STAFF Netball

Forget the World Cup, Arsenal winning the Premier League and the sports day staff relay - the biggest sporting event of the year took place last week at Orleans Park School: the mixed Netball teacher tournament.

Netball superstars, the Messi and Ronaldo of the beautiful game, Ms Parr and Ms Duncan led a team of amateurs into enemy territory. Myself, Mr Allan and Mr Clarke had never played before - we were constantly having to be reminded that you're not allowed to bounce or kick the ball - and were told off after an embarrassing first practice match for trying to lob the ball as far as we could upfield. Apparently that's not how you play netball.

But game by game, the team started to gel. Ms Hatchley was bagging nets for fun. Mr Shelley and Mr Adan were the Great Wall of Grey Court at the back of the court. Ms Kellett and Mr Bhumbla were graceful in transition play. The team clicked like clockwork, knocking out Twickenham Park, Sir Richard Reynolds and Turing House until making it to the final against Lady Eleanor Holles. Unfortunately, after fighting valiantly until the end but with lots of eyerolling from the more experienced members of the team, we were well and truly beaten 7-1 in the final, with some bumps and bruises along the way. Ms Shackley broke her finger and spent the evening in A&E, Ms Handzar grazed her knees in a collision, and Mr Allan stubbed his toe and will be out injured for the rest of the year.

All in all, a fantastic event and a brilliant sport; up the Stag!

- Mr Ben Kempton

National Thank a Teacher Day is **17th June**

Send a FREE personalised
e-card to any teacher or
member of support staff

Romans Romp to Relay Record!

Romans Romp to Relay Record!

- Mr Clements

Roman House shooshed the naysayers who had predicted the Empire's decline and fall last Friday, as roared on by a rancorously regimented home crowd, they romped to victory in three relays!

Valuable points were earned by both the Year 7 Boys and Year 9 girls Roman relay teams who swept all before them. Indeed the wave of energy that propelled these legionnaires to a deserved victory was such that a tidal bore was reported three hours later funnelling down the Tiber and all the lights went out in Rome!

Elsewhere across the afternoon records were scattered more widely than a Tuscan cornfield parting in the wake of one of Mr Milo Clarke's training runs, as the following young Romans wrote themselves into the history books:

Hail to Uki Procein and Mazhar Yashi's 300m triumphs; and to Laila Talbot Smith and Leonie Buchbinder for romping to victory in the 200m and 800m respectively. Finally kudos to Olivia Green for her Herculean shot put effort. All of these youths are record breakers whose names will be etched in stone when Mr Winch has mastered tablet technology!

And the art department are currently fashioning sculptures of Daisy Baxter - 1st 100m, Ayanfe Adebuseye - 1st 200m, Oliver Green - 1st 200m and Lola Cammack 1st 800m that will line Ham Avenue by the end of the Summer! A special thank you - in fact - a gift of a Franco Manca vegan dormouse pizza will be delivered to Year 7 future Roman house leader, Francesco Angelucci for fashioning his own eagle of the 9th standard and standing at the front of our phalanx for two hours in the blazing June sun! Hail!

And so to the triumphant staff team of Adria Santos, Hannah Bapty, Lemma Mohammed and Milo Clarke for executing a race from the ages. Leading from the outset, Santos (who ran the Rome marathon in preparation) anchored the first leg and passed the baton to Bapty (resplendent in Rapha) to increase the lead. A seamless transition was made to Lemma Mohammed - ex-Sixth Former, current science technician, future Roman surgeon - bedecked in a yellow Arsenal 2023 Away strip). As the crowd ooohhed, and last year's Trojan champion, Mr Kempton loped along like an exuberant giraffe on stilts, Clarke, with his frosted tipped fringe glinting in the sun, flicked on the after-burners and dipped for the line...

And the Roman crowd roared!

It was left to Clarke, on being anointed with a laurel wreath, to turn to the crowd..and a panting Kempton - and yell: "Are you not entertained!"

Hail Roman House! Hail Berry! Unleash Hail!

