

GREY COURT

SCHOOL

**Year 11
Curriculum Booklet
2024-2025**

Dear Parents/Carers,

Year 11: The Final Stage

I would like to take this opportunity to introduce myself as Head of Year 11. This is the year that year 11 students build towards their futures while closing a major chapter in their lives. Given how quickly this year moves, it is essential for every student to reach their full potential for the future, that students seize every opportunity they are given, every day.

Students will find that the path to their future plans will be smoother if they continue to meet the high expectations we set at Grey Court during this final stage of your child's education. This includes but is not limited to: attend school regularly (aiming for 100%), meet homework and coursework deadlines, participate positively in lessons, attend intervention sessions and attend career and Sixth Form/college events. In the run up to the GCSE series, we have the 'Passport to Success' programme, which will run throughout the GCSE exam period. Students follow an individual revision timetable with special booster sessions run at school, delivered by subject specialists, before major examinations.

A number of events have been organised to help you and your child make informed post-16 choices. These are delivered through tutor time, assemblies, activity days, PDW (Personal Development and Wellbeing) sessions, drop down days and information evenings. Highlights of the year, which are held in the summer term, are the year 11 prom and the record of achievement (ROA) ceremony which is a wonderful opportunity to celebrate the success of the year.

I have every confidence that our year 11 students will rise to the challenges they face throughout the year, will try their best and will be successful, making core memories along the way. All staff at Grey Court look forward to working with year 11 students, parents and carers to ensure that students leave Grey Court with positive attainment outcomes, valuable life skills and clear intentions for the future as they embark on life Post-16.

Please do not hesitate to contact me, Miss Ilett (Student Support Officer), Miss Smith (Student Support Officer) or your child's tutor, should you have any concerns or queries. I look forward to working in partnership with you in supporting your child over the academic year.

Yours faithfully

Mr J Khan

Head of Year 11

OAK	Ms Razvand- Atwi and Mrs Rose
ROWAN	Mr Murphy and Mr Hartmann
WILLOW	Ms Lopez

Organisation of Teaching Groups

Definitions

Bands - the whole year group is split into two equal groups for timetabling purposes.

Mixed Attainment - students from the full ability range are taught within one class.

Setting - students are placed into class sets based on attainment. A student might be in a Set 2 for one subject and a Set 4 for another.

- **Mathematics**
 - Mathematics is taught in bands. Students are placed into classes set by attainment. There are 5 mathematics sets in each band. Setting is reviewed regularly by the Head of Faculty and students will be moved sets if appropriate.

- **English**
 - English is taught in bands. Students are placed into classes set by attainment. There are 5 English sets in each band. Setting is reviewed regularly by the Head of Faculty and students will be moved sets if appropriate. All students study GCSE English language and GCSE English literature.

- **Science**
 - Students are taught in bands and placed in classes set by attainment and according to the course they are following (i.e. Separate Sciences, Combined Science). The Head of Faculty reviews the placement of students in sets once a term.

- **Core Physical Education**
 - Students are taught in bands. The groups may change depending on the module being covered.

- **Options Subjects**
 - Students are taught in mixed attainment option groups, although where there is more than one class of a subject in the option block, students might be set according to attainment, as decided by the Head of Faculty.

GCSE Grading

All GCSE subjects are now on the 9 - 1 grading system.

Examinations will be graded from 9 - 1, instead of A* to G.

Under this system, a 'good pass' – which used to be a C grade - is now a grade 5.

A 'pass' is a grade 4, which is comparable to an old low grade C.

The highest grades you can achieve are 9, 8 and 7 with a 7 being comparable to an A grade.

New grading structure	Current grading structure
9	
8	A*
7	A
6	B
5	
4	C
3	D
2	E
1	F
	G
U	U

GOOD PASS (DfE)
5 and above = top of C and above

AWARDING
4 and above = bottom of C and above

Homework

All students receive a personalised homework timetable at the start of the new school year which should be stuck into their planners. A copy of the school homework timetable can be found in this booklet and on the website. Details of homework tasks set will be posted by teachers onto Google Classroom, students will also record homework in their planners. Parents are able to view homework set via Edulink.

Definition

Homework refers to tasks that are required to be completed outside the timetabled curriculum but not necessarily at home. It contains an element of independent study in that it is not usually supervised directly or controlled by a teacher, and represents an extension of the learning activities provided. Such tasks include: investigations, research, reading, drawing, interviews, designing, learning facts/formulae/vocabulary, word processing, simple experiments, drafting, revision, desktop publishing, essay writing, report writing, making a model and projects.

Why set homework?

The aims of homework tasks are to:

- encourage independent study and develop perseverance and self-discipline
- embed learning that has taken place in class and skills that will form the basis for lifetime education
- encourage students to work at their own pace and in a manner appropriate to their aptitudes
- enable classwork to concentrate on those activities for which a teacher is required
- allow access to materials outside the classroom
- reflect the needs of the National Curriculum and the demands of examination courses.

