**Athletics | St Mary's Athletics | England**

**Sport / discipline:** Athletics - Pentathlon

**Competition level:** International, national, county and regional levels

## ATHLETE PROFILE

Joshua is a highly versatile athlete who competes across sprints, hurdles, jumps and throws in the pentathlon. His nomination is built on all-round athletic ability, resilience and a strong competitive mindset.

## 2025/26 SEASON HIGHLIGHTS

- Represented Middlesex at English Schools in shot put and 4x100m relay.
- 5th in the English Championships 80m hurdles final, running 11.45s.
- 4th at the national multi-events with 2999 points, earning his first England vest.
- Represented England in Glasgow, scoring 3342 points, winning individual silver and team gold.
- PBs: 60m - 7.47s; 80mH - 11.45s; 200m - 23.50s; shot put - 14.55m; long jump - 6.05m; indoor pentathlon - 3394 points.
- Ranked UK No. 1 for U16 300m hurdles.

### Training commitment

Completes around 12 hours of athletics each week, including sprint hurdles, throws, jumps, pole vault, strength and conditioning, gym work and additional running.

### Positive impact

Arrives with a positive, focused attitude, trains with full effort and supports younger athletes. A strong presence and leader within the athletics squad.

### Challenge and response

Recovered from lower back and calf injuries and managed personal stress during the season. He rebuilt strength, improved form and maintained motivation through difficult periods to earn his England vest.

### Aspirations

**Short term:** Compete in the U17 indoor national octathlon, win U16 300m hurdles gold at ESAA, and climb the UK rankings.

**Long term:** Qualify for major international championships, including European, World and Olympic level.

Join us to celebrate our outstanding artists from GCSE and ALevel Art and Design on Tuesday 7th July between 5.30-7.30pm. Artworks will be displayed in The Atrium Gallery and Grey Court Sixth Form. Refreshments will be provided.

## PLEASE SPONSOR YOUR GREY COURT TIGRESSES!

**On Sunday, 19th July**, an unwitting pride of sixteen Grey Court mums are racing in the Kingston Dragon Boat Festival, in an effort to raise as much money as possible for Grey Court School. 2026 marks our third attempt at gold and with your help, it could be a *roaring* success!!!

**'They'rrrrre GREY-TI!** are training hard, but our raised pulses and blistered digits will all have been in vain without a willingness from you to fill up the kitty! We're *preying* that you'll support us by donating what you're able by clicking [here](#). All donations, large or small, help so please just sponsor what you can. Every penny raised goes straight into the Grey Court School Education Fund, in support of at least 1495 local kids' futures.

Wish us luck! Better still, help make it a purrfect day by popping along to Canbury Gardens - Sunday, July 19th - to cheer us on!!

Thank you... 🐾

# KS3+4 NEWS

A lot of Y7s were involved in the Matilda show yesterday and today. It was a fantastic show and it was amazing to see how talented the students were! Well done to everyone who performed, participated and helped in any way, we are proud of you!

Today's assembly was about activity week! Students were told what they were going to do on each day and what to bring. It will be an exciting few days with a lot of nice activities but behaviour expectations remain just as high. For all information on activity week, see the letters that were sent out on Monday 29/06.

## Calligraphy Creations

Our Year 7 Mandarin students have been busy blending their impressive language skills with some formidable artistic flair to create their very own 字画 (zì huà; character posters). Proclamations included 爱 (love), 友 (friendship) and 茶 (tea), along with ancient idioms such as 千里之行始于足下 (A journey with a thousand miles begins with a single step), which our more learned ebulletin readers will no doubt recognise as the work of Taoist philosopher Laozi.

Big thanks to the art department for kindly providing the students with ink, paper and calligraphy brushes.

莫老师 (Mò lǎoshī)  
aka Mr McCrohan

As we race towards the end of another fantastic year, a huge congratulations goes to our conduct champions this week: Dries, Noah N, Meryam, and Sophia S. Keep up the brilliant work!

Excitement is building as Activity Week is almost here - from Wednesday to Friday next week, students will be taking part in a range of exciting trips and activities. Please take a few moments to double-check the information sent home, including where students need to be, what time they should arrive, and anything they need to bring.

The forecast is looking very warm, so a quick reminder that students should come prepared with a refillable water bottle, sun cream, and a hat each day as a lot of the activities are outside.

Finally - please make sure that students are cycling sensibly around school in the local community.

Head of Year

A huge well done for the amazing number of students who participated in the Duke of Edinburgh trip last weekend. In assembly this week Programme Leaders Mr Allchurch and Miss Mannion presented awards for specific teams and individuals who shone on the trip. Well done to Nina F, Sophie S, Jeevan M and Ayanfe A for their individual awards - and to Group 8 for the team award. It is a brilliant programme and all the students seemed to have had a great time - applications of the Silver Award are now open and I would like to see many of the Y9 students apply.

