A decorative graphic at the top of the page. On the left, the letters 'Y' and '7' are written in a large, outlined, sans-serif font. To the right of the '7', a dashed line starts with a small circle, loops around, and then curves upwards and to the right, extending towards the top right corner of the page.

Assembly this week was run by our year 10 students, who all took turns in talking to the year group about the Speak Out public speaking challenge, and their journey to developing their own public speaking skills. It's always lovely to see students reminiscing about their time in year 7, and how they can provide inspiration for our youngsters as they look toward their future at Grey Court.

Last week, Oak ran the piggyback and wheelbarrow challenge, which was won by Elm! We look forward to Rowan putting on this week's challenge so that the house competition can continue to heat up in term 2.

There is a non-uniform day next Friday 13th, it will cost £2 in order to participate and that money will go to charity. As year 7 have PE, I would encourage them to wear their PE kit underneath their own clothes or bring kit to change into.

Mr Ridley

Phase Leader

A decorative graphic at the top of the page features the letters 'Y' and '8' in a large, outlined font. To the right of the '8' is a dashed line that forms a loop and then curves upwards and to the right, ending near the top right corner of the page.

As we near the end of term, year 8 continue to show plenty of energy and commitment. A huge well done to Kalani, our conduct champion this week, who achieved a full 20 conduct points - an outstanding effort and a brilliant example of consistency, focus, and positive choices.

With half-term on the horizon, it's important that standards don't start to wobble. I've reminded students that the final stretch is often where good habits matter most. Finishing strong is just as important as starting well, and year 8 are more than capable of doing exactly that.

This week's assembly featured the Jack Petchey public speaking candidates from year 10, who delivered confident, thoughtful speeches. They were a fantastic example of where strong communication skills, resilience, and practice can lead - and hopefully an inspiration for our year 8s to aim high themselves.

Our Enterprise project continues to gather pace, with Elm form currently leading the charge as our sales team, raising money like true salesmen! Maple, you're up next - we're expecting big things!

Ms Sutcliffe

Head of Year

A decorative graphic at the top of the page features the letters 'Y' and '9' in a large, outlined font. To the right of the '9' is a dashed line that forms a loop and then curves upwards and to the right, ending at the top right corner of the page.

This week we were lucky enough to have sixth form students present to us in assembly. The topic of the assembly was on LGBTQ+ week. It is always fantastic to have older students come and present to us on such an important topic. Recently we have been speaking a lot about creating a positive, accepting and diverse community in Y9 and this assembly tied perfectly into this.

Y9 Parents Evening

Parents evening for Y9 is on the first Thursday (26th February) after half-term. This parents' evening is especially important with the focus on students' upcoming GCSEs. Letters with all the details on how to book an appointment will be sent out with details of how to book an appointment. If you have any issues please let us know.

Following the parents evening a series of videos and information will be sent home regarding the options process and the different subject offers for GCSEs. We hope that these will be information and help you to understand the options process better.

Next Friday on the last day of half-term is a non-uniform day. Students will be allowed to wear their own clothes and encouraged to bring in £2 for Cancer charity.

Y10

A decorative dashed line graphic that starts from the bottom left, curves upwards and to the right, passing behind the 'Y10' text, and then curves downwards and to the right towards the top right corner of the page.

We are extremely proud of our year 10 Media students and the consistent effort, creativity and commitment they have shown throughout this term. This week's Media submission was a real highlight and clearly demonstrated the hard work and dedication students have put into their coursework. We are hopeful that the grades awarded will accurately reflect this effort.

As we move into the final week of term next week, it is vital that we maintain these high standards right through to the end. Expectations around behaviour, effort and focus remain the same and students are encouraged to finish the term as strongly as they started it.

To celebrate the positive attitude and commitment shown by so many students, we will be giving out awards and announcing the form that has won the pizza party for best attendance. Keep up the fantastic work and finish the term on a high.

Students are also reminded that next Friday is non non-uniform day. Hair colours must not be changed for this event!

Mr Khan
Head of Year

Y11

With one week to go before a break, students are reminded that every lesson matters! Currently we have seen a rise in lateness from year 11s which must change at this crucial stage in the year. Please can we ask that you encourage students out of bed and to school on time, and to please let the pastoral team know if you think there are any underlying reasons as to why students may not want to come to school so we can help support them also.

Exam stress is affecting many so please look to positively engage students as well as take the necessary rest at weekends and this upcoming half term.

This week students have been working to achieve as many achievement points as possible in “excellent progress” to be in the running for the top prize! Winners to be announced next week! Also, ahead of National Apprenticeship Week (9 to 15 February), our year 11 students attended an apprenticeship assembly. Please find the [assembly presentation](#) for your perusal.