KS3
Reviews

Last Friday, we held Sports Day in the afternoon. The Y7s had a brilliant time and were the loudest when it came to cheering their House! In Y7, Roman came first with 432 points, Trojan placed second with 412 points, Aztec came third with 398 and Spartan was last with 330 points. A special shoutout to the following students who won these races:

Lyla CD - 100m

Samuel P - 100m

Amie R - 200m

Erietta T - 200m

Woodie C - 200m

Anthony S - 200m

Well done to the Aztec girls and Roman boys for winning the relay! And of course, thank you Mr Clarke for bringing victory to Roman, 7 Willow was incredibly proud!

This week, the Y7s had their last PDW of the year and it was about staying safe over the summer. Here are the key messages: be responsible around Teddington lock in the summer - be careful in the water and stay away from people's boats; don't engage in anti-social behaviour in the community and on social media; wear sunscreen!

- **Miss Emila Gilly**

Acting Head of Year

As another busy week comes to a close, there is plenty to celebrate in Year 8. A huge well done to our conduct champions this week: Louis P, Elisey, Anuki, and Sean - a fantastic achievement and one they should be very proud of.

This week, students attended an assembly focused on apprenticeships and the wide range of opportunities available after school. It was a great chance for Year 8 to start thinking about future pathways and to learn that success comes in many different forms. Whether university, apprenticeships, or other routes, the key message was clear: work hard now, keep your options open later!

A big thank you also to all the parents and carers who attended Year 8 Parents' Evening. The evening highlighted the progress students are making and how this can continue into year 9.

With just a few weeks of term remaining, we are encouraging students to keep standards high, stay focused, and make the most of every opportunity.

Miss Anna Sutcliffe
Head of Year

Y8 German Homework

Year 8 students studying German have impressed with their cooking homework this week. They were tasked with cooking something German, Austrian or Swiss. Students cooked a range of dishes, including:

Schnitzel, Apfelstrudel, Schwarzwald Kirschtorte, Kalter Hunde, Kaffee Kuchen, Käse Spätzle, Kartoffelsalat, Apfelkuchen, Pretzels.

They all looked sehr lecker! Well done everyone!

- Ms Penny Moore

Guten
Appetit

In this week's assembly we focussed on the Y9s upcoming exams. I have attached the assembly to form group google classrooms for students to look at in preparation. Exams will commence on 17th June. Students will complete their exams in an allocated exam room, which they will be in for the week. All exams are mapped out on the exam timetable. Exams are mainly in the morning and afternoon, with some being P3 and 4. If students have normal lessons P3 /4 on their timetable they should make sure to have their class books etc with them.

In the assembly we outlined our clear expectations regarding behaviour in exams, although we are not envisaging any issues in this area. We also discussed the importance of looking after themselves during this period which can be stressful. Good sleep, continuing to exercise and finding times to relax in what will be a busy time will also be important.

We wish the students the best of luck with their exams!

Mr Sam Day
Phase Leader

Y10

This week has been a busy one for Year 10 as we approach the exam season.

During assembly, I went through the entire process we follow on exam days, including where students need to line up, exam regulations, how to enter the exam halls, and the behaviour expected during exam conditions.

It is really important that students remember we will be following JCQ regulations. As such, there will be multiple points during the process where silence is required, namely when I am reading the exam regulations, when entering the exam hall, and once students are seated. Furthermore, I made it clear that no form of communication is acceptable during the exam process. This includes non-verbal communication, such as looking around the room, making eye contact, or attempting to communicate through gestures.

Ahead of the exams, I have sent a letter detailing the equipment students need to bring. I have also listed it below:

- Clear pencil case (or a clear plastic bag) – this is mandatory
- At least two black pens (must be black biros)
- At least two pencils
- Protractor
- Compass
- Rubber
- Pencil sharpener
- Ruler
- Clear water bottle with all labels removed
- Calculator (please leave calculator lids/cases at home)

Before each exam, students should also check the Exams Board noticeboard for their exam location and seat number. This will help us to get students into the exam halls efficiently and minimise delays.

I appreciate that it may take a few attempts for students to get used to these procedures. However, I do need all students to cooperate fully. Where students fail to follow instructions or exam expectations, detentions may be issued.

If you have any questions, please do not hesitate to contact me by email.