Role of parents/carers

- provide encouragement and interest by checking, listening and testing
- offer a suitable environment where their child can work
- ensure the task is completed to the best of their child's ability
- monitor the homework set and sign the planner every week
- raise any subject-specific concerns regarding homework with the subject teacher and general concerns with the form tutor

Marking homework

Homework is graded on a four point scale – Very Good (VG), Good (G), Fair (F) or Inadequate (I)

VG Very Good - Homework deadlines are always met. Very good effort put into work

G Good - Homework regularly completed, good effort put into work

F Fair - Occasionally missing homework, basic effort put into work

I Inadequate - Homework rarely attempted or poorly done, lack of care

Homework Timetable: Yr 11 2024-2025

Students in year 11 should be spending, on average, 1.5 hrs to 2.5 hrs per day on homework - this includes work set by teachers and independent revision, research, reading and coursework/controlled assessment preparation. Students should try as far as possible to complete homework on the day it has been set.

Personal Development & Wellbeing

A Statement of Policy

Personal Development and Wellbeing is an important part of every student's curriculum. Indeed, we currently not only meet but exceed all statutory requirements, including recommendations from leading groups such as the PSHE Association and Citizenship Foundation.

Our curriculum has been updated to account for the 2019 Sex and Relationships guidance, set out by the Department for Education. Whilst we feel that Sex and Relationships education is vital for all students to access, we accept that, under the new guidance, parents can withdraw their children from Sex and Relationships education in PDW if they wish. Please note that this does not apply to other aspects of Sex and Relationships, taught in subjects like Biology or Sociology. If you wish to consider this withdrawal, please email Miss H James (Associate Assistant Head - Head of PDW) at hjames@greycourt.org.uk and Ms V Price (Associate Head) vprice@greycourt.org.uk

Our wider PDW curriculum aims to encourage our students to think carefully about all choices they make in life, which contribute to their overall development and the development of others within our inclusive community. We want all of our students to develop a positive self-image and a sense of personal worth and of a healthy physical, emotional and spiritual well-being. A termly outline of the topics covered for that term will be included in the e-bulletin.

Grey Court School prides itself on good working relationships between staff, parents and students and it is in this atmosphere of trust that development and wellbeing topics are covered. A variety of teaching methods are used to deliver PDW - these include group work, discussion, individual research and problem solving. We accept that there are differences and diversities of opinions which students may hold and within the framework of the school's expectations these differences are respected. The use of outside speakers and professionals has formed a positive supportive base for the staff and the students.

The Grey Court personal development and well-being curriculum is a responsive and fluid one, which actively listens to student and staff voices.

PDW is often brought into topics across many subjects within the planned curriculum, notably Science, Technology and Physical Education, with issues addressed in English and Humanities. PDW lessons are mainly taught by form tutors, with lessons taking place on a rolling timetable once a week throughout the year.

The Curriculum

At Grey Court School we aim to match the curriculum to each student's age, developmental stage and particular social pressures they are likely to encounter, interests and needs. We offer a co-ordinated programme in the following components: substance misuse, sex and relationship education (SRE), safety, health-related exercise, nutrition, personal hygiene, environmental aspects of health education, psychological aspects of health education, the individual as a citizen, extremist views, online media and free press, politics, friendships, civil rights, globalisation and skills based learning.

Progression in learning is ensured through the development and expansion of these topics at regular intervals throughout the Key Stages. At each Key Stage, students are offered experiences which allow them to develop the understanding and skills to help themselves and others. We also invite specialists such as community health workers, to help deliver some sessions. Additional support is given through the school's inclusion policy to those students who need it and students may access counselling through their student support officers or phase leaders.

Year 11 Curriculum

The PDW curriculum at Grey Court is incredibly fluid, and will remain flexible throughout the year. This is to ensure that we constantly meet the ever changing needs of the students in our care. Weekly topic updates will be communicated through the e-bulletin.

However, the draft curriculum for the Autumn Half-Term 1 is below:

What are your Post-16 options?

UniFrog and Researching Post-16

Personal Statements

Apprenticeships and alternative options

Throughout this year, Year 11 will also study:

Sex and Relationships, including the impact of Pornography

Body image and expectations

Managing stress and mental health

Year 11 Curriculum Topics Studied

Core Subjects

English

Teacher in Charge	Head of Faculty: Shabana Rose
Syllabus board and code	AQA English Language & English Literature GCSEs (8700 and 8702)
Setting Policy	Students are set according to attainment.
Topics Studied	
Autumn	Language Paper 2 (Sections A and B) Frankenstein
Spring	Macbeth, Frankenstein and Language Papers 1 and 2 revision Pigeon English, Power and Conflict Poetry and Unseen poetry revision
Summer	In-class revision Passport to Success Final, public exams
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>Time</i>	<i>%</i>
English Literature: Paper 1	Shakespeare and 19th Century Novel	1 hour 45 minutes	40%
English Literature: Paper 2	Modern Texts, Anthology Poetry and Unseen Poetry	2 hours 15 minutes	60%
English Language: Paper 1	Exploration in Creative Reading and Writing	1 hour 45 minutes	50%
English Language: Paper 2	Writer's viewpoints	1 hour 45 minutes	50%
Spoken Language assessment	Presentation in a formal setting which is endorsed separately		

Coursework deadlines and assessments dates

Assessments each half term. Trial exams will be in line with the school calendar.

