about what motivates them and how they like to be supported. They listened and took part in a presentation from six of our current year 7s and then made fruit kebabs in a DT lesson with Ms Campbell.

Thank you to all those involved, especially our wonderful Year 7s (pictured below): Lap Hang L, Emma G, Omar F, Anna W, Zuva S and Arran L.

Well done to Mrs Moore's Year 8 German students for their efforts in cooking something from Austria, Germany or Switzerland for their homework. She was very impressed with the range of food - Lebkuchen, Pretzel, Knödel, Schnitzel, Apfelstrudel, Bratwurst und so weiter!

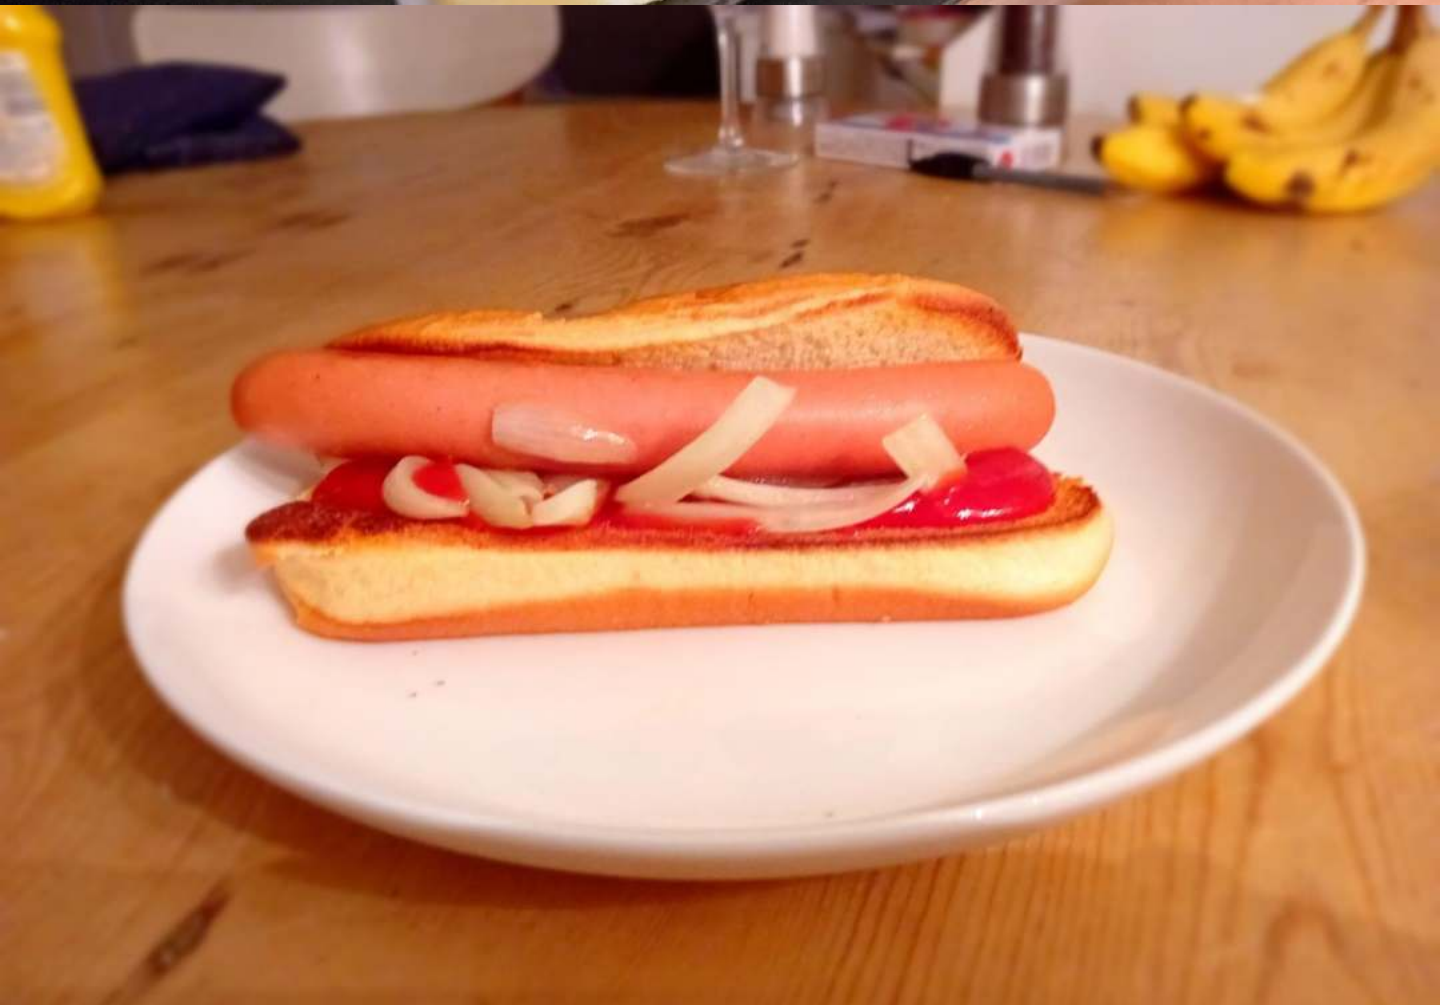

Year 8 German Homework

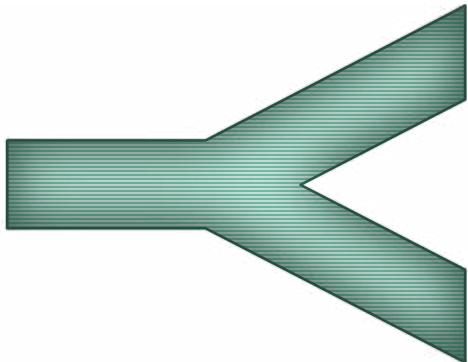

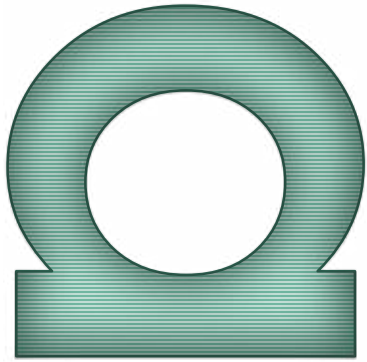

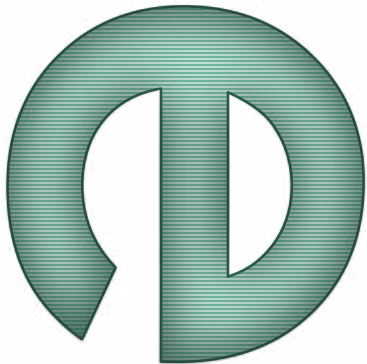

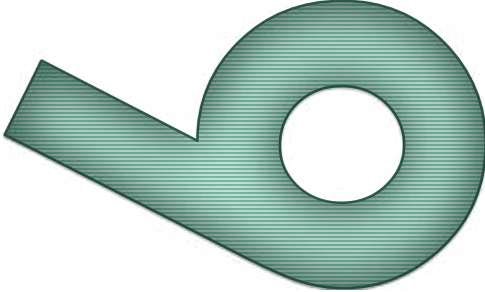

As you will know by now, Year 9 end of year exams have started this week with English in their lessons. Many exams will follow next week as per the timetable sent out in the revision booklet before half term. Please see the tutor group google classroom for this again if need be. Students have worked hard in lessons all year so it is important to keep the good routines going, to enable them to access this knowledge they have been learning. There are some fun final weeks to look forward to: GCSE Option prizes (awarded at Easter), Carnival and activity days - so we are at our last hurdles of the year!