Mr Junaid Khan
Head of Year

Y10

Cell-ebrating success!

A huge congratulations to all of the 26 Year 10 students for their fantastic performance in this year's UK Biology Challenge, a national competition run by the Royal Society of Biology that encourages students to test their biological knowledge and problem-solving skills beyond the classroom.

We are delighted to celebrate **Bronze Awards** for Milly Anstey, Eliza Clark, Nina Coverdale, Charlotte Vermeulen and Pavlos Penlidis; **Silver Awards** for Emme Hughes and Clara Said; and an outstanding **Gold Award** for Josie Bryant and Inigo Bell, placing them in the top 5% of students nationally.

Achieving awards at every level in such a demanding competition is a fantastic accomplishment and reflects the enthusiasm and commitment of our students. We are incredibly proud of all who took part and look forward to seeing how these budding biologists continue to flourish.

- Ms Hannah Bapty

As the Year 11's approach the end of what has been an intense GCSE exam season, students on the whole have conducted themselves excellently. Their hard work and dedication is evident every day and I am proud of how they have managed themselves with an extended pressured situation.

Please could you remind students to accept or decline their attendance at Grey Court Sixth Form taster day - they can access this by logging in to their Applicaa account. Please also note that you are still able to purchase Leavers hoodies and prom tickets for Thursday 25 June. This will be a really lovely evening to send off the students.

Last final exams this week - thank you for all your support so far!

- Ms Ciara Woods

The Biological Chemistry of Hay Fever

If you are sneezing as much as I am this year, your hay fever is likely hitting hard! While it feels miserable, the underlying biological chemistry driving this reaction is actually quite fascinating.

A quick disclaimer: I studied Medicinal and Biological Chemistry at university and love the science behind medicines, but I am not a medical professional. For actual medical advice, the NHS recommends speaking directly to a pharmacist or your GP.

The Biochemical Chain Reaction

Hay fever (allergic rhinitis) is a misdirected immune response to completely harmless environmental proteins like pollen.

1. Sensitisation: On initial exposure to pollen, the body mistakenly produces an antibody called Immunoglobulin E (IgE). These antibodies bind to receptors on the surface of several types of our white blood cells (part of our immune system).

2. Degranulation: Upon subsequent exposure, the pollen molecules bind to these IgE antibodies. This cross-linking signals the white blood cells to burst open, releasing a flood of inflammatory signaling molecules, most notably **histamine**.

3. Receptor Activation: Histamine binds to H1 receptors on vascular and nerve cells, causing rapid blood vessel dilation and tissue swelling.

How Treatments Work

Medicinal chemistry targets different stages of this biochemical pathway to disrupt the cycle:

1. Antihistamines (Competitive Inhibition)

Molecules like **cetirizine** and **loratadine** act as competitive antagonists. They have a high affinity for H1 receptors and bind directly to them, locking histamine out. These cannot easily reverse histamine that is already bound, which is why they are most effective when taken *before* exposure. Older antihistamines cause drowsiness, whereas second-generation options like loratadine are chemically structured to avoid crossing the blood-brain barrier.

2. Sodium Cromoglicate (Cell Stabilisers)

Commonly found in eye drops, **sodium cromoglicate** works further upstream. Instead of blocking receptors after histamine is loose, it stabilises the white blood cell membrane itself, preventing cellular degranulation and stopping the initial release of histamine altogether.

3. Corticosteroids (Cellular Modulation)

Steroid nasal sprays containing molecules like **beclometasone** act deep within the cell. They downregulate the synthesis of various inflammatory proteins rather than just blocking histamine. Because they alter protein production at a cellular level, they take several days to reach full chemical effectiveness.

Combining Forces: Can You Take Them Together?

If your hay fever is truly horrendous, corticosteroids can often be used in addition to antihistamines. Because these medications target completely different parts of the biochemical pathway, combining them can attack the allergic response from multiple angles. Just be sure to consult a pharmacist first to confirm that your specific combination of molecules is safe and optimised for you!

THE CAUSE

TREE, GRASS & WEED POLLENS

10-15%

The percentage of the UK population affected by hay fever.

90-95%

The percentage of hay fever sufferers that are allergic to grass pollens.