Equipment Needed

- A dictionary and thesaurus
- A set of post it notes
- Highlighter pens
- Texts: Students are encouraged to buy their own editions of Macbeth, Frankenstein and Pigeon English so that they can write notes and highlight – this serves as a great advantage when studying a text.
- Guides and Support notes. For each text we also encourage the use of a study guide. These are available as books or through online resources. York Notes have a comprehensive range.

Main Texts / Reading List

Course reading list:

- Pigeon English by Stephen Kelman
- Macbeth by William Shakespeare
- Frankenstein by Mary Shelley

Recommended reads:

Classics:

- 'Nineteen Eighty Four' by George Orwell
- 'Wuthering Heights' by Bronte
- 'Pride & Prejudice' by Austin
- 'Dracula' by Bram Stoker
- 'If Beale Street Could Talk' by James Baldwin

Contemporary:

- 'Grand Union' by Zadie Smith
- 'His Dark Materials' by Phillip Pullman
- 'The Knife of Never Letting Go' by Patrick Ness
- 'Don't Touch My Hair' by Emma Dabiri
- 'Poor' by Caleb Femi

More comprehensive reading lists and recommendations are available from the English teachers

Science: Biology, Chemistry, Physics and Combined Science

Teacher in Charge	Ms Moran (Head of Science)		
Syllabus board and code	Pearson Edexcel Science Separate sciences - 1Bi0, 1CH0, 1PH0 Combined sciences - 1SC0		
Setting Policy	Students are set by attainment based on performance in year 9 and year 10		
Topics Studied			
	Biology	Chemistry	Physics
Autumn	Evolution Gene Technology Control and coordination - nervous system	Acids and alkalis (finishing off) Equilibria Quantitative Chemistry (separate only) Electrolysis Transition Metals (separate only) Fertilisers and Equilibria (separate only) Groups of the periodic table (separate only)	Extension and energy transfers Magnets Electromagnetic conduction Power
Spring	Control and coordination - hormones Control and coordination - Homeostasis (separate only) Ecosystems	Chemical tests (separate only) Groups of the periodic table (combined only) Hydrocarbons and fuels The atmosphere Organic chemistry (separate only)	Radioactivity EM spectrum Astronomy (separate only)
Summer	Public Exams	Public Exams	Public Exams
Examination Breakdown			

There are 6 external exams regardless of whether a student is taking the combined or separate course.

x2 Biology

x2 Chemistry

x2 Physics

The exams last 1 hour and 10 minutes for combined, and 1 hour and 45 minutes for the separate course. The 6 external exams will take place in May and June of Y11.

Coursework deadlines and assessments dates

There is no coursework for any of the GCSE science courses we run.

Internal assessments will be completed throughout the year by all of the students. There will be a mocks before Christmas and in April

Equipment Needed

Pen, pencil, ruler, green pen, highlighter, scientific calculator, revision guides

Main Texts / Reading List

The students have access to the textbook through ActiveLearn online

It is highly recommended that students purchase a revision guide AND workbook. There are various companies that publish these, CGP and edexcel are the most popular

PE (Core)

Setting Policy

One double lesson per week is compulsory. Mixed ability groups.

Topics Studied

Pupils receive 4/5 options each half term to choose what they would like to participate in. Some options, such as: spinning, fencing, judo or Wimbledon Golf Groove may be chargeable. Any chargeable activities should be paid for in advance and in full for the duration of the half term.

Full Grey Court PE Kit: blue round-neck t shirt, shorts, GC track pants and GC track top. Blue Grey Court socks or white sport or trainer socks. Rugby top for those taking rugby. Baselayer when extremely cold (blue or white preferably).

Football boots, sports trainers (no plimsolls or skate shoes). Shin pads, gum shields and hairbands (if hair is longer than shoulder length). If ill or injured, students must still wear their PE kit (if a practical lesson) as they can undertake another role in the class (eg coach or referee). Failure to do this will lead to a PE detention. Students must remember asthma pumps, epipens and any other medication for every lesson.

Religious Studies (Core)

Teacher in Charge

Mr R Hurley

Topics Studied

Statutory religious studies (ie non-GCSE) at Key Stage 4 is delivered through several different ways. These include regularly scheduled PDW sessions and a two day drop down project in the Summer term of Year 10 on the theme of 'Identity'. The PDW and project are delivered in conjunction with Computing. These sessions (whatever the format) are designed to be stimulating, active and challenging and will meet the requirements recommended by Richmond Borough's standing advisory council on religious education (SACRE). SACRE stipulates that 'teaching must acknowledge the importance of Christianity as well as incorporating other world religions and life stances.'

Sessions will take various forms including the use of guest speakers, a range of classroom activities and cross-curricular links, and different elements of philosophy and ethical studies.

The following key concepts will be covered:

1. Beliefs, teachings and sources
2. Practices and ways of life
3. Expressing meaning
4. Identity, diversity and belonging
5. Meaning, purpose and truth
6. Values and commitments

Computing (Core)

Teacher in Charge

Mr Clements

Topics Studied

Statutory religious studies and computing (ie non-GCSE) at Key Stage 4 is delivered through several different ways. These include: one assembly per half term for each year group (RS only), 1 in 4 of the allocated PDW sessions (1 period per week) and drop-down sessions over three days at the end of year 10 on the theme of 'Identity'.