Remember: "Success is never final. Failure is never fatal. It's courage that counts".

Ms Woods

Head of Year 9

Biology Challenge 2024

Well done to the year 10 students below who took part in the Biology Challenge 2024, this is an annual competition run across schools in the UK and internationally, with over 40,000 students taking part.

A special mention to Jacob and Gabrielle who achieved a gold! This means they were in the top 5% of the students who took part!

Jacob Heller - gold
Gabrielle Judkiewiez - gold
Andy Fedczuk - silver
Mydah Malik - bronze
Diyana Ansari - bronze
Ryan Farahmand - highly commended
Ali Shahjahan - highly commended
Maya Sills - highly commended
Sophia Trybuszewski - commended
Hannah Niss - participation
Frank Wong - participation
Enoch Tang - participation
Cass Lam - participation

Ms Moran, Head of Science

Welcome back Year 11!

I hope that the break was restful and productive and that the motivation for success is high as we approach the last final exams. I have no doubt that Year 11 can achieve great things, but only with focus and dedication and hard work for the last slog of exams. A special well done to those that finished today - a huge relief

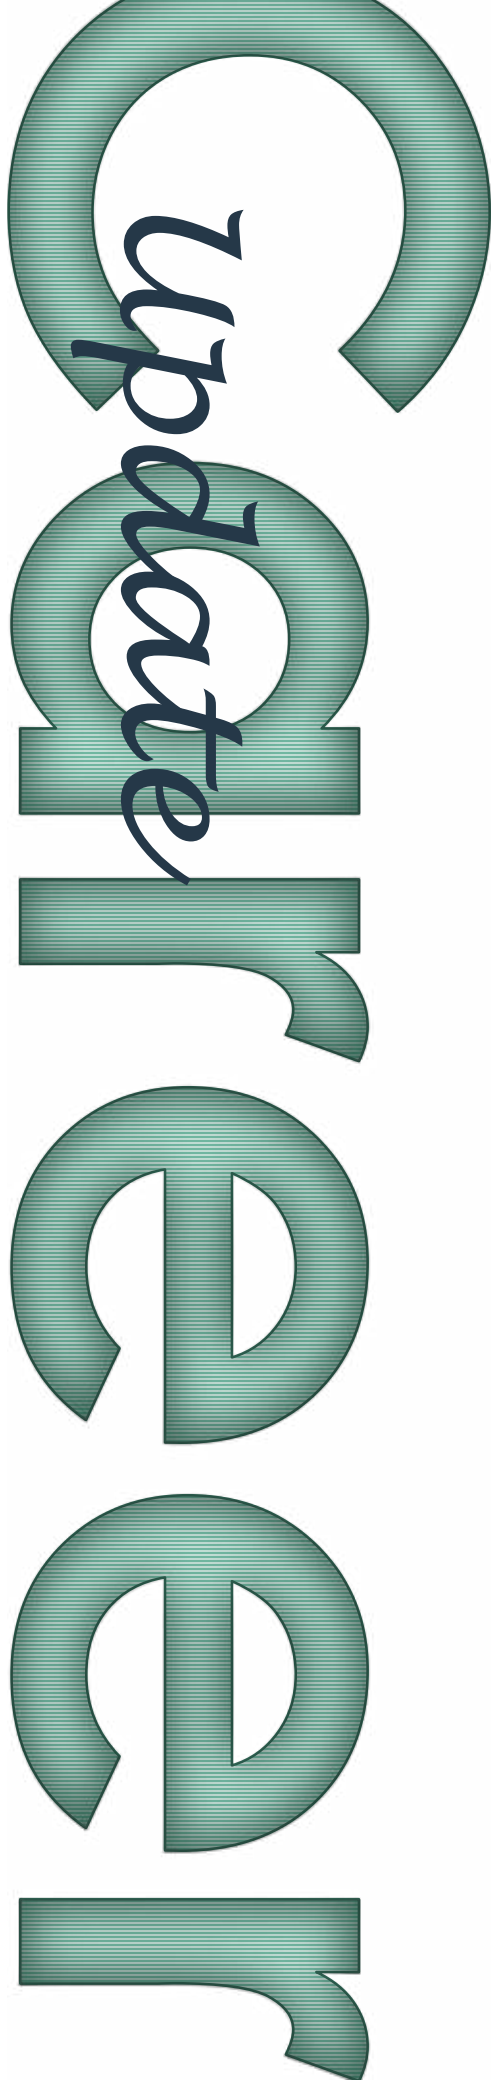

A reminder that students need to be in full uniform and correct footwear until the last day of their exams. They also need to attend every passport session scheduled for them. Please support this. Any uniform that you would like to donate after your child leaves Year 11 would be greatly appreciated - please leave at the office if this is the case. The same goes with any textbooks or revision materials - we love to recycle these and use them for future year groups and any subject resources would be welcomed.

Thank you to those people who have responded and paid for the 2024 Summer Prom. Not long to go and we can't wait for this wonderful event.

In regards to the GCSE Results Day on Thursday 22 August 2024, students will be able to arrive at school from 9am. They sign in and will receive their results via envelope. They can receive these digitally later in the day. Staff will be here to support students and you are welcome to accompany your child. We will also have sixth form enrolment on this day and students can get tailored guidance from their teachers on how to complete this and any subject changes based on their grades. Remember - students MUST be here in person to enrol on the sixth form on this day, so please ensure they come to collect their results and enrol.

Have a lovely weekend. Nearly there!

Miss Clark, Head of Year 11

Year 11 College and Apprenticeship Events

All Year 11s should by now have a plan about where they want to study from September or whether they are going into an apprenticeship. There are still opportunities to explore your ideas so see the college and apprenticeship details below. If students do not have any applications for college or need some support please contact Miss Corrighan

bcorrighan@greycourt.org.uk

On Thursday, 22 August, students will come in and receive their GCSE results. It's also the start of enrolment for college or sixth form.

Grey Court will be open for enrolment on 22 August but other colleges and sixth forms will let you know of their arrangements. The final step of signing up to sixth form or college is enrolment so you must attend on the day they email you about - you must be checking your emails for more information!

Kingston College and the linked colleges are offering some more open events. The events include Principal's Talks, the opportunity to talk to tutors and students, tours of the College by our fantastic student ambassadors, 'have a go' activities and the option to chat to a Careers

South Thames College	Wednesday 19 June, 4.30pm-7pm	Register here
Kingston College	Friday 21 June, 11am-2pm	Register here
Carshalton College	Wednesday 26 June, 5pm-7pm	Register here
Merton College	Thursday 27 June, 5pm-7pm	Register here

Open Event Tuesday 18 June 5-8pm [Book here](#)

For any Year 11s who are undecided for next year, Richmond are holding their last open event of the year. It might also be a good opportunity for some Year 10s to start thinking about their 16+ options.

Way2 Work is a local apprenticeship provider in the Kingston area who offer a range of apprenticeships including: childcare, teaching assistant, business, customer service and others.

They are having open events in June for year 11s and parents/carers to attend in Twickenham and Kingston. See the flyer for more details.