THE ALLERGIC RESPONSE

1

Pollen exposure results in the body misidentifying it as a threat; antibodies are released to combat it.

2

The antibodies produced bind to two types of cell in tissues - mast cells and basophils.

3

These release several chemicals, including histamine, which produce an inflammatory response.

4

Symptoms of this response include a runny nose, itching, sneezing fits, and nasal congestion.

Chemistry Club June Update: Game On!

With both the World Cup and Wimbledon kicking off this month, there is no better time to explore the fascinating **chemistry of sport!**

Throughout June, Chemistry Club is diving into the science behind everyone's favorite games. It is a fantastic, free online learning platform for 11–14-year-olds to discover how chemistry shapes their everyday lives.

What's on the pitch this month?

Students will explore key curriculum topics, including **materials, plastics, respiration, and the oxidation of metals**, by investigating:

- The cutting-edge materials used to engineer modern footballs and sportswear.
- The chemical reactions happening inside our bodies when we run and exercise.
- The secrets behind what the iconic World Cup trophy is *actually* made of.

[Join Salters Chemistry Club](#)

Superstar Shout-Outs!

A massive congratulations to our top-performing students! The following pupils have been the most consistently active on the platform for at least 6 months between October 2025 and June 2026. Fantastic effort!

•Nico B

•Lily W

Keep up the incredible work!

Important: New Data Retention Policy

Action Required: Please note that Salters Chemistry Club are updating their data retention policies. Starting **Monday 13 July 2026**, they will begin deleting student accounts that have been completely inactive for over a year.

What you need to know:

•**Who is affected?** Students who have not logged into the site at all since 13 July 2025.

•**What if they haven't finished activities?** If a student has logged in within the last year but hasn't completed any activities, their account **will not** be deleted.

•**When does this happen?** The cleanup will take place just before or during the summer holidays.

Next Steps: If you have students who want to keep their accounts but haven't logged in for over a year, please encourage them to **log into the platform before Monday 13 July 2026** to keep their account active!

Sixth Form News

Year 12

STAR of the Week

Clarise Kei entered a poetry writing competition run by *Young Writers*, and her fantastic work will be published in their latest book, 'Stranger Sagas 2026'. Well done, Clarise!

Mirror, Mirror

The mirror rippled the moment my fingers touched it.

"Okay...that's new-"

The floor vanished.

For half a second I was weightless, staring up at the ornate frame shrinking above me.

Then gravity remembered I existed. Air rushed past my ears as I dropped through darkness, my stomach somewhere near my throat.

"THIS ISN'T NORMAL!" I yelled, limbs flailing uselessly.

Shapes flickered around me-reflections, flashes of faces, versions of me I didn't recognize.

Great.

Fantastic.

I'd touched a creepy mirror and now I was falling through what looked suspiciously like..myself.

Somewhere above, someone screamed.

Probably the others.

Then the ground rushed up to meet me.

UCAS Applications

All year 12 students should have completed the Funding and Finance and Education section of their UCAS forms. Students should be completing their personal details, nationality, where they live, contact information, supporting information, 'more about you' and employment sections.

- ▶ Personal details
- ▶ Nationality
- ▶ Where you live
- ▶ Contact details
- ▶ Supporting information
- ▶ Finance & funding
- ▶ More about you
- ▶ Education
- ▶ Employment

All sections of their UCAS forms need to be completed by Friday 10th July except for 'Choices' and 'Personal Statement'. Students will be spending 10th July (activity day) completing the first draft of their personal statement. Tutors and the sixth form team will be supporting students with writing the best possible personal statement to show off their considerable skills and talents.

Students should be adding course choices as they complete their university and course searches.

YEAR 12 ACTIVITY DAYS

JULY 2026

WEDNESDAY 8TH

**ARRIVE: 8:30 IN
FORM ROOMS**

FINISH: 14:30

Team Building

- Bull meadow Field.
- Dress appropriately; you will be moving around and completing tasks outside.
- You must bring water and sun cream—it might be hot!

THURSDAY 9TH

**YOU WILL NOT
ATTEND SIXTH
FORM ON THIS
DAY.**

UCAS Enhancement Day

You must engage in a supercurricular activity to add to your UCAS personal statement.