Students will use their allocated time to work towards their iDEA (inspiring digital enterprise award) Bronze Award. iDEA badges have been mapped against several inputs including National Curricula and the Skills Builder Framework. This helps support life, employability and soft skills, as well as a range of specialist subjects such as enterprise and formal computing (digital literacy, computer science and IT). These sessions have been planned in conjunction with taught elements of both computing and RS to ensure our students are upskilled for their future no matter their path. We have mapped badges against pastoral themes and to tie in with PDW across the key stage.

Through these activities all pupils will have the opportunity to study aspects of information technology and computer science and be taught to:

- develop their capability, creativity and knowledge in computer science, digital media and information technology
- develop and apply their analytic, problem-solving, design, and computational thinking skills
- understand how changes in technology affect safety, including new ways to protect their online privacy and identity, and how to report a range of concerns.

Option Subjects

Art & Design

Teacher in Charge	Miss Bowie
Syllabus board and code	AQA GCSE Art & Design – AQA GCSE 8201
Setting Policy	GCSE Art students are taught in mixed attainment groups.
Topics Studied	
Autumn	Extended personal project and portfolio update and refine
Spring	Externally Set Assignment
Summer	Deadline for teacher marking all GCSE Art – by 31st May
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>%</i>
Coursework	Students' work is assessed throughout the course. They are expected to complete an interesting, creative and varied portfolio of coursework, which includes a sketchbook and final piece for each of the three projects studied.	60
Exam (or Externally Set Assignment)	A separate ESA paper is issued in January of each academic year. Students spend approximately 13 weeks (including holiday periods) preparing a sketchbook with teacher guidance and support. They then conclude the assignment by making a final piece under exam conditions over a 10-hour period.	40

Coursework deadlines and assessments dates

Coursework details:

A selection of further work resulting from activities such as trials and experiments; skills-based workshops; mini and/or foundation projects; responses to gallery, museum or site visits; work placements; independent study and evidence of the student's specific role in any group work undertaken. Students must identify and acknowledge sources which are not their own and provide evidence of drawing activity and written annotation. The work submitted for this component will be marked as a whole. Students should carefully select, organise and present their portfolio and must ensure that it provides evidence of meeting all four assessment objectives.

Students will be expected to compile a presentation portfolio of their best work produced across the four assessment objectives. This takes the form of A3 size sketchbooks (or A4 when appropriate) and additional preparation work with final responses to the themed projects; either in 2D or 3D. Some sketchbook work may be mounted for the final presentation.

This will be completed through Year 10 with a deadline of January in Year 11.

Externally Set Assignment details as above.

Deadline to submit all coursework and Externally Set Assignment marks for moderation = 31st May.

Equipment Needed

GCSE Art students should have a range of art materials or purchase the GCSE Grey Court Art pack. This will help them develop and complete work in sketchbooks at home using different media; paints, oil pastels, felt-tip pens, chalk pastels, drawing pencils, glue, scissors etc. We also strongly recommend that Art students purchase an A3 portfolio for protecting and carrying A3 sketchbooks to and from school.

In Year 11 students should purchase an A1 portfolio for storing and presenting their work for assessment.

Main Texts / Reading List

Where possible, we recommend Art students see live art through galleries and exhibitions. There are many free galleries in London which can be hugely inspiring to artists. These can be found in specific art galleries (such as the Tate Modern) but also within museum collections (such as the Imperial War Museum). Even visiting specific parts of the city, buildings or places of interest outside London are often of great interest to GCSE Art students. Please check booking requirements, age-appropriate content and be aware of any safety measures in place prior to visiting.

Drama

Teacher in Charge	Ms Burton
Syllabus board and code	AQA 8261
Setting Policy	Drama is an option taught in mixed attainment groups.
Topics Studied	
Autumn	Component 2: Devising Drama and Log Coursework Component 3: Texts in Practice Exam
Spring	Component 3: Texts in Practice Exam Component 1:Written Exam - Blood Brothers Revision & Response to Live Theatre Production
Summer	Component 1: Written Exam - Blood Brothers Revision & Response to Live Theatre Production
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>Time</i>	<i>%</i>
Component 1: Understanding Drama	Knowledge and understanding of drama and theatre Study of one set play from a choice of six (Current Text: Blood Brothers by Willy Russell) Analysis and evaluation of live theatre makers It is assessed through an open book written exam, which is marked externally.	1 hour 45 minutes	40%
Component 2: Devising Drama	Process of creating devised drama Performance of devised drama (students may contribute as performer or designer) Analysis and evaluation of own work It is marked internally and then moderated by AQA.	Up to 20 minutes (dependent on group size)	40%
Component 3: Texts in Practice	It is assessed through the performance of two extracts from one play, in which students may contribute as performer or designer. Each extract is marked separately out of 20. There is a free choice of play but it must contrast with the set play chosen for Component 1. It is marked by an external AQA examiner.	Up to 20 minutes (dependent on group size)	20%

Coursework deadlines and assessments dates

Component 2: Devising Drama Practical Exam & Log - Deadline before Christmas, Texts in Practice Practical Exam - Early Feb

Equipment Needed

- Students should keep an organised folder on their google drive to store all work so that they can revisit it for revision at a later date.
- Students will need to complete homework and written work and submit this on Google Classroom, which will be marked and returned online.
- A copy of the Blood Brothers text will be required at the start of the school year. Students will be asked to purchase their own copy so that they can annotate it and take notes.