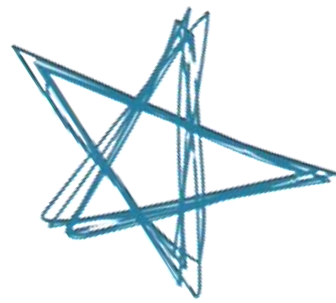

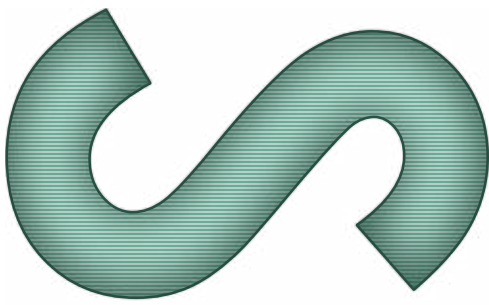

Year 10

Last week, year 10 had a PDW session from Kingston College about post 16 options and thinking about their skills in relation to future pathways. It's really important they consider a range of options and think what will suit their learning style and aspirations. Please see the presentation: [POST 16 OPTIONS Grey Court Year 10 students 2024](#)

Students should start to think about post 16 options including [Grey Court Sixth Form](#) & colleges. There are some open events this term you can attend:

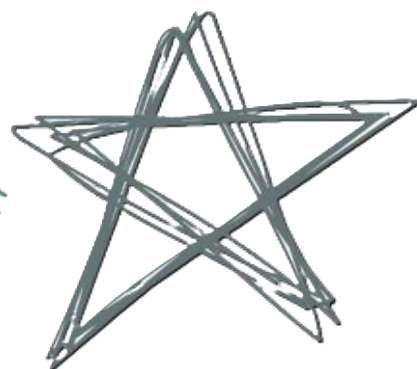

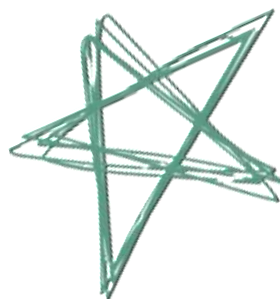

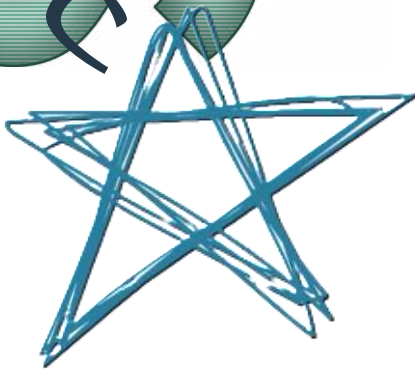

- [Richmond College](#) Open event 18th June 5-8pm book here: [Open Events | Richmond Upon Thames College](#)
- [Esher College](#) - **Open Evening on Monday 1 July 2024 4.30 – 8.00pm** This is the only open event for students starting in 2025. There are also tours that take place but look on their website for more information. If you want to apply to Esher College the applications open on July 2nd and close at the end of September - so you need to apply early!
- Grey Court Sixth Form open day will be in November and in the meantime you can look at the A Levels and BTEC options available in the [Grey Court School - Application and prospectus](#) Applications will open in September.

The activities days for year 10 are based around careers and options. They will be taking part in a work related activities day on Wednesday 10 July, followed by a trip to the University of Sussex on 11 July. Both these opportunities provide students an opportunity to develop their skills and explore options. They will be rewarded with a trip to Thorpe Park on Friday 12 July.

Food and nutrition

Chef of the week's

Whilst we usually acknowledge Chef of the week, I wanted to give a shout out to class of the week Year 7 class; 7ABX. They are one of the first classes of year 7 on this rotation to make their own 'deli salad' dish from their own design and research. Not only were the designs very colourful, imaginative and well balanced with a variety of nutrients, they also brought in a range of ingredients to make these salads come alive, they also plated their wonderful creations in preparation for their next few years of food at KS3. They really worked so hard.

An extra special shout out to **Max Helyer**, he really has considered composition and garnish when presenting his salad.

Well done Max!

Recipe of the week

Deli salads, suitable as an accompaniment, side dish with a variety of dishes. Whilst the warmer weather creeps on it, let's focus on lighter bites and fresh produce. It is also healthy eating week this week and you are encouraged to focus on different themes, getting your five a day is one of them and a deli salad is the perfect way to achieve that.

The base should be a starchy, fibre-dense carbohydrate; you can opt for whole meal or wholegrains too such as quinoa or brown pasta.

Choose a range of vegetables, a light salad dressing or vinaigrette, a low fat protein such as quark or mozzarella. It should look like a rainbow of colours, add a fruit such as apricot or a sprinkling of pomegranate seeds; a good way to add a sweetness to the savoury dish.

Click [here](#) for the recipe:

Eating week

Last week our students took part in 'Healthy eating week' assembly, an introduction to what we can do to be healthier. This marks the 12th year the British Nutrition Foundation has run this initiative within schools and workplaces alike to encourage healthier diets and lifestyle choices. Healthy eating week is a great time to think about improving your diet.

This year's theme is 'Give it a go'. Each day this week 10 - 14 June has a new focus to improve diets and help everyone make healthier lifestyle choices, whilst these themes are embedded into our KS3 and KS4 food curriculum, it is good to have these considerations in everyday life, and hopefully these are shared with you too.

Whilst there are a number of resources available please refer to the British Nutrition Foundations website for tasks and activities you can do at home, how you can make changes that won't break the bank & how you can support your child to make healthier choices as well as embedding these into your own lifestyle.

Students have been encouraged to track their progress with a healthy competition in school, the best, complete tracking recorded by one single form group will receive a prize and some well deserved house points too.
<https://www.nutrition.org.uk/healthy-eating-week/>

As our year 11 students are about to embark on their final examination for Food & Nutrition we wish them the best of luck in their exam and all the success in the future.

Our year 10 students move forward with their Food Science topic, and although we don't have any photos to share, they have been trialling some tricky sauces such as mayonnaise and hollandaise sauces; which are emulsion based sauces made stable by the addition of egg yolks. They contain lecithin which helps the water and oil become stable. Some sauces more successful than others; but efforts did not go unnoticed. This week an experiment looking at gluten and next week; an array of different ingredients.

A kind notice to our year 10 students to revise ahead of their end of year examinations, they will sit a written test within food as well as a mock practical. These tests will give students an insight into what they need to revise further and practice as we head into the final weeks of school. Good luck year 10.

Ms Campbell
Head of Food and Nutrition

King's Partnership Parliament Trip

Mr Clements

With an election looming and our very own local hustings due to be staged on the parquet floor of our democratic chamber, I was entrusted with the task of accompanying a group of highly erudite and liberal minded Year 10 students to that Temple of democracy: the Houses of Parliament.

The product of our decade long aspirations partnership with the King's School in Wimbledon, our band of outward looking egalitarians, had been selected by Mr Peter Hatch, King's, gentlemanly Director of outreach, to tour the catacombs of power. We were to learn how as a country we evolved from an absolutist monarchy to our own (slightly quirky) democratic form of governance. This felt especially important during an epoch where (some might argue) democracy is threatened.