It has also been fantastic to see applications coming in for the BEGREAT Programme which runs in KS4. This is another opportunity for students to take part in a scheme which builds leadership skills. We discussed in assembly the importance of these sorts of activities for students to be getting involved with for their personal statements when looking to join sixth form or college.

Next week we have activity week On Wednesday, Thursday and Friday. Details for this have been sent home and have been discussed in tutor times. In particular could students make themselves aware of the times and locations they need to arrive, and also the uniform they are expected to be in. We are again expecting hot weather so students have been advised about staying safe in the what - including bringing water bottles, hats and sun cream if required.

It has been another fantastic week for Year 10!

Our Spanish students are having an amazing time in Valencia, enjoying the opportunity to immerse themselves in the language and culture.

Our Work Experience Programme has also been a huge success. It has been wonderful to see our students thriving in the workplace and gaining such valuable experiences. We are incredibly proud of how they have represented the school.

Looking ahead, next week is Activities Week. Please make sure you have read the letters sent home and, if you haven't already, complete the Google Form with your child's details. It is important that we receive a response for every student so we can identify any

## Our very own celebrities

Move over A-listers! Our very own celebrities, Bernie and Emad, swapped the office for Court One on Monday, enjoying a well-earned day out at Wimbledon. Between the world-class tennis, strawberries and cream, and a little celebrity spotting of their own, we're not saying they were mistaken for the headline act... but we're not ruling it out either!

### **Self Care**

**With the long summer holidays coming up, it is important that young people are able to look after themselves in the best way possible.**

Self-care is all about what you can do to help yourself feel better or to keep yourself feeling good. It's a way that we can look after our own mental health and wellbeing.

Everyone's approach to self-care will look different. What works for you might not work for others. There are lots of different self-care strategies so you can try out different ones until you find something that works for you.

This [resource](#) walks young people through a series of steps, helping them create a detailed self-care plan that works for them.

The plan helps young people identify activities that they can use to support their mental health. It's adaptable on a weekly or monthly basis, so that it can fit differing schedules or priorities.

## Supporting families and professionals

July's shaping up to be another sun-filled month as the schools wind down to the end of term. Naturally, our focus now switches to the impact extended time off can have on children with ADHD due to the loss of a predictable term-time structure. What's our no.1 tip to limit meltdowns? Maintain consistent sleep and meal times wherever possible, and alternate between high-energy physical activities and calming, interest-based downtime. Good luck!

Our event calendar is winding down for the summer but we still have places on our last [Post Diagnosis Workshop](#) of the school year, on 7 July. or pre-book for autumn term events. Our [Advice Clinic](#) is still taking bookings in July or you can book ahead for next term.

We recently celebrated Small Charity Week where we highlighted our work and services which really make a difference. If you wish to show your support for us, consider [getting involved](#) or make a one-off [donation](#). We want to do more to support children with ADHD, their families, and the professionals who play a key role too. And with your help, we can. And don't forget the application process to join our 2027 TCS London Marathon running team is underway. Final submissions 31 July.

# Success in the Cambridge Chemistry Challenge

Earlier in June, a group of our students took part in the Cambridge Chemistry Challenge, a demanding national competition designed to stretch students beyond the A level Chemistry curriculum. The challenge tests chemical knowledge, problem-solving skills and the ability to apply familiar ideas in unfamiliar contexts.