Main Texts / Reading List

- AQA GCSE Drama Student Book by Annie Fox (Illuminate Publishing)
- Blood Brothers by Willy Russell
- Blood Brothers Play Guide for AQA GCSE Drama (Illuminate Publishing)
- GCSE Bitesize Drama by Andy Kempe (BBC Active; 2006)
- Theatre reviews in newspapers and online

Health & Social Care

Teacher in Charge	Ms Braham
Syllabus board and code	Pearson BTEC Level 1/Level 2 Tech Award in Health and Social Care
Setting Policy	Taught in mixed attainment groups.
Topics Studied	
	The components are interrelated and they are best seen as part of an integrated whole rather than as totally distinct study areas.
	One component studied throughout the year
	Component 3 : Health and Wellbeing
	<ul style="list-style-type: none"> • Demonstrate knowledge and understanding of factors that affect health and wellbeing • Interpret health indicators • Design a person-centred health and wellbeing improvement plan • Demonstrate knowledge and understanding of how to overcome obstacles relating to health and wellbeing improvement plans
Autumn	
Spring	Component 3 written exam.
	Component 2 : Health and Social Care Services and Values
	• Students will explore and practise applying the different care values that are key to the delivery of effective health and social care services. Students could be assessed through a practical demonstration.
Summer	
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>Time</i>	<i>%</i>
	Two internally assessed assignments.		
1) Human Lifespan Development	Component 1: Human lifespan and development: • Understand human growth and development across life stages and the factors that affect it • Investigate how individuals deal with life events.	n/a	30%
2) Health and Social Care Services and Values	One internally assessed assignment. Component 2: Health and Social Care Services and Values: • Understand the different types of health and social care services and barriers to accessing them • Demonstrate care values and review own practice.	n/a	30%
3) Health and Well-being	Component 3 builds directly on Components 1 and 2, and enables learning to be brought together and related to a real-life situation. Externally assessed written examination in spring term. • 60 marks synoptic assessment. • Task set and marked by Pearson, completed under supervised conditions. • The set task will be completed in two hours in the period timetabled by Pearson.	2 hrs	40%

Coursework deadlines and assessments dates

- The externally assessed task (component 3) will be taken in the spring term of year 11, with the dates yet to be confirmed by the exam board. There will be an opportunity for students to resit this exam in May/June of year 11 if necessary.
- For setting assignments, we provide authorised assignment briefs and guidance in each component. This means that you can adapt materials to your local contexts and assess assignments that provide the valid and rigorous final summative assessment for each component.

Equipment Needed

- BTEC Tech Award Health and Social Care Student Book
- A range of pens
- Pencils
- Highlighters
- Colouring pencils/felt tips, ruler, rubber, A4 folder.

Media

Teacher in Charge	Miss Howell
Syllabus board and code	Pearson - Creative Digital Media Production – BTEC Tech Award
Setting Policy	
Topics Studied	
Autumn	Component 2: Developing Digital Media Production Skills Learners will develop skills and techniques in media production processes by reworking media products from the audio/moving image sector. This component is internally assessed and will involve submitting a portfolio of evidence. It is a mix of written and practical work, worth 60 marks in total and will be completed between September and December, during lessons and in your own time.
Spring	Component 3: Create a Media Product in Response to a Brief This external component builds on knowledge, understanding and skills acquired developed in Components 1 and 2. Learners will apply and develop their planning and production skills and techniques to create a media product in response to a client brief. Learners will then submit their ideas, pre-production planning and final media products in a portfolio of evidence. The task is worth 60 marks and will be completed under supervised exam conditions (maximum 9 hours) in May.
Summer	
Examination Breakdown	
	This course is 100% coursework based. Components 1 and 2 are internally assessed. Component 3 is a practical in exam conditions and is externally assessed
Coursework deadlines and assessments dates	
	Component 3 is worth 60 marks and will be completed under supervised conditions (maximum 9 hours) in May.
Equipment Needed	
	A smartphone or a camera to use for filming.

Music Technology BTEC

Teacher in Charge	Mr M Allchurch
Syllabus board and code	NCFE Level 1/2 Technical Award in Music Technology
Setting Policy	Music Technology is an option taught in mixed attainment groups.
Topics Studied	
Autumn	Sound creation, Multitrack recording
Spring	Multitrack recording, Non-exam assessment (NEA) delivery
Summer	Examined assessment preparation, Examined assessment
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>%</i>
Non-exam assessment (NEA)	Externally-set, internally marked and externally moderated synoptic project (17 hours)	60%
Examined assessment	Externally-set and externally marked written exam (1.5 hours)	40%

Coursework deadlines and assessments dates

Students will complete pieces of work to embed and support the knowledge learnt in each content area throughout year 10 and the start of year 11. Assignment deadlines for formative assessments, tests and projects will vary throughout the year.

The exam board set an assessment brief for the synoptic project (NEA) at the start of year 11, which will assess students' knowledge and practical application of the 5 content areas, with students completing this in the Spring of year 11.

The exam will take place in the Summer of Year 11 and will also assess students' knowledge of the 5 content areas.