E.g. visit a museum or exhibition, watch an online lecture.

FRIDAY 10TH

**ARRIVE: 9:00
FINISH: 2:45**

UCAS Day & First Aid

- Personal Statement.
- The admin side of your UCAS application.
- 1 hour first aid training.

GREY COURT

SIXTH FORM

Students should ensure they have made further improvements to their UCAS statement in time for activities week. Students should also be working on the preparation for their pre-interview assessments.

The deadline for completing the initial application is the 6th July. If students complete this, they will be included in the drop down half day in activities week.

Work Experience

We are nearly there!

We will have a **work experience briefing on Monday 15 June in normal assembly time** - it's really important students attend to help students plan ahead for the week of work experience or summer schools 29 June to 3 July.

Students have all the information on Unifrog (or if a summer school it's been emailed by the institution) and parents/carers can access this. Students should contact their placements now to say they are looking forward to the week and see if there are any last arrangements. Students will be phoned or visited by staff that week and they will complete an evaluation form. Please speak to Ms Corrigan if you have any questions at all.

For the weekly careers opportunities bulletin please see: [GC Careers opportunities bulletin 12/06/2026](#) filled with university activities, work experience, careers talks and more

Year 13

UCAS Clearing

Clearing is how unis and colleges fill any places they still have on their courses. [What is Clearing?](#)

From 2 July to 19 October 2026, you can apply for a course using Clearing if you're not already holding an offer from a university or college, and the course still has places.

You can use Clearing if:

- you're applying after 30 June
 - you didn't receive any offers (or none you wanted to accept)
 - you didn't meet the conditions of your offers
- you've [declined your firm place](#) using the 'decline my place' button in your application

Well done to our Year 7 A&B cricketers!! We had a lovely afternoon of pairs cricket at Tiffin. Thank you for organising and officiating 2 wonderful games for our players!

Congrats! Congrats!

On 7 June, my team and I proudly represented Richmond out of 18 teams at the London Youth Games. We played four 20-minute games (consisting of 5-minute quarters) and won every single one: 45-6, 18-9, 38-5, and 23-11. The top four teams get to compete at the finals at Crystal Palace on 5 July. Wish us luck!

- **Claire Chung**

Player of the Month

Antoni
us
von
Hoff

This award goes to Antonius, who only joined Grey Court in February 2026 and is already a true rising star of the Inter Boys athletics team. His consistent hard work, determination, and commitment to improving his discus performance, has shown outstanding progression throughout the different competitions. Antonius's efforts were rewarded at the ESAA first round on Friday 15 May, where he achieved a fantastic personal best throw of 34.54m. This impressive result reflects both his dedication in training where he has been travelling to St Mary's for extra sessions and his competition mindset. Antonius has his sights set on throwing over 35 metres in the ESAA Regional Finals and continuing to make an impact for the team.

Well done, Antonius.

Performer of the Month

Millie
Morgan

Millie Morgan is our Performer of the Month in May! Millie has qualified for the British and English Summer Nationals for the first time which will take place in July at Ponds Forge in Sheffield. Millie will be competing in the 200m Fly and 100m Fly. On top of this, Millie is hoping to qualify for the Open Water National in July swimming 7.5K and 5K respectively.

To be able to qualify for the British and English Summer Nationals, Millie has competed at the London Regionals Competition in the following events. Here is how she got on:

Millie Morgan (14 age category)

Qualified to race (highlight results- all races had significant PB's):

100m Fly (3rd)

400m Individual Medley (5th)

800m Freestyle (4th)

200m Fly (2nd)

1500m Freestyle (8th)

50m Fly

400m Freestyle

Alongside her excellent commitment to swimming, Millie continues her Trampolining at Kingston Trampolining Club where she has been selected to compete for the English Club Championships at the end of May.

Millie always puts in 110% effort into everything she does inside and outside of school. Millie is a determined, hard working and passionate individual who continues to achieve. We wish you the best of luck in all your future endeavours this summer!