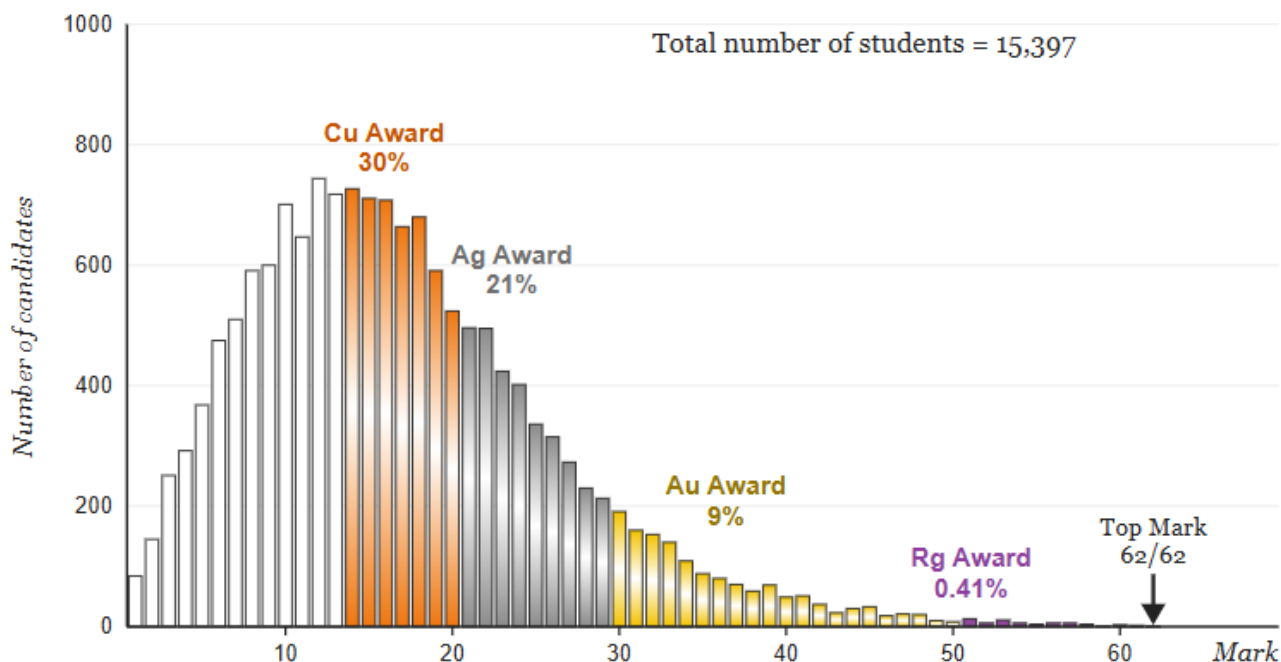

Our students achieved some excellent results. Frank and Matthew received Gold awards, placing them within approximately the top 9% of more than 15,000 students who took part nationally. This is a huge achievement and reflects both their strong chemical understanding and their ability to tackle exceptionally challenging problems.

Gabi, Enoch, Cass and Mitchell achieved Silver awards, while Sam, Komal, Saanvi, Martha, Hazel and Andrew received Copper awards.

Congratulations to everyone who took part. Their results are a fantastic reflection of their hard work, resilience and enthusiasm for Chemistry.

## Sports Day

Wednesday 15 July (during enrichment)

Students will need to bring sports kits on that day and it would be great if everyone was in their house colours. Pupils have been able to sign up for events this week and can still do so. The house prefects are taking a lead role in organising participation and so please see them if you'd like to compete!

As an inclusive event there are some unusual events such as speed puzzle solving, interhouse giant Jenga and EAFC, along with sports day classics such as the egg and spoon race and tug of war. This is always a really fun way to end the year and we're looking forward to seeing the students celebrate together.

[Please complete this following Google form if you would like to participate.](#)

# EPQ

Students who want to participate in the drop down sessions on the 7th July need to ensure the initial application is completed by the 6th July at the very latest. Students will be invited to a double period session on that day.

# Oxbridge

Students should aim to work on a second draft of their UCAS questions prior to the UCAS Focus Day on the 10th July. Students will need to finally confirm their choice of University and course to ensure their summer preparation can be appropriately targeted.

# Work Experience & Summer Schools Week 29 June to 3 July

Well done year 12 on a fantastic week of placements - the feedback has been fantastic and we hope you have learnt a lot not only about the world of work but about your strengths and an insight into future pathways. Thank you to all the staff who visited students all around London, we have such a dedicated team who will be showing off your successes in a celebratory post in the ebulletin next week.

**Thank you** to all the Grey Court community who have supported us by offering placements - we are lucky to have such a great network and offer the students amazing opportunities.

# Player of the Month

## Evander Bye

Congratulations to Boys' PE Player of the Month for June, Evander Bye. Evander's progress over the past year has been exceptional. Having not featured in the athletics team last season, he has shown tremendous dedication and commitment to his training and has developed into one of our most promising young athletes.

His performances this season have been outstanding. At the Borough Athletics Championships, Evander produced a superb 200m personal best of 24.4 seconds to win his heat before backing it up with an impressive 24.8 seconds in the final to claim the gold medal.

He has also achieved personal bests of 12.45 seconds in the 100m and 9.98m in the triple jump, highlighting both his speed and athletic versatility.

Much of this success is down to the hard work he puts in week after week, training twice a week with Wimbledon Hercules in addition to his sessions with Grey Court. His commitment has already seen him qualify for the Middlesex Championships, while he also has his sights firmly set on competing at the Surrey Championships with Wimbledon. Regular appearances in Epsom & Ewell League meetings over the 100m, 200m and relay events are helping him gain valuable competitive experience early in the season.

Evander has set himself ambitious targets of breaking 12 seconds for the 100m and 24 seconds for the 200m this year, and based on his current trajectory, these goals are well within reach.

Away from athletics, Evander is also a talented rugby player. The speed, power and athleticism he has developed on the track will be a huge asset on the rugby field, where he will be hoping to challenge for a place in the U16 Rugby 7s squad that will go to the Rosslyn Park National 7s tournament next March.