Equipment Needed

- Folder for hand-outs
- Bound notebooks for each content area
- USB storage devices to backup practical work (ideally at least 64GB)
- Headphones with a regular minijack connector - bluetooth and phone connectors are incompatible. Headphones can be provided but some students may wish to use their own.

Main Texts / Reading List

- Music: The Business – Ann Harrison
- The Dance Music Manual – Rick Snoman
- Music Theory for Computer Musicians – Michael Hewitt
- Creative Recording 1 and 2 – Paul White
- Magazines such as Sound on Sound, Future Music and Music Week

Physical Education GCSE

Teacher in Charge	Mr Murphy
Syllabus board and code	AQA PE GCSE 8582
Setting Policy	Option taught in mixed attainment groups.
Topics Studied	
Autumn	Practical analysis assessment, socio-cultural influences, revision of year 10 and exam preparation. Practical Mock Moderation
Spring	Revision exam preparation. Practical Moderation
Summer	Revision and exam preparation
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>%</i>
Practical Element	Practical performance in three different physical activities in the role of player/performer (one in a team activity, one in an individual activity and a third in either a team or in an individual activity). Analysis and evaluation of performance to bring about improvement in one activity.	40%
Theoretical Element	Paper 1: The human body and movement in physical activity and sport. What's assessed: Applied anatomy and physiology, movement analysis, Physical training, Use of data. 30% of final mark. Paper 2: Socio-cultural influences and wellbeing in physical activity and sport: What's assessed: Sports psychology, socio-cultural influences, health, fitness and well-being, Use of data. 30% of final mark.	60%

Coursework deadlines and assessments dates

Controlled assessments will take place during year 10/11.

Equipment Needed

A4 exercise book and pencil case needed for each theory lesson. Practical lessons (will run alongside theory lessons at the discretion of the teacher). Full Grey Court PE Kit: blue round-neck t shirt, shorts, GC track pants and GC track top. Blue Grey Court socks or white sport or trainer socks. Rugby top for those taking rugby. Baselayer when extremely cold (blue or white preferably). Football boots, sports trainers (no plimsolls or skate shoes). Shin pads, gum shields and hairbands (if hair is longer than shoulder length). If ill or injured, students must still wear their PE kit (if a practical lesson). Failure to do this will lead to a PE kit mark. Students must remember asthma pumps, epipens and any other medication for every lesson. Students will receive a Kerboodle online learning account for access to the textbook and online resources.

Spanish

Teacher in Charge	Ms Lopez
Syllabus board and code	Pearson Edexcel Level 1/Level 2 GCSE (9 - 1) in Spanish (1SP0)
Setting Policy	All classes will be mixed ability
Topics Studied	
Autumn	<p>Themes: Local area, holiday and travel, identity and culture</p> <p>Grammar: Se puede(n), question words, the future, demonstrative adjectives, the conditional, using the passive, avoiding the passive, reflexive verbs, superlatives, irregular verb patterns in the preterite.</p> <p>Themes: Future aspirations, study and work</p> <p>Grammar: the imperfect tense, the preterite and the imperfect used together, indirect object pronouns, the conditional, the subjunctive with cuando.</p>
Spring	Exam skills
Summer	Exam skills Speaking exam (April) Listening, Reading and Writing exams (May/June)
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>%</i>
Written Exam	Open response questions plus a translation into the target language.	25%
Speaking Exam	One role-play, one picture-based task and one general conversation on two themes.	25%
Listening	Final examination	25%
Reading	Final examination including a translation into English	25%

Coursework deadlines and assessments dates

Students will have to complete four externally examined papers. Students will complete their speaking assessment in March/April of year 11 and all the other assessments in May/June of year 11.

Equipment Needed

Pen, pencil, ruler, glue stick, scissors, etc (see planner for full list).

Main Texts / Reading List

Students can best extend their linguistic skills by reading magazines and publications (either in digital or paper format) in the target language. All students would benefit from having a Spanish/English dictionary/app. All students use Edexcel GCSE Spanish – Higher. Revision guides and workbooks (9-1) can be purchased from Amazon.

Textiles Design

Teacher in Charge	Miss Casey
Syllabus board and code	AQA GCSE Art & Design- Textile design (8204)
Setting Policy	GCSE Textile Art students are taught in mixed attainment groups.
Topics Studied	
Autumn	Extended personal project – Portfolio update and refine
Spring	Portfolio update
Summer	Portfolio refine:Deadline for teacher marking all GCSE Art Textiles – by 31st May 2023
Examination Breakdown	

<i>Title</i>	<i>Details</i>	<i>Time</i>	<i>%</i>
Component 1: Portfolio	Students' work is assessed throughout the course. They are expected to complete an interesting, creative and varied portfolio of coursework, which includes a sketchbook and final piece for each of the three projects studied.	Yr10 work + work completed Sept-May	60%
Component 2: External Set	At present this is a separate ESA paper which will be issued in January 2023. Students spend approximately 13 weeks (including holiday periods) preparing a sketchbook and then conclude the assignment by making a final piece under exam conditions over a 10-hour period. At present this will run in January 2023, however there are on-going discussions between the exam body and other teaching bodies.	10 hours (N/A)	40%

Coursework deadlines and assessments dates

Coursework deadline to submit marks for moderation May 31st 2023.