The one and a half hour foray allowed our group access to the green Antechamber of the House of Commons, the red Antechamber of the House of Lords as well as the footworn stones of Westminster Hall. Our knowledgeable guide provided us with a series of niche asides and pithy insights. For example, did you know that Churchill made the debating chamber purposelessly narrow in order to promote the Commons adversarial nature? Or that there are plaques dotted around the Commons to commemorate politicians who have been killed whilst in office? Moreover, it was the following bog standard insight that particularly piqued the interest of the students:- Apparently a potty used to be placed under the speaker's chair so he was "accommodated" during nine hour debates!

One aspect of the tour that caught all of our imaginations was the "New Dawn" contemporary artwork, a metal and illuminated glass sculpture by Mary Branson that celebrates the campaign for women's suffrage. It bathes the onlooker in colours used by historic women's suffrage associations and is apparently controlled by the Thames' changing tide. My own ignorance about women's democratic rights in the UK was amended when I learnt that although women were given the vote in 1918 via the Representation of People Act they had to be over the age of 30 and owners of property. If this were the case today this would disenfranchise most of our history and politics department - except of course for Mr Winch!

With such democratic dilemmas on my mind, we retired for lunch which I hoped would be on the Commons' lawns where the vegan harissa wraps would be on me. However, our trip organiser extraordinaire, Ms Comrie, had apparently promised the gang a sojourn in McDonalds on the Strand. And so the cultural logic of late capitalism dictated that the future of the country was discussed over a happy meal or two.

As the afternoon train chugged back to Richmond I canvassed our newly enlightened students for their cultural highlights of the day and received the following replies:

Kevin: I was weighed down by the fact that the commons contains a 32 carat throne.

Niana: Apparently Michael Jackson offered to buy the throne but was told to "Beat it."

A commendation should go to Hugo Vaz for his non-stop chirpiness and willingness to act as a cameraman for the many foreign tourists we met in the centre of town.

A final appreciative round of applause should go to Ms Corrighan and Mr Bhumbra, who have liaised with King's school throughout the year and to King's for providing our students with some rarefied opportunities!

CSilverETF

Expedition

Silver DofE Expedition

Last weekend's Silver DofE assessed expedition was a truly relaxing time for me, sitting on a little bridge on Friday in the sun, overlooking a disused railway line which the students would walk down, overgrown with wild flowers and buzzing with summer flies dancing. Such a contrast to the hustle and bustle of living in London.

The students did so well that I thought I was on holiday. We had a huge campfire followed by marshmallows and laughter which was a fantastic end to a great first day, albeit not being able to see so many stars at our 'Dark sky' campsite.

The expedition was faultless with both students and staff having a great time - I learned lots of fascinating facts from our well travelled assessor David, such as why railways are the width they are - it all goes back to the width of two horses during Roman rule. Fascinating.

A lovely weekend was had by all and I look forward to seeing lots of this years Bronze Award students completing their Silver awards next year. - **Ms Mannion**

The students made us proud with their exemplary behaviour and the entire weekend was a joy. Everything went according to plan, the weather was also in our favour and everyone, students and teachers had a fabulous time.

Looking forward to the next silver expedition next year. - **Mr Nair**

An example of what someone has done for their DofE Bronze Volunteering. Speak to Mr Allchurch if you are keen to sign up to DofE Bronze

Duke of Edinburgh Bronze Assessor's Report

November 2023 to April 2024

Amelie Crane

Amelie has been helping at Leander Beaver Scouts as a Young Leader. In acting as Young Leader she has:

- *Attended regularly*
- *Helped and/or lead prepared activities*
- *Run games and selected children to be 'it' or play a role*
- *Helped Beavers voice their opinions in activities or at the Log Chew*
- *Worked with small groups called Lodges, and with the 20 strong Colony*
- *Has explored different ways to get children who are over-excited , tired or bored to participate and co-operate*
- *Assisted with games and activities linked to the programme areas each term and learning goals for badges*
- *Taken on a task when the Leader was busy with an activity, child or parent*
- *Taken action to make activities safe and enjoyable for the Beavers.*

Amelie in particular is an enthusiastic participant, joining in with activities and games and encouraging the Beavers to do the same, showing them what to do if they are uncertain. She makes everything fun and beams with happiness. She has taken on challenges such as teaching the children in badge work and running games with great willingness. We have enjoyed having Amelie on the team who is helpful and polite and she is always welcome to come along to help and visit.

- Scout Leader Leander Sea

DofE Assessor Report

What did they achieve, what skills did they learn?

- Demonstrated commitment leadership skills, preparation of activity to be run Learned how to get the Beavers attention and get an activity started without too much chatting and distraction
- Learned ways of sorting children into teams with friends, or to make it a fair competition
- Involving children in activities and adjusting how you explain things to different people as required
- Making things fun regardless of the type of day you have had
- Negotiating with other helpers to decide who does what for an activity

Washing

2024

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

SATURDAY

SUNDAY

3 Re-frame a worry and try to find a helpful way to think about it

4 Take a photo of something that brings you joy and share it

5 Think of 3 things you're grateful for and write them down

6 Get out into green space and feel the joy that nature brings

7 Do something healthy which makes you feel good

1 Decide to look for what's good every day this month

2 Say positive things in your conversations with others

10 Bring joy to others by doing something kind for them

11 Eat good food that makes you happy and really savour it

12 Write a gratitude letter to thank someone

13 Take a light-hearted approach. Choose to see the funny side

14 Share a happy memory with someone who means a lot to you

15 Look for something to be thankful for where you least expect it

16 Speak to others in a warm and friendly way

17 Take time to notice things that you find beautiful

18 Look for something good in a difficult situation

19 Get outside and find the joy in being active

20 Rediscover and enjoy a fun childhood activity

21 Send a positive note to a friend who needs encouragement

22 Watch something funny and enjoy how it feels to laugh

23 Create a playlist of uplifting songs to listen to

24 Bring to mind a favourite memory you feel grateful for

25 Show your appreciation to people who are helping others

26 Make time to do something playful, just for the fun of it

27 Be kind to you. Do something that brings you joy

28 Notice how positive emotions are contagious between people

29 Share a friendly smile with people you see today

30 Make a list of the joys in your life (and keep adding to it)

Joyful June 2024

ACTION FOR HAPPINESS

Happier · Kinder · Together

We have put together this online **Executive Function Workshop** in response to numerous parents/carers asking for more information to help their children with this in our Advice Clinics.

Who is the speaker?

Claire Burnell is the Family Support Worker for ADHD Embrace and ADHD & Adolescent Executive Function Coach, Trauma Informed Practitioner (TISUK) and PSHE and Education Consultant.

Why should I attend?

This workshop addresses executive function for neurodivergent children and young people in primary and secondary school. If your child has poor organisational skills, poor working memory, struggles to prioritise their schoolwork or if they are getting in trouble for being late this workshop could be really useful to you!

What does the workshop aim to do:

Explain the different **executive functions** and **their connection with ADHD**.

1. Deepen **parent/carer understanding** of the behaviour relating to executive function challenges and ADHD.
2. Provide practical experience-based **strategies for supporting children and young people** with executive function challenges and ADHD in relation to school and homework.

When does it run? 27 June 8pm - 9:30pm

Cost of course: £30

How do I book? Click [here!](#)

- ADHD Embrace Team

Counselling and Therapy

Morag Shrafeddin is a qualified Counsellor with a Masters from Roehampton University in Integrative Counselling and Psychotherapy specialising in work with Children, Adolescents and Families. She also works in Fulham as a School Project Manager with the school counselling service Place2Be.