Scholar of the Month

Erin Watt-
Wyness

Erin has shone as an outstanding footballer, playing brilliantly as centre back at the U12 Butlins tournament. Her defensive skills were remarkable, stopping countless goals and demonstrating both composure and determination under pressure. Her commitment to the team, combined with her tactical awareness and consistency, makes her an invaluable player on the pitch.

Beyond football, Erin has shown equal dedication to the Junior Girls Athletics team, competing in both long jump and the 100m. She approaches every training session and competition with focus, energy, and a genuine desire to improve, always striving to develop her skills and push her personal limits.

Erin's perseverance, positive attitude, and dedication to growth set a strong example for her peers. She not only works hard for her own success but also inspires those around her, fostering a supportive and motivated sporting environment.

A truly exceptional ambassador for Grey Court sport, Erin should be incredibly proud of all she has achieved. Well done, Erin!

Scholar of the Month

Torres
Luca

Luca has had an outstanding month and an exceptional year at Grey Court, consistently demonstrating leadership, determination and excellence across football. As captain of the U12A football team, Luca has led by example throughout the season, showing maturity, composure and a fantastic attitude both on and off the pitch.

His performances this year culminated in an incredible achievement at the Butlins tournament, where he was deservedly named Player of the Tournament. This recognition is a reflection not only of his individual quality and consistency, but also of the positive influence he has on those around him. Luca's ability to inspire teammates, compete with confidence and perform under pressure has made him a key figure within the team.

Alongside his sporting success, Luca continues to approach all scholarship sessions with enthusiasm and a strong work ethic, always striving to improve and support others in the group. His commitment to representing Grey Court in such a positive manner has been excellent to see throughout the year.

Congratulations, Luca, on being named Scholar of the Month, a thoroughly deserved achievement. Keep up the fantastic work!

Team of the Month

U16 Achilles Athletics Relay Squad

Grey Court U16 Boys delivered an outstanding performance at the Achilles Relay event at Oxford University, producing one of the most memorable achievements of the season so far. The team was competing against very strong opposition and showed incredible speed, teamwork, and determination to win an unbelievable four relay titles. Their victories in the 4x100m, 4x200m, 4x300m, and 4x400m events highlighted their talent and consistency across every race. This group of boys are superb and will be looking to achieve more success in the ESAA Track and Field Cup later in the summer.

Team of the Month

Junior Girls Athletics Team

Congratulations to the Junior Girls Athletics Team, our Team of the Month for May 2026!

The team has performed exceptionally at both the Lee Valley Track and Field Cup and the Claremont Fan Athletics Meet, showcasing talent, determination, and incredible teamwork. From sprinting the 100m to leaping in the long jump, each athlete gave their best and represented Grey Court with skill and enthusiasm. Their commitment to training, focus during competition, and drive to continually improve have been evident in every performance.

Beyond their individual achievements, the team's spirit and camaraderie stand out. They motivate and support one another, creating an environment where everyone can thrive and push themselves to new personal bests. Their resilience, positivity, and dedication set a fantastic example for the whole school community.

As a group, the Junior Girls Athletics Team embodies the values of hard work, perseverance, and sportsmanship. They should be incredibly proud of all they have accomplished. Well done, team!

THEO POVEY

Theo Povey is in the England U20 squad for this evening's match vs Italy. He's starting on the bench, but is hoping for some minutes. Here is the [link](#).

You may have seen in last week's eBulletin that Theo played in a warm-up game for England U20 last Friday and here is the [video of the better of his 2 tries](#)

Tonight's match is in preparation for the U20 World Championships in Georgia at the end of June which Theo is hoping to be selected for.

Together we make the COMMUNITY SAFER

Keeping children safe from drugs and gangs

Interactive workshop

Friday 19 June, 10.30am to 12pm

**The Old Malden Family Hub. Lawrence
Avenue, New Malden, KT3 5NB**

**[Click for tickets](#), or
scan the QR code**

Delivered to you by Crying Sons in collaboration with Achieving for Children and Parent Carer Champions Network (PCCN)

Knowledge and awareness are power

Supercharge your skills and make a positive impact on your community. Help keep children and young people safe.

Interactive sessions: Say goodbye to boring lectures. We make learning fun and engaging!