Equipment Needed

GCSE Textiles students should have a variety of Art materials and Textiles equipment and purchase the Grey Court GCSE Textiles pack. This will help them further develop and complete work at home using different media such as paints, oil/chalk pastels, drawing pencils, felt tip pens/fineliners, scissors, glue etc A good sewing kit including shears.

An A3 plastic wallet folder to present work and an A3 handled folder to carry practical work and fabrics.

Main Texts / Reading List

Where possible, we recommend Textiles students see live Textiles/Textiles Art through galleries, exhibitions, fashion shows and high street/designer fashion and homeware stores. There are many free exhibitions in London which can be hugely inspiring to designers/artists. These can be found in specific museums/galleries (such as the Design museum and the Textiles museum) but also within museum collections (such as the Victoria & Albert Museum). Even visiting specific parts of the city, buildings or places of interest outside London are often of great interest and inspiration to GCSE Textiles students. Please check booking requirements, age-appropriate content and be aware of any safety measures in place prior to visiting.

Rewarding our Students

The House System at Grey Court

The house system aims to enhance student achievement and motivation through promoting inter-house competition. In 2023-24, we had House competitions across 12 subject areas. The four houses are Aztec, Roman, Spartan and Trojan.

Allocating a House

In order to promote a strong tutor group ethos, whole tutor groups are allocated to the same house. Each house consists of two tutor groups from each year, one from A band and one from B band.

House Points

House points are an important part of motivating students in their day to day lessons. Staff allocate house points to reward student achievement such as: sustained effort, exemplary work, high attainment or excellent class participation. Points are also awarded for representing the school at extra-curricular activities and showing respect and courtesy. A high number of points results in the award of a certificate at end of term celebration assemblies.

House Competitions

Each year we hold a number of inter-house sporting and faculty competitions. Each of these contributes towards the final totals which decide the overall winning house. All members of that house are awarded a fun afternoon out during the following academic year. The more people you have involved in House competitions, the more points you will collect as a House! The House competition culminates with the much anticipated Grey Court Sports Day, with final results announced on the last day of term.

Safeguarding

Grey Court School recognises that all adults in our school have a full and active part to play in protecting our students from harm. The Designated Safeguarding Lead is Ms V Price (vprice@greycourt.org.uk) and the Deputy Designated Safeguarding Lead is Mrs S Mercer (smercerc@greycourt.org.uk) The nominated governors (safeguarding) are Julian Knott. and Elizabeth Rowley. If you have a safeguarding concern about a child please contact Ms Price or Mrs Mercer, or if you prefer to remain anonymous, contact Achieving for Children SPA (Single Point of Access) Call 020 8547 5008 from 8am to 6pm, Monday to Friday, or 020 8770 5000 out of hours. If a child is in crisis, please call the crisis line 0800 0288000 or if you think a child is in immediate danger please take them to A&E or call 999

For further information, please see the Safeguarding section on the Grey Court School Website

Conditions of Use of Photographs of Students

Throughout the school's academic year and your child's school life, photographs may be taken of your son/daughter. These photographs may be used in a range of contexts:

School publications, for example the prospectus

School noticeboard displays

Local newspapers as part of the media coverage of a school event

School website

Grey Court facebook and twitter pages, Grey Court Youtube channel.

Internal teacher training materials and or conferences

Local education authority publications and website.

If you do not want your son or daughter to appear in any photographs, please contact Ms V Price as soon as possible.

Acceptable Use of IT

Grey Court School expects all students to be safe and responsible when using any of the IT resources. This includes the use of the internet, email and social networking sites. In particular, students must ensure that all IT communication is respectful and sensible. Any online activity, in and outside school, must not cause distress to others, nor bring the reputation of the school into disrepute. If students come across offensive or illegal material online or within the school's systems, they should report this immediately to a member of staff.

Students must understand that there are consequences to inappropriate or unacceptable use of IT, which could result in parents or the police being informed and/or suspension of access to their school IT account. This is especially true of any forms of abuse like cyber bullying.

School Network/Internet Acceptable Use Policy

1. School network: The school network provides filtered access to the internet to support student learning. Student use of the IT services is monitored by the school. We use filtering software in an attempt to ensure that all inappropriate websites are blocked.

Each student is provided with a secure area on our network in which to store work. Periodic random checks will be made as to the content of these files. Students found storing inappropriate material on our network may have the facility withdrawn and action taken.

Users will not attempt to gain unauthorised access to the Grey Court School network or go beyond their authorised access. This includes attempting to log-on through another student or staff account or try to access another user's files. These actions are deemed illegal under the computer misuse act - even if only for the purposes of "browsing" or "exploring".

An individual search will be conducted if there is reasonable suspicion that users have violated this policy. The investigation will be reasonable and related to the suspected violation.

Users will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses or by any other means. These actions are illegal.

Storage of non-school data and applications is prohibited.

Any attempt to install unauthorised software, apps or games is strictly prohibited.

