2. DEFINITIONS

“Looked-after children (LAC)” are defined as children who:

- Are provided with accommodation, for a continuous period of more than 24 hours under the Children Act 1989, sections 20 and 21.
- Are subject to a Care Order or Interim Care Order under the Children Act 1989, part 4.
- Are subject to a placement order.

“Previously LAC (PLAC)” are defined under the Children and Social Work Act 2017 as children who:

- Are no longer looked after by an LA because they are the subject of an adoption, special guardianship or child arrangements order; or were adopted from ‘state care’ outside England and Wales.

3. STATEMENT OF INTENT

Educational achievement and subsequent life chances for LAC and PLAC are of real concern. Students who are looked after often require additional support and attention in order to improve their situation.

Grey Court School endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our students. With this in mind, we aim to:

- Encourage students to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that students enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school’s resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help students develop their cultural, moral and social understanding.

4. ROLES AND RESPONSIBILITIES

The SENCO is responsible for:

- Ensuring they are involved in reviewing PEP and care plans for LAC and PLAC.
- Liaising with the class teacher, designated teacher, specialists and parents when considering interventions to support the progress of PLAC.

Staff are responsible for:

- Being aware of the emotional, psychological and social effects of loss and separation (attachment awareness) from birth families and that some children may find it difficult to build relationships of trust with adults because of their experiences.
- Preserving confidentiality, where appropriate, and showing sensitivity and understanding.

- Monitoring and evaluating the educational attainment and progress of LAC as if those children attended a single school.
- Ensuring that there are effective systems in place to:
 - Maintain an up-to-date roll of the LAC who are attending the school.
 - Gather information about the education placement, attendance and educational progress of LAC.
 - Ensure sufficient information about a student's mental health, SEN or disability is available to the school so that appropriate support can be provided.
 - Inform headteachers and DTs of any student on roll who is looked after.
 - Ensure social workers, the DT, the school, carers and Independent Reviewing Officers (IROs) understand their role and responsibilities in initiating, developing, reviewing and updating the student's PEP and how they help meet the needs identified in that PEP.

- Ensure the educational achievement of LAC is seen as a priority by everyone who has responsibilities for promoting their welfare.
- Report regularly on the attainment, progress and school attendance of LAC through the LA's corporate parenting structures.

5. PERSONAL EDUCATION PLAN (PEP)

The school is aware that all LAC must have a care plan, and that PEPs are an integral part of this care plan.

The school understands that the PEP is intended to serve as an evolving record of what needs to happen for a student to enable them to make the expected progress and fulfil their potential.

The school is aware that, wherever a student is placed, it is the responsibility of their social worker, supported by the authority's VSH, to initiate a PEP and arrange to meet with the school and the student's carer.

The school will ensure that children's PEPs reflect the importance of a personalised approach to learning which meets the identified educational needs of the student and will be reviewed termly.

The DT will liaise with the VSH and social workers to share information and act as the in-school lead on how the PEP is developed and used to make sure the student's progress towards education targets is monitored.

The school, in collaboration with the student, carer, and other professionals will collaborate to ensure completion of the PEP and that PEP is used as a working document intended to support the student's educational needs, raise their aspirations and improve their life chances.

The school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the student's PEP are implemented without delay.

The school is aware that PP+ for PLAC will be allocated directly to, and managed by, the school, and will work with the VSH to manage allocation of PP+ for the benefit of the cohort of LAC, or PLAC, and according to their needs. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The DT will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the student's educational attainment and progress.

PEP content

The PEP will address the student's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work.
- The provision of suitable education provided by the LA, where the student is not in school because of suspension or exclusion.
- Transitional support where needed, such as if a student is moving to a new school.
- School attendance and behaviour support, where appropriate.
- Support needed to help the student meet their aspirations, which may include:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focuses on the student's strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.

The VSH and the DT will ensure that information is included within a LAC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment. Any interventions supported by PP+ will be evidence-based and in the best interests of the student.

6. WORKING WITH AGENCIES AND THE VIRTUAL SCHOOL HEAD (VSH)

The school is aware that strong multi-agency and multi-disciplinary working is vital to identifying and responding to the needs of LAC and PLAC.

The school will work proactively and collaboratively with other professionals in other agencies and organisations in line with the framework of expectations outlined in the government's [Working Together to Safeguard Children](#) statutory guidance document by:

- Collaborating with services to achieve shared goals and share information.
- Learning from evidence and sharing perspectives to evaluate provision.
- Prioritising and sharing resources depending on students' needs.
- Celebrating inclusivity and diversity and challenging discrimination.
- Mutually and constructively challenging others' assumptions in a respectful manner.

The school recognises the importance of proactive information sharing between professionals and local agencies in order to effectively meet students' needs.

Staff will be made aware that whilst the UK GDPR and the Data Protection Act 2018 place a duty on schools to process personal information fairly and lawfully, they also allow for information to be stored and shared for safeguarding purposes, as data protection regulations do not act as a barrier to sharing information where failure to do so would result in putting the student at risk of harm.

If staff members are in doubt about sharing information and data protection legislation, they will be encouraged to speak to the DSL.

Appropriate and specific arrangements for sharing reliable data will be put in place to ensure that the education needs of LAC and PLAC are understood and met. The arrangements set out will include:

- Who has access to information on LAC and PLAC and how data will remain secure.
- How students and parents are informed of, and allowed to challenge, information that is kept about them.
- How carers contribute to and receive information.
- Mechanisms for sharing information between the school and relevant LA departments.
- How relevant information about individual students is passed between authorities, departments and the school when students move.