Morag is dedicated to supporting children and adolescents with their emotional well-being and personal growth. With a compassionate and client-centred approach, she aims to empower children and young people to overcome challenges and thrive in their lives.

Update

Our progress on Wednesday involved development of the dead hedging which we have marked out along the tree line, which we will be continuing next week.

Some of the boys were able to clear a few of the dead trees which was great as they are being used for the dead hedging. We were also able to uncover more of the tiles and remove the remaining structures of the old chicken coops. The tiles are great as they will act as a boarder for our flower beds and a walk through for the garden.

Finally we've removed all remaining weeds in the area. Next week, we will continue with the dead hedging and prepare the soil for planting.

Izzy Morton, Year 12

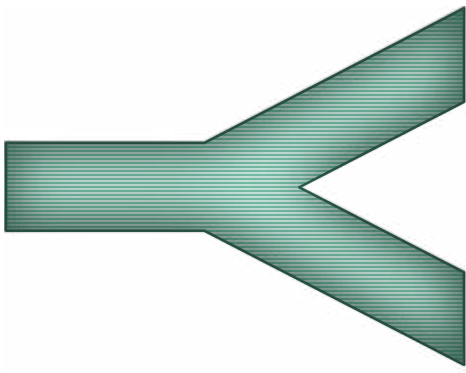

fixm

TRIAL EXAMS

21 June - 28 June

These results will be used to give predicted grades for UCAS applications.

Students will be given guidance on revision planning, revision techniques and managing exam stress over the next few weeks.

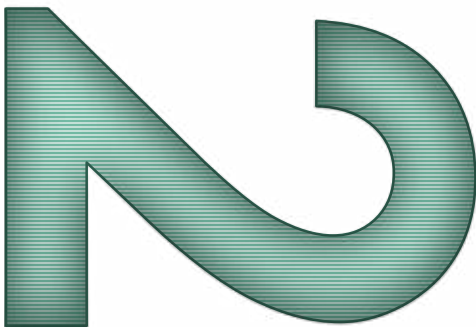

[Year 12 Summer Exams Booklet](#)

[Year 12 Summer Exams Timetable](#)

UCAS FORMS

All year 12 students should have completed all sections of their UCAS forms except for 'Choices' and 'Personal Statement'. We expect students to have completed a good first draft of their personal statement before the end of term. Tutors and the sixth form team will be supporting students with writing the best possible personal statement to show off their considerable skills and talents. Students should be adding course choices as they complete their university and course searches.

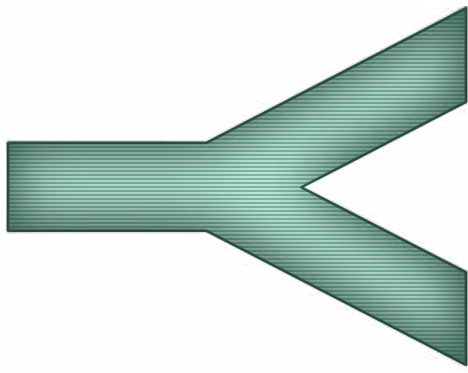

OXBRIDGE

Students in the Oxbridge group have had specific tailored feedback from Miss Fincham. They need to be making changes to their statements now in preparation for further work on these during activity week.

EPQ

Students who completed the sign up form have now been added to the google classroom. They have an initial application activity to complete before Activity week. Students will need to attend an assigned session in Activity week to begin preparation for their project and create their summer work plan.

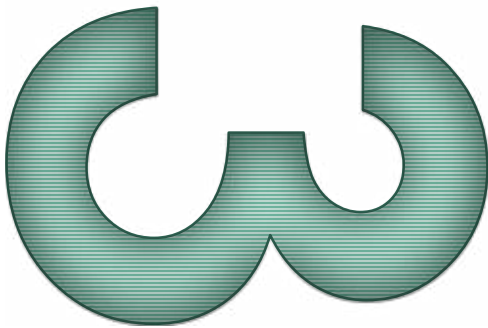

Applying for Student Accommodation

Now that you have put in your firm and insurance choices for UCAS, you will be contacted by the universities asking you to apply for student accommodation.

Different universities use different selection criteria - some are first come first served and some put all applications together and allocate accommodation after a particular date. Whatever the system it is a good idea to apply as soon as you can to improve the chances of getting your preferred halls of residence.

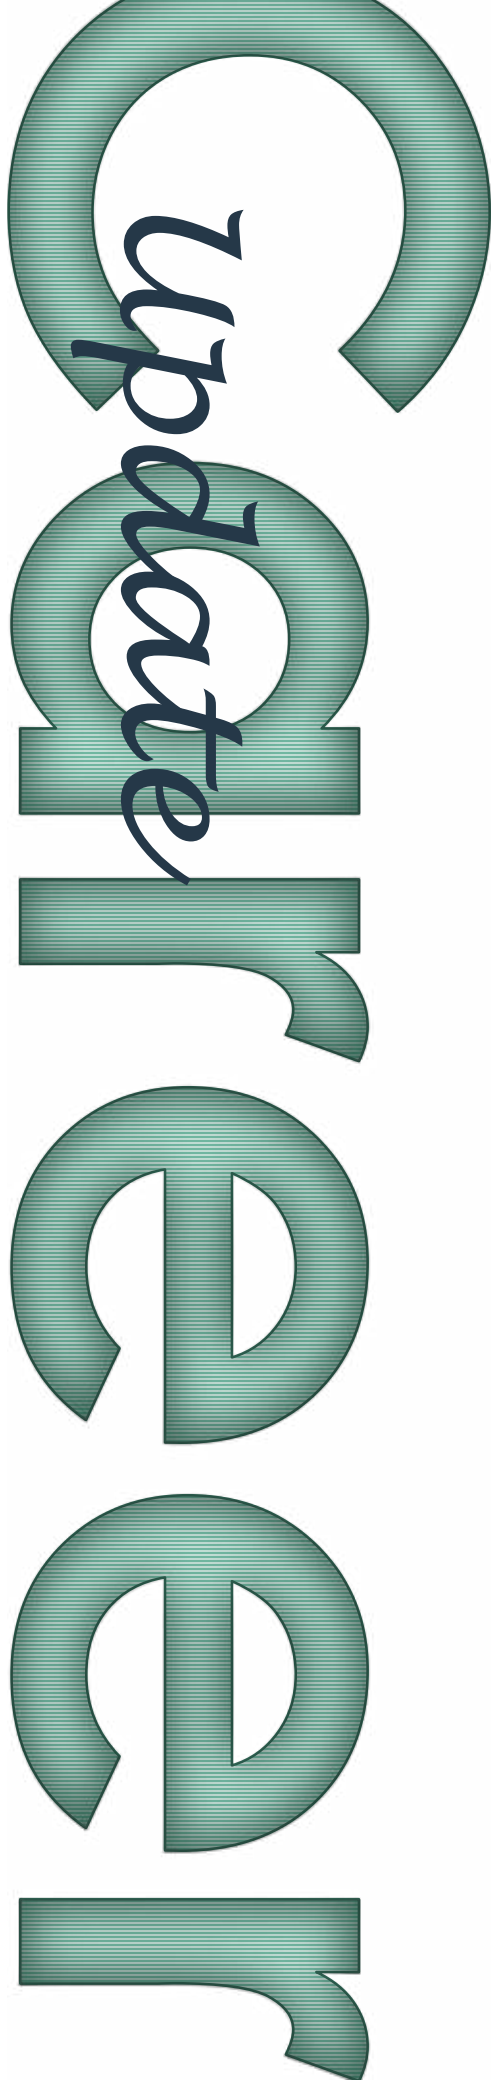

Have a look at [UCAS Student Accommodation](#) for more advice on choosing the right place for you.