Parent webinars on county lines and criminal exploitation (Iverson Trust)

The Iverson Trust (formerly Pace) is a national charity working to keep children safe from exploitation by supporting parents, disrupting exploiters, and working in partnership with police and family services. Their work is grounded in a trauma-informed, family-centred approach. During March 2026, the Iverson Trust is delivering a series of live webinars for parents and carers focused on county lines and criminal exploitation. The sessions help parents understand how exploitation happens, how children are groomed, what warning signs to look out for, and where to access advice and support. Each webinar includes local context, time for questions, and input from a parent with lived experience. More information and booking details are available at:

Sixth Form News

Goodbye

Mrs McNicol!

We're all really going to miss you... but probably not as much as you'll miss us!

Sadly Mrs McNicol will be leaving us at the end of the half-term as she has decided it is time to relocate back to Newcastle. Her absence will be felt by staff, students and parents alike however we wish her all the best.

In her place we are being joined by Mrs Tanner who brings a wealth of experience with her and we have no doubt that she will be able to support the students to navigate their way through Sixth Form and onto their next steps.

Y12

Year 12

Year 12 have been working incredibly hard again this week and with trial exam results coming in, it is really fantastic to see the large number of students who have made huge progress since the last set of exams.

Attendance continues to be excellent, with 12C topping the leader board!

Work Experience placements are also being finalised and uploaded to Unifrog. Please speak to Ms Corrighan if you are having any problems securing a placement, as the **deadline of 28 March** is fast approaching.

NEW VOLUNTEERING ACTIVITY AT HAM LIBRARY - games afternoon with local OAPs

Some of our year 12s have been involved in a new volunteering opportunity at Ham Library. They have been playing games with a group of OAPs, and have had fantastic feedback. A huge well done to Archie Boulton, Nathan Winter, Beth Caple and Emilie Cai who were specifically mentioned by the lady running it, and thanks to Ms Delachaise for going over with them to see how it all works. We are already talking about other potential community initiatives that we can do together.

Trial Exams

16 March + 23 March

Y13

The next set of Trial Exams for Year 13s take place on the W/C Monday 16 March and W/C Monday 23 March.

W/C Monday 16 March will be in the small gym.

W/C Monday 23 March will be in lessons.

Activity Day: 4 March

Activities Day is Wednesday 4 March. EPQ students will be in school, working on their presentations and some students may be required to be in to complete coursework or catch up on class work. For the rest of the students, the focus is on wellbeing.

UCAS

Headline Figures

Seventy three students have heard from all five university choices and 108 students have had at least one offer. There is only one student who is still waiting to hear from any of their choices. We also have a group of students who have applied for creative courses who have been invited to audition or submit a portfolio. We are finding that our students are being made good offers which reflects the effort they put into their applications.

What comes next?

Once you have heard from all five courses you applied to you should choose a firm choice and to put in an insurance choice of university. Sounds scary but you have a deadline of 6th May to accept your choices so there is plenty of time for making decisions.

When you are making your choices you should base your decision for your firm choice of the course you most want to study. When choosing an insurance choice it should be a course with a lower offer (but you are still happy to study). This will mean that if you miss your grades for your firm choice you will still be given a place on your insurance course and won't have to go through the Clearing process in August.

Please see this [UCAS guide](#) to accepting offers.

UCAS EXTRA

Extra opens on February 26 2026 and it allows you to add another course choice if you have received decisions from all five, and weren't accepted, or if you declined the offers you received. Please come and talk to Ms Moore or Ms McNicol before turning down any offers you have been made and using UCAS Extra. It may be that contacting a university and asking to change your course will be a preferable way of making a change to UCAS Extra.

EPQ

Y11

3

Students are in the final stages of their project and should be beginning preparations for their final presentations to take place after half term. Activity day on the 4th March will be an opportunity for EPQ students to work in school to complete their folders to ensure they are handed in well in advance of the start of the Easter Mocks.

Oxbridge

A super curricular task has been set up on the Google classroom for students to complete. This is in preparation for writing the first drafts of question responses for their UCAS forms. In addition to this, students should be researching the courses, colleges and entrance exams for their subjects to ensure they are fully aware of the expectations and the timeline in the year ahead. Extension classes have started at Tiffin and Kings Wimbledon and our students have been given the opportunity to sign up to attend these.

Work Experience and University Summer Schools

Students have been spoken to in tutor time and PDW about their upcoming work experience 29th June-3rd July. Students can also access university summer schools during that week and there are plenty to apply for.