School staff will be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of students. This will include sharing information about any adults with whom a student has contact, which may impact the student's safety or welfare, where necessary.

The school will aim to be as transparent as possible by telling families what information they are sharing and with whom, provided that it is safe to do so.

The school will ensure that copies of all relevant reports are forwarded to the social workers of LAC, in addition to carers or residential social workers.

The DT will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of LAC and PLAC.

7. TRAINING

The designated teacher and other school staff involved in the education of LAC and PLAC will receive the appropriate training, including information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions

- Homework
- GCSE options
- Managing and challenging behaviour
- Promoting positive educational and recreational activities
- Supporting students to be aspirational for their future education, training and employment
- Safeguarding

The governing board will ensure that staff are equipped with the skills, knowledge and understanding necessary to keep LAC and PLAC safe through training.

8. SAFEGUARDING

The school is aware that LAC and PLAC most commonly become looked after because of abuse and/or neglect and because of this, they can be at potentially greater risk in relation to safeguarding.

The school recognises that many LAC and PLAC have experienced trauma, abuse or complex family circumstances and will ensure that all staff are aware that experiences of adversity such as these can leave students vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and PLAC as soon as possible.

Where a LAC or PLAC has a social worker, this will inform decisions about safeguarding, e.g. responding to absence from education where being absent from education may increase known safeguarding risks within the family or in the community.

The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of LAC and PLAC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over LAC or PLAC in line with the processes outlined in the Child Protection and Safeguarding Policy.

When there is reasonable cause to suspect that a LAC or PLAC is suffering or is likely to suffer significant harm, the school will collaborate in the multi-agency strategy discussion where appropriate to determine the student's welfare and plan rapid further action as necessary. The school's representative at any strategy discussion meetings will be sufficiently senior, skilled and experienced, and authorised to make decisions on the school's behalf. Information and analysis about the student and their family will be provided as required.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a LAC or PLAC is being bullied, as this can have a particularly negative impact on students who have early experiences of rejection or abandonment.

9. STUDENT MENTAL HEALTH

All staff will be made aware that mental health problems can, in some cases, be an indicator that a student has suffered, or is at risk of suffering, abuse, neglect or exploitation.

The school is aware that LAC and PLAC are more likely to experience the challenge of social, emotional and mental health (SEMH) issues which can impact their behaviour and education. The school will support the DT in developing their knowledge, awareness, training and skills to support children with behaviour management and mental health.

The DT will work with the VSH to ensure school staff are able to identify signs of potential mental health issues, understand the impact issues can have on LAC and PLAC, and know how to access further assessment and support, where necessary.

The school understands that the increased frequency of mental health problems amongst LAC and PLAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the DT will ensure that they, and all staff who maintain regular contact with LAC or PLAC are vigilant of any changes in the mental health, behaviour, social inclination or mood of these students

The school's senior mental health lead will work alongside the designated teacher to promote the wellbeing and mental health of LAC and PLAC, and will always either be a member of, or be supported by the senior leadership team and could be the pastoral lead, SENCO, or DSL.

10. SUSPENSION AND EXCLUSION

Past experiences of LAC and PLAC will be considered when designing and implementing the school's Behaviour Policy and Suspension and Exclusion Policy.

The school recognises that suspending or excluding LAC or PLAC can make them more vulnerable to harm due to not having the protection and opportunities school provides. When responding to incidents involving LAC and PLAC the school will show full regard to the DfE's statutory guidance '[Suspension and permanent exclusion from maintained schools, academies and student referral units in England, including student movement](#)'. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and students, devising strategies that take both into consideration.

Where the school has concerns about behaviour, the VSH will be informed at the earliest opportunity. As far as possible, the school will engage proactively with the social worker or carer to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.

As part of the termly review of a student's PEP, any concerns about their behaviour will be recorded, alongside information on how they are being supported to improve this and reduce the likelihood of exclusion.

Suspension or permanent exclusion will only be used as a last resort. Permanent exclusion will only occur where there have been serious and/or persistent breaches of the school's Behaviour Policy, or where allowing the student to remain in school would seriously harm the education or welfare of others.

Where a LAC or PLAC is at risk of being suspended or permanently excluded, the school will engage with the DT and the student's parents, or other individuals involved in the student's care. The DT will contact the VSH as soon as possible to work together, and with other relevant individuals, to consider what additional assessment and support needs to be put in place to help the school address the factors affecting the student's behaviour and reduce the need for suspension or permanent exclusion.

The school will inform parents that they can seek the advice of the VSH on strategies to support their student to avoid exclusion.

Where a LAC is excluded, the school will document the provision of immediate suitable education in the student's PEP.

11. STUDENTS WITH SEND

In cases where students have an EHCP, the DT will work with the VSH to ensure that their EHCP works in harmony with their care plan and PEP to tell a coherent and comprehensive story of how the student's needs are being met.

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the student's PEP and care plan reviews.

The SENCO, class teacher, DT and specialists will involve parents when considering interventions to support their student's progress. If appropriate, the VSH will be invited to comment on the proposed SEND provision for PLAC.

The DT and the SENCO will ensure that LAC and PLAC with SEND are supported in line with the SEND Policy, with extra consideration given to the fact that some of the usual procedures for supporting students with SEND may lack applicability for LAC, e.g., where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.