EPQ UPDATE

Initial application for most students has now been approved. The next step requires students to attend preparation workshops in the days before Activities Week on the 10 and 11 July. A list of students and the dates will be posted in the EPQ classroom.

These workshops will set them up complete activities for the second stage of their application over the summer ready for September. Students who do not complete the minimum requirement over the summer will not be able to continue into year 13 for this course.

Year 12 Work Experience

We are nearly there! There will be a work experience briefing next Wednesday 19 June at 1.15pm to help students plan ahead for the week of work experience 1-5 July 2024.

Students should all have the information on Unifrog and parents/carers can access this. Students should be contacting their placements now to say they are looking forward to the week and see if there are any last arrangements. Students will be phoned or visited by staff that week and they will complete an evaluation form to reflect on their experiences.

Please speak to [Bernie CORRIGHAN](#) if you have any questions at all and well done to all the students and supportive parents/carers for arranging some fantastic placements.

Sixth Form Careers Opportunities

Please see the **Sixth Form Careers bulletin** with more opportunities that sixth formers can get involved, this is personalised for Grey Court students and we encourage all students (and parents/carers) to check this **bulletin** [1406/2024 Sixth Form Careers opportunities](#)

For work experience, uni events & summer schools and apprenticeship opportunities

Middlesex Athletics Championships

On Saturday **Ida won the Thames Turbo Aquathlon** (13-14 years) at Lady Eleanor Holles school; Ida swam 300m followed by a 3km run - which she completed in 16:29

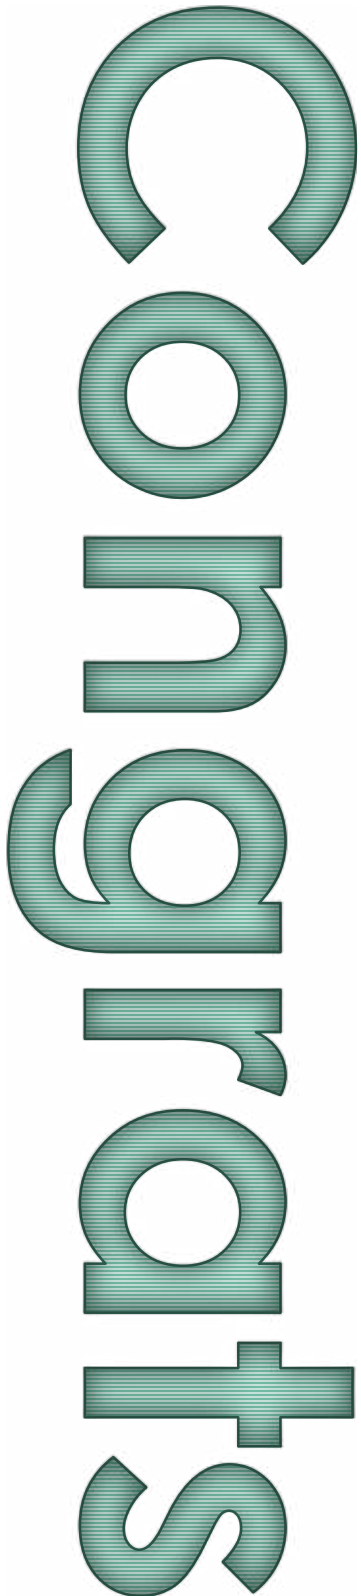

Ida qualified for 8 events in the 2024 South East London Summer Swimming Championships from April to May at London Aquatic Centre. **She finished in the top ten in the region for 5 events**, coming fifth in the 1500m freestyle, 6th in the 800m freestyle and 6th in the 200m freestyle. (photo below)

© Jason Shepherd Photography

In May, Ida won this year's **12-13 age category trophy at Teddington Swimming Club**, an annual award given to the swimmer in each age category who has gained the most FINA/World Aquatic Points this season.

Congratulations, Ida

Congratulations to **Matteo** who won all his Kayaking events at the Elmbridge Sprint Regatta. Matteo finished 1st in the U15 3km, 200m and 500m races. A superb achievement.

Well done, Matteo

Congratulations to **Eva** who won a 16U grade 5 tournament in Swindon over the half-term. She's ranked 413 in her 14U age group.

Well done, Eva

Katrina (Year 10) represented the Brentford Under 16s in their football tour in Holland at the weekend. They had a tough time and played some of the best teams in Europe but ended on a high beating their opponents 10-1 for the final match.

Congratulations, Katrina!

Daisy Baxter, Lola Cammack and Olivia Green represented Kingston at the u13s London Youth Games football tournament last weekend at Gunnersbury Park.

Their team came third in their group so sadly didn't progress further but a great experience for them. 10 mins x 7 a side was very hard to play, pass and score many goals in the time and space but we are very proud of the girls for representing Grey Court for Kingston Borough.

Player of the Month

George Robinson

It has been a fantastic month for George at Grey Court. He continues to excel in his PE lessons and his effort and attitude are always exemplary. George is a superb footballer who has recently signed a new two extension with Southampton FC. George trains 3 times a week (Tuesday & Wednesday 5-8pm) plus a whole day on a Thursday. George has recently been selected for the Wales U15 National squad which is amazing considering he is currently u14. George currently has 5 caps for Wales. He won these against the Republic of Ireland, Northern Ireland, Norway, North Macedonia and Czech Republic. George also scored his first international goal against Czech Republic, while away on tour in Italy.

George's aspirations for next season are to get more international caps and to receive an early scholarship from Southampton FC and of course to contribute to success at Grey Court.

Player of the Month

Lily Schueleier

Lily has been hard at work training early in the mornings for 6am training in preparation for an international Ice Skating competition in Belgium this month. Her synchronised skating team won 2nd place in the competition, which was their last event of the season. They ended the season with 1 x gold medal, 2 x silver and 1 x bronze in their 4 competitions.

Lily came 3rd of 25 skaters in her competition in Sheffield on 24th May. She was hoping for a top 10 place so this surpassed all expectations and she achieved a personal best of 13.86 points! Lily did a camel spin as one of her elements (photo attached) which is one of the more complicated spin and she got great marks for it. She also had the best presentation mark in the competition. Well done, Lily!

Team of the Month

The year 7A football team enjoyed a wonderful 2 days in the ESF Butlins Competition. We were drawn in a tough group and at the end of day one, we were 4th with 2 wins, 1 draw and 1 loss. We came back very determined for day 2 and won our last two groups games which enabled us to qualify for the semi finals. We drew the semi final 0-0, but won 3-2 on penalties thanks to superb goalkeeping from Kian Potterill. He saved 4 straight penalties and scored one. We unfortunately lost the final 3-2 but played some great football throughout the tournament.

Robert C was our top scorer in the competition with 11 goals. Ayanfe A and Harry P were our breakthrough players with solid displays.

Year 7 A Butlins Team

Team of the Month

The Intermediate Girls athletics squad competed at the ESAA Track and Field Cup on Friday. Each student competed in 2 events across a variety of track and field categories. This was the first round of the ESAA competition, and with a winning performance the girls could qualify for the next round (Regional). Every time recorded and distance thrown and jumped equals points. The points are then added up to give a team's final score.