Once the student has spoken to an employer and agreed a placement, this needs to be added to the Unifrog placements tool as this is where all the information is kept and shared between the student, employer, parent/carer and the school. A short video to show this step by step:

<https://cdn.unifrog.org/video/n193u79dee/720.mp4>

The deadline for this to be completed by student, employer, parent and school on the Unifrog system is: 20 March 2026. Contact Miss Corrighan if you have any questions bcorrighan@greycourt.org.uk

Performer of the Month

Tia Garrard

Tia delivered an outstanding performance at the South of England Indoor Athletics Championships in January, competing in the long jump against a strong and highly competitive field. Demonstrating consistency, focus, and technical excellence, Tia secured an impressive **2nd place overall** with a jump of **5.40m**, highlighting her continued progress and commitment to improvement.

Alongside her indoor success, Tia is currently training hard in preparation for the **European U18 Championships**, which will take place in July. Her dedication to training and competition has already seen her represent **England on two occasions** in both the **Pentathlon and Long Jump**, where she achieved an excellent **3rd place** in each event. These achievements are a true reflection of Tia's work ethic, determination, and passion for the sport.

We are incredibly proud of Tia's accomplishments so far and excited to watch her development as she continues to build towards the summer athletics season. We wish her the very best of luck in her upcoming competitions and look forward to seeing what she achieves next.

Sportsman of the Month

Charlie Morgan

Congratulations to Charlie Morgan on an outstanding performance at the Welsh Winter National Championships held in Swansea. Charlie is an exceptional talent in the pool. All of the races except the 800m and 1500m were swum as heats with the fastest 8 swimmers from each age group competing in the finals.

Charlie (14/15 age group)

400 freestyle – Qualified for the Finals. Over all result 1st (Gold)

800 freestyle – Overall result 1st (Gold)

1500 freestyle – Overall result 2nd (Silver)

200 freestyle – Qualified for the Finals. Overall result 3rd (Bronze)

100 freestyle - Qualified for the Finals. Overall result 7th

Other races - 200 IM and 200 Backstroke (PBs achieved)

Superb achievement, Charlie!

Scholar of the Month

Lulu El-Borgi

Congratulations to Lulu, our Scholar of the Month for January 2026!

Lulu is an incredible winger who uses her speed to devastating effect, consistently making an impact in every game she plays. Her game awareness is outstanding, allowing her to read, play intelligently and make smart decisions under pressure. Whether she's on the football pitch, handball court or in the gymnastics hall, Lulu gives 100% every single time.

Her dedication to training, relentless work ethic, and positive attitude truly reflect the values of our Sports Scholarship programme. Lulu's commitment to improving herself across multiple disciplines highlights not only her natural talent, but also her determination and love for sport.

Always focused, driven, and supportive of those around her, Lulu is a fantastic role model and a valued member of our sporting community.

Well done, Lulu!

Scholar of the Month

Griff Cope

Griff has made an excellent start since joining Grey Court in September, quickly standing out for his positive attitude, strong work ethic, and commitment in both scholarship and PE lessons. He is consistently focused, eager to improve, and sets a great example to others with his approach to training and learning.

His involvement across school sport has been impressive. Griff has represented the Boys' U12A football team, captains the U12 rugby team, and has been invited to train with the U13 Rugby 7s squad in preparation for the Rosslyn Park National Schools Sevens tournament.

He has also shown great maturity in the way he has embraced new challenges, particularly in taking up hurdles, where he has been working hard to push for a place in the Junior Boys' athletics team this summer. Alongside this, he continues to train consistently at winter cricket nets.

Well done, Griff, a thoroughly deserved Scholar of the Month award.

Team of the Month

U14 Girls Football Team

The **U14 Girls Football Team** are the team of the month following an outstanding season so far, marked by commitment, teamwork, and impressive results on the pitch.

The squad have played seven matches to date, recording six victories and just one defeat, a fantastic return that reflects both their hard work in training and their growing confidence in competitive fixtures. Their attacking strength has been clear to see, with an incredible 51 goals scored, while defensive discipline has limited opponents to just 12 goals conceded.

Cup competitions have also brought success. The team battled their way to the 5th round of the ESFA Cup, a brilliant achievement at this level. They are also still very much in contention in the Surrey Cup, having reached the quarter-finals and now eagerly awaiting confirmation of their next opponents.

Looking ahead, February will see the start of their borough campaign, where they will aim to retain their league title. With the form they've shown so far, they will go into this stage of the season full of belief and determination.

Overall, it has been an amazing season so far for this talented group of players. Their effort, resilience, and team spirit make them thoroughly deserving of Team of the Month recognition and there's plenty more to come.

Team of the Month

U13+U15 Boys Volleyball Team

The team of the month for January is awarded to both our u13 and u15 volleyball teams. They were both victorious in the Borough Competition at Grey Court on Monday 19 January. The U13 team trained extremely well in the build up and demonstrated excellent team cohesion throughout to take the gold medal. The U15 boys team led by Sebastiano were dominant throughout, winning all 4 matches, scoring lots of points claiming the gold medal.

Double gold for the teams and a thoroughly enjoyable afternoon of volleyball.

Well done, boys!