Real-world insights: Get street-smart knowledge that you won't find in textbooks.

Empowerment: We're here to boost your confidence and equip you to face life's challenges head-on.

- **Honest and open talk about gangs:** better understanding of the reality around gangs.
- **Local drug market:** understand what's happening in your neighbourhood and London when it comes to drugs.
- **County lines:** we'll break down what county lines mean
- **Spotting the signs of grooming:** learn how to recognize grooming and protect yourself and your friends.
- **Exploitation:** find out what exploitation is and how you can fight against it.
- **Tackling violence against women and girls:** let's stand together against violence. Learn how.
- **Escape the grip of gangs and serious violence:** discover techniques to break free and stay safe.
- **The power of words:** understand why language matters and how it can shape your world.

Monday Champions Cafe

Powerstation Youth Centre

Richmond Climate Coalition presents

People's Emergency Briefing

Twickenham

Film screening and discussion

Thursday 18 June, 7–9pm
The Exchange
Twickenham TW1 1BE

Film running time: 45mins | Discussion: 1hr

JOIN US for a free community screening of a compelling new film which reveals how the UK is being affected by global climate change – now and in the near future.

Featuring evidence from scientists and leading UK experts, the People's Emergency Briefing demonstrates the serious threats climate change presents to many aspects of UK life – including health, nature and economics. It also offers credible, positive ways to respond.

Appearances from Chris Packham, Deborah Meaden and a range of voices from across the country.

The screening, one of many across the UK, will be followed by a guided discussion with the audience. It is being organised by a coalition of local environment groups.

Tickets are free but places are limited, **please book in advance.**

Tickets:

Visit www.nebriefing.org to find nationwide screenings of the People's Emergency Briefing. If there isn't one in your community yet why not consider hosting one?

People's Emergency Briefing

Ham, Richmond uponThames

What does accelerating climate change mean for you and the things you care about? What can you do about it?

Join us for this free screening, an eye-opening film where leading UK scientists discuss how climate change and nature loss affect your living costs, health, food security- and your future. All welcome, please book your space using the QR code.

EXTRA: INDUSTRY MASTERCLASS

- Explore Industry Pathways | Master Essential Soft Skills | Gain Insider Tips & Connections

Dreamcatcher Filmmaking Summer Camp 2026 – St Mary's University, Twickenham

Lights. Camera. Action. In just 5 days... You'll create your own film.

This summer, give your child the chance to step into the world of filmmaking - not just watching films, but *making one*.

At our **Dreamcatcher Film Camp**, young creatives (ages 8/9–17/18) will write, act, direct, and edit their very own short film - and take home a digital copy to share with family and friends.

From gripping storylines to high-energy chase scenes, from heroes and villains to powerful performances - every film is completely original, created by the students themselves in age-appropriate groups.

What makes this special?

This isn't a passive course. It's hands-on, and deeply creative:

-  Create a film from scratch in just 5 days
-  Act, direct, and work behind the camera
-  Learn real editing and storytelling skills
-  Be guided by experienced industry professionals
-  Build confidence, teamwork, and creative thinking

By the end of the week, students don't just leave with a film - they leave with the skills and confidence to make more.

Camp Details:

 Location: St Mary's University, Twickenham

 Dates: Weekly from **Monday 7th July – end of August**

 Time: **9:00am – 2:00pm (Monday–Friday)**

Limited places available each week.

Book now:

About Us :

Jo Garofalo – Co-Founder & Creative Director

Jo trained at Laine Theatre Arts and has performed extensively across the UK and internationally, including the West End and tours. With over 20 years' experience producing music and television content alongside her husband, she has worked with world-renowned artists. As Co-Founder and Creative Director of Voice in a Million for the past 17 years, Jo brings exceptional industry knowledge, creativity, and a passion for developing young performers.

Neil Shrimpton – Musical Director

Neil is a classically trained pianist and composer, graduating from the London College of Music with a postgraduate diploma in composing for film and television. With a diverse career as a performer, teacher, and musical director, Neil has led Voice in a Million as Musical Director for 17 years. He is responsible for conducting the mass choir, developing harmonies, and producing all musical arrangements, bringing outstanding musical expertise to every performance.