All of our athletes put in a strong performance on the day. The team won the category with an excellent 438 points, coming 1st by over 40 points. Some of our athletes achieved PB's in their event, well done all! We are looking forward to seeing what the IG team can do at the Regional round next month.

Here are some of the teams results from the competition:

Sophie- Hurdles 13.7 seconds

Bade- 100m 13.2 seconds

Sophia- 200m 28.8 seconds

Tia- 300m 40.5

Neve- 800m 2:39

Leyla- 1500m 5:45

Odile- Long Jump 4.57m

Katrina- Triple Jump 8.89m

Ella- Shot 8.56m

Sara- Discus 20.76m

Abigail- Javelin 16.15m

Tess- Hammer 28.74m

Katrina, Lily, Jessica and Sophie- Relay 56.4 seconds

Intermediate Girls

Scholar of the Month

Robert Cunliffe

It has been a superb month for Robert at Grey Court. In our recent football tour to Butlin's, he was the stand out player in the U12 side. His 11 goals at the ESF competition made him the leading goal scorer at the event. Robert was a constant threat throughout the tournament, with his pace and power proving to be too much to handle for the opposing schools' defenders. He was also captain of the team and led the team superbly throughout the two days.

Robert has also enjoyed a great start to the athletics season, he recently won the Essex Outdoor Cup 800m event with a time of 2m 30 seconds which is an excellent time. On top of this, his versatility as an athlete has been demonstrated in several events. One of these is his throwing, regularly going over 20m in the javelin. Well done on a fantastic month of school sport.

Scholar of the Month

Liza has been awarded scholar of the month for her commitment to sport at Grey Court since September. Liza has been a key member of the Year 7 girls football team as well as the rugby and athletics team. Liza has been hard working, determined and a leader during PE lessons, fixtures and scholarship lessons. She is always one of the first to arrive at scholarship sessions and works hard throughout, learning new skills and sports and shining in areas such as shot put, hockey and lacrosse.

Liza is a fantastic defender in football and has showcased her talent in matches as well as our Year 7 football tour to Butlins. Liza was captain on our 2nd day of games and she led the team to victory in our final game by scoring the winning goal from the halfway line. Liza won player of the tournament for her fantastic leadership, defending skills and overall enthusiasm during the weekend away.

Liza has also been part of our girls rugby team. The team won the regional finals to qualify for the National tournament in Leeds. The trip was a great day out to play against schools from all over the country. Liza made great tackles and passes throughout the tournament resulting in some of our tries being scored.

During this half term in PE lessons, Liza has demonstrated great abilities in athletics. Liza was on the indoor athletics team and the Year 7 athletics team that competed at the Essex's Outdoor Cup. Liza was our shot put thrower, throwing over 5m. We are looking forward to seeing Liza continue to improve throughout the season.

Liza Blackcori

power to

G-Fest 2024 tickets go on sale in July

Parkgate Estates to sponsor G-Fest 24

Parkgate Estates have offered £40 for every estate agent board erected to advertise the event.

If just 75 people agree to “host” an advertising board, we could cover the cost of hiring the main stage for the event, ensuring more of your cash goes directly towards enhancing the learning experience of your children.

If you are willing to have a board on your property, [please complete the google form](#).

Boards will be erected at least 2 weeks prior to 21 September and remain up for a week after the event

Can you donate a raffle prize?

We are happy to work with local businesses to see how a highly visible raffle gift could also become a marketing opportunity. The same applies for wider potential sponsorship options.

If you run a local business (or know a local business that would benefit) or have a suitable prize you could offer, please get in touch with mthomas@greycourt.org.uk

Could your workplace provide match funding?

Many UK workplaces offer a £ for £ match funding scheme. There are two ways this can work.

Either:

- Match monies raised at a single PA event,

or

- Use company match funding to double the amount you already donate through to the Education Fund.

Many financial institutions, FTSE100 companies, media, telecoms and retail groups offer match funding.

In most cases, the company matches your donation [or funds raised] up to a specific level.

Please contact your HR department to ask about gift matching. They should be able to give you a form to fill in (or a request for us to complete) confirming the gift you made or funds raised. That's all there is to it!

Can you help at our events?

Thank you to those who have already signed up to help. If you haven't yet done so and are willing to help, [please sign up on the linked google form](#):

- Mon 1st July **New parent information & welcome evening**
- Weds 3rd July **Sports celebration evening** at the German School
- Mon 8th & Tues 9th July **Oliver!**

If you have any trouble accessing the form, please email Maddy Thomas [mthomas@greycourt.org.uk]

Preparing for Success this Summer

REGISTER
HERE

As the summer approaches, it is a great time for students to start thinking about how to use that time wisely. To get a head start on their futures, students can use this time to upskill and gain valuable experiences that will boost future applications. Parents and teachers can also play a vital role in sharing ideas to inspire and motivate students.

We will be covering...

1

>>

The impact of the changing job market on the future of careers

2

>>

A deep dive into desirable skills students can build over the summer and key practical takeaways to implement this

3

>>

How InvestIN can support students on their career journey

IMMERSIVE CAREER EXPERIENCES

Young Carers Support Line 020 8867 2383

The Richmond Carers Centre - Young Carers Service supports young carers aged 5-18 living or caring in the London Borough of Richmond-upon-Thames with advice, information and emotional support. For those young carers registering with us we can also offer:

- mentoring programme in schools or at the centre
- holiday activity programme
- after school groups
- careers guidance and advice
- peer support
- bespoke projects and events
- signposting and referrals to other organisations
- regular service and information updates

@Richmond_YC

@RichmondCarersCentre

Who is a young carer?

A young carer is someone under the age of 18 who provides help and support, both physical and emotional to a parent, sibling or family member who could not manage without their help. This could be due to physical or mental illness, addiction or disability.

As a result of accessing support through Richmond Carers Centre - Young Carers Service, young carers strongly agreed or agreed that:

- 90% feel more confident about being a young carer
- 90% feel more positive and happy
- 96% feel safe and listened to when attending young carers activities
- 97% have had fun and enjoy attending young carers activities

Of those asked, 100% of young carers would recommend our service to other young carers and their families

TWO HOURS AT THE EXPO COULD CHANGE YOUR TEENAGER'S LIFE

**EDUCATION & CAREER CHOICES
PLUS LIFE SKILLS**

SATURDAY 29 JUNE
OLYMPIA WEST, W14

Step Up Expo is back, and it's scheduled to take place on Friday, 28 June, and Saturday, 29 June, at Olympia West, 12 Blythe Rd, London W14 8UX. This event is designed to guide London parents and teenagers through the maze of choices that lie ahead after school, post-year 11. From life skills and educational opportunities to career choices, Step Up Expo provides invaluable advice and support to help young people navigate their paths forward.

This year's Expo features an impressive lineup of speakers, including celebrities, influential teenagers, educators, and employers. They will be discussing educational options, employment, training, and offering practical advice on the key issues facing young people today.

Attendees will have the opportunity to explore a wide range of exhibitors representing schools, colleges, apprenticeships, career options, finance, technology, health, and social care.

Tickets for Saturday, June 29th, are free, and students and parents can register online at <https://step-up-expo-2024.reg.buzz/>.

BRENTFORD SUMMER SPRINTS REGATTA

SATURDAY, 22ND JUNE 2024.