2. Email and Internet: The school will issue every student with an email address which they can use both in school and at home. This is a filtered service and is programmed to automatically intercept the use of profanity, suspicious words and other abuse or inappropriate attachments. The school will be notified if any student abuses the email system. Random checks of email accounts will be made as part of our monitoring procedures and students found to be using the system inappropriately will have their accounts closed and action will be taken. Students who repeatedly try to access non educational or unapproved websites like gaming sites, inappropriate video websites, music streaming, social networking and any other sites deemed to be inappropriate by the school may have their access to the internet withdrawn and action taken. Any student viewing adult material will automatically have their network access withdrawn and the student's parents/carers will be notified, and action will be taken. Users will not attempt to bypass the ISP filtering system. Such attempts will result in a permanent ban of Internet access and further action may be taken.

3. System Security: Users are responsible for their individual user area and should take all reasonable precautions to prevent others from being able to use it. Under no circumstances should users let any other student know their password. Users will immediately notify a teacher or a member of IT staff if they have identified a possible security problem. Users MUST NOT go looking for security problems because this will be construed as an illegal attempt to gain access. Users should take every precaution to avoid the inadvertent spread of computer viruses. Unchecked USB flash/pen drives must not be used and email attachments that are suspect or from unknown sources should not be opened. Users will not download computer programs or files from the Internet without permission from a member of staff. Users will not try to load computer programs onto the Grey Court School Network or attempt to run programs that are not accessed through the Start Menu or Desktop screen. Monitoring software alerts the school to inappropriate web searches by individuals. These alerts are followed up and appropriate action is taken by the school.

4. Misuse of resources: Any student found to be tampering, damaging or otherwise abusing the school's IT facilities will be dealt with in the strongest possible manner.

Users will avoid unnecessary printing. A record of all printing is logged automatically by the printing accounting software. Any student found to be abusing their printing quota will have their ability to print withdrawn and will be invoiced for the excessive paper and toner used.

Accessing and playing games via the Internet is not allowed. A limited number of games do have some significant educational value and these listed 'games' are the only ones users are permitted to access.

For copyright reasons, users must not download or store commercial music or video files anywhere on the school network, at any time.

Shared areas on the school network are for sharing and transferring school files; users are responsible for their removal when they are no longer needed. If users place inappropriate files in a shared area then their network access is liable to be suspended.

Listening to online radio broadcasts or watching website video clips online slows the whole network. Unless this is for educational reasons and permission has been given by a member of staff, this is not allowed.

Users of iPads must not tamper with the settings or any application that has not been instructed for use. Misuse of the school's iPads is taken very seriously, students found to be using them inappropriately will be banned from using them and further action will be taken.

EduLink One

EduLink One is Grey Court's parental communication tool which can be accessed via the app or browser, providing parents and carers access to information held by the school on students including: achievement and behaviour points, timetables, homework, attendance, clubs, and catering balances.

If you need help setting up your account, please contact rjacob@greycourt.org.uk.

You will need to use the School ID: grey or greycourt, or tw107hn when asked. Once you have finished setting up your account, if you notice one of your children is missing from EduLink One, please email rjacob@greycourt.org.uk with the full name and year group of your child who is not appearing.

Students can also access EduLink One via the app or browser, using the School ID (grey or greycourt), and their school network (not email) login details. e.g. Freddie James who joined Greycourt in September 2022 username would be fjames22.

(* Year 7 student passwords will be issued in their first computing or DT lesson).

Google Classroom

Google Classroom is our VLE (virtual learning environment). Teachers will provide resources for students on the platform which they can access from home. Students will also have access to a variety of free Google software including a word processor, spreadsheet, presentation, and unlimited storage.

Students should login to the Grey Court Google Classroom platform directly from the Google homepage by clicking 'Sign in' in the top right hand corner.

Students' usernames and passwords will be issued by their computer science teacher.

Please contact Mr Jacob or the IT Technician team if you require any support.

rjacob@greycourt.org.uk

helpdesk@greycourt.org.uk.

Teachers will use Google Classroom to either set or log homework for students. Students may be required to hand in their homework via Google Classroom, or check Google Classroom to find out the details of the homework and complete it in their exercise books.

Mobile Phones

Our aim is to provide students with a mobile phone free school environment. With the pressures of mobile phone trends, and social media, we want our school environment to enable a digital detox for our young people. Therefore, all students in Year 7-9 (KS3) will be required to hand their phones in daily. Phones will be collected in AM registration and stored in a secure environment, and collected back by the student at the end of the day, in PM registration. This will allow them space from their phones throughout the school day.

KS4 students will follow the 'not seen, not heard' policy. The 'not seen, not heard' policy requires students to have phones/all notifications turned off during the school day. Students are expected to place phones in their bag/pocket, on arrival to school/ at the 8.25am bell. Phones should not be used during the school day, and should only be taken out after the 3pm bell.

During exams, all KS4 students will be required to hand their phones in at the start of the day, these will be stored safely by the school. Students will collect their phones at the end of the school day.

Grey Court Expectations

Arrive at lessons on time and with the proper equipment to learn effectively.

Enter quietly when asked to and quickly get ready to learn by taking out your equipment. Coats should have been removed before entering the classroom.

Remain silent and concentrate while your teacher talks to the class. Your teacher has a right to teach and all of your classmates have a right to learn.

Follow all the school rules and instructions from teachers all of the time.

Pack away and leave only when your teacher tells you to do so. Make sure the room is tidy before you leave.

RESPECT for each other is most important. There is no excuse for rudeness.