We are very excited to be hosting our Summer Sprint Regatta on the 22nd June 2024 at Ferry Quays, home of [Team Keane Sculling School](#) & [Brentford Boat Club](#). This event is also being supported by the [Brentford Canal Festival](#) which is being held on the same day so it is promising to be a day packing with exciting things to do and see!

All of our Junior Athletes, have worked so hard this term with their schools, & will now have the opportunity to come together and compete in a fun & friendly environment against one another. There will be medals for the winners and the Victor ludorum Trophy for the best performing School.

We would like to invite your child to participate as a member of a crew to represent their school at the event.

To enrol your child please complete the form on the following link,
<https://forms.gle/tkGqY3P6nh69NLNi8>

All participants are required to meet at the Wharf, Team Keane Watersports, Ferry Lane, Brentford, TW8 0AT from 08:30 till 9am for registration.

Refreshments will be available for sale throughout the event and there will be a Charity BBQ and cake sale available from 11:00.

All proceeds from the BBQ and cake sale will go to Brentford Boat Club, a registered Charity supporting providing a rowing provision to kids in the local community many of whom have progressed from the School Rowing Clubs.

Entries for the event are £15 per seat and are inclusive of a Burger or Hotdog and a drink for each participant. All pupils will be required to be there for the duration of their racing & awards.

Participants will be expected to be in their school P.E. kit with appropriate additional base & over layers for the weather conditions on the day.

IMPORTANT. THE DEADLINE FOR PARTICIPANT ENTRIES IS THE 17th JUNE. THIS SO WE CAN SET CREWS AND PUBLISH THE RACING TIMET.

*We hope you can all come for this fun event
& we look forward to seeing you all there!*

Dreamcatcher Film Camp PRESENTS

2024 Twickenham

Film Making Camps run Monday to Friday July to September

Make a Film In 5 Days

- ◆ Storytelling, Scripting.
- ◆ Shooting.
- ◆ Directing, Presenting.
- ◆ Sound.
- ◆ Lighting, Set Dressing.

SCRIPTING

Students will learn to take a story from initial idea, through treatment and step outline, to a finished script for their final film. Story structure, plot outline, character development, tension, conflict building and resolution will be explored as they are used in filmmaking.

SHOOTING

Students shoot with digital HD cameras and equipment used during the week includes, but is not limited to Camera Jibs, Tripods, 3 Axis Digital Gimbals, Boom Poles, Wireless Mics, Steadicam etc., and play each of the working roles in a short Tv/film production.

DIRECTING

Students will be introduced to the language and practice of filmmaking. They will discuss shooting plans for their film. Students will find that directing the camera concerns more than just where to place the camera. Through hands-on demonstrations, they will learn how camera movement, visual arrangement and editing patterns not only depict the action but also express the underlying drama.

**achieving
for children**

We will have the usual youth club activity running each day - pool, table tennis, football, basketball, gaming, music, art, cooking, etc, but each week also has a specific theme.

Week 1:

Monday 22 to Thursday 25 July, 12pm to 4pm

CREATIVE ARTS WEEK

Letting the creative juices flow with various artistic mediums. Workshops run by professional artists

- Arts and crafts workshops
- Urban art mural with artist @skyhigh
- Street dance workshops
- 'School of Rock' course where young people form a band and record a track
- Youth orchestra tasters

Also paddleboarding lessons on the River Thames at Teddington Lock

Week 2:

Monday 12 to Friday 16 August, 10.30am to 4.30pm

FILM MAKING

We will be working with Richmond Theatre again this year for young people to create a film. On Friday, the film will be screened at Richmond Theatre, parents welcome!

- Script writing
- Storyboarding
- Acting
- Camera work
- Directing and editing
- Set design and prop making

Week 3:

Monday 19 to Thursday 22 August, 12pm to 4pm

BIKE WEEK

A week to celebrate everything bike! We will help young people repair and maintain their bikes.

- Bike maintenance workshops
- Bike Polo
- Rides in Richmond Park on youth centre bikes
- Grass racing
- Two days at Olympic Velopark in Stratford - tasters in BMX, track, road and mountain biking

Week 4:

Tuesday 27 to Friday 30 August, 12pm to 4pm

HONGKONG WEEK

This week we will be celebrating the culture, food, art and music of young people from the local Hong Kong community, many of whom attend our centre. Our regular Hong Kong young people helped choose the activities which include:

- Chinese cooking including moon cakes
- Dragon boating on the River Thames
- Badminton and table tennis tournament
- Chinese lantern painting
- KPop dance workshop
- Lion dance workshop
- Calligraphy workshop

And also a trip to Sky TV studios of a workshop in creating a TV drama

And finally:

Monday 2 September, 10am to 6pm

Before young people go back to school we will run a day trip to Brighton exploring the town, pier and seaside of Brighton town.

Places for trips are limited, we will try our best but can't guarantee a place for everyone. We will be giving out consent forms at the start of each week, please return them as soon as possible.

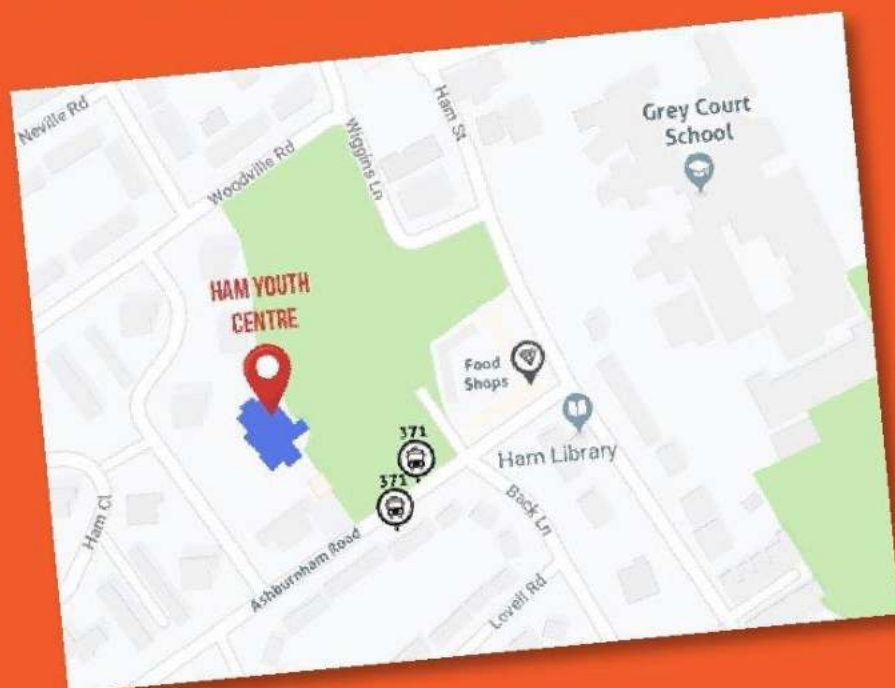

Please ensure your child brings a packed lunch.

Alternative kids club ages 10-13 only!
Exciting London adventures!

A young boy with dark hair is captured in a dynamic splash of water. He is shirtless, wearing blue patterned swim trunks, and has a black wristband on his left wrist. His eyes are closed and his mouth is open in a shout or gasp. Water droplets are frozen in mid-air around him, creating a sense of motion. The background is a warm, orange-yellow color, possibly a sunset or a pool wall.