Evander's attitude, work ethic and determination to improve make him thoroughly deserving of this month's Player of the Month award. Keep going, Evander and we look forward to seeing your progress on the track!

# Performer of the Month

## Ruby Rock

Performer of the month goes to **Ruby Rock**, who has been chosen for her outstanding performances not only on the athletics track but on the football field too. Ruby has shown hard work and dedication to her training all year round, continuing to improve with every session.

Ruby has had a fantastic season on the football pitch, scoring lots of crucial goals and making a real impact for her team. She leads by example both on and off the pitch, and her commitment has made her a fantastic role model for her peers and teammates.

Ruby started the year with strong contributions to the cross country team, putting in the miles and showing determination despite a setback due to injury earlier this year. Her standout moment came at the recent ESAA Regional Finals, where she clocked a brilliant personal record of 2 minutes 14 seconds in the 800m.

Ruby is a fantastic leader both in training and in competition, and we look forward to seeing her continue to build on this success.

Well done Ruby!

# Scholar of the Month

## Francesco Angelucci

Francesco has continued to demonstrate outstanding dedication and commitment to his tennis, combining a strong work ethic with an impressive list of achievements both in school and club competition. He trains every day except Mondays and consistently shows the discipline and determination needed to compete at a high level.

His performances this year have been excellent. Representing Grey Court, he reached the quarter-finals of the LTA cup and is looking to get into the semi finals in the next week. He also finished 3rd in the schools *Play Your Way to Wimbledon* competition. He has also enjoyed success for his club, YMCA, winning a tournament at Tennis Avenue and his team reached the final of the LTA Cup.

What stands out most about Francesco is his commitment to continual improvement. He approaches both training and competition with maturity and enthusiasm, always looking to develop his game and embrace new challenges. His dedication and consistency have been rewarded with success, and he is a fantastic example of the values we look to promote within the scholarship programme.

Well done, Francesco, a thoroughly deserved Scholar of the Month award.

# Scholar of the Month

## Olivia Fisher

Olivia has demonstrated exceptional dedication and commitment to athletics throughout the year, representing the school with distinction across both borough competitions and at the ESAA Regional Finals. Her achievements reflect not only her natural athletic ability but also the hard work, determination, and perseverance she consistently displays in training and competition.

Olivia has embraced every opportunity to compete at a high level, balancing the demands of training with her academic commitments while maintaining a positive and focused attitude. Her selection for and participation in the ESAA Regional Finals is a testament to her talent and commitment to continually improving her performance.

Olivia's commitment to athletics, her determination to succeed, and her positive attitude make her an excellent ambassador for Grey Court sport. She should be incredibly proud of all she has accomplished this year.

Well done, Olivia!

# Team of the Month

## U15 Girls Cricket Team

Congratulations to our U15 Girls Cricket Team, who have been named Team of the Month after their fantastic victory in the Knight and Stoke Cup.

The girls reached the final against Grey Coat School at Crouch End Cricket Club, and their success is a testament to the hard work and determination they have shown throughout the season. The journey to the final was not without its challenges, with several last-minute changes to the team, but the squad showed tremendous resilience and character.

Every player stepped up when it mattered most, pulling together as a team and giving their all on the day. Their positive attitude, teamwork, and support for one another were evident throughout the competition and played a huge part in securing the trophy.

This achievement reflects not only their talent on the cricket field but also the dedication they have shown in training and their willingness to work hard for each other. We are incredibly proud of everything they have accomplished and look forward to seeing what they can achieve next.

Well done, girls, on a thoroughly deserved Knight and Stoke Cup victory!

# Team of the Month

## Junior and Inter ESAA

### Athletics Team

It is brilliant to be able to celebrate the outstanding achievements of our Junior Boys' and Intermediate Boys' Track and Field teams, who were both crowned champions at the North London Regional A Final at Woodside Stadium on Monday 15th June. We competed against the strongest schools in the region, and both teams delivered exceptional performances across a wide range of track and field events. This remarkable success reflects the hard work, commitment, and determination shown by every team member throughout the season. Reaching the National final on Saturday 4th July is a significant achievement and one that the entire Grey Court community can be proud of.

A fantastic season for Grey Court athletics. Well done to everyone involved.

## **Dreamcatcher Filmmaking Summer Camp 2026 – St Mary's University, Twickenham**

**Lights. Camera. Action. In just 5 days... You'll create your own film.**

This summer, give your child the chance to step into the world of filmmaking - not just watching films, but *making one*.

At our **Dreamcatcher Film Camp**, young creatives (ages 8/9–17/18) will write, act, direct, and edit their very own short film - and take home a digital copy to share with family and friends.

From gripping storylines to high-energy chase scenes, from heroes and villains to powerful performances - every film is completely original, created by the students themselves in age-appropriate groups.

### **What makes this special?**

This isn't a passive course. It's hands-on, and deeply creative:

-  Create a film from scratch in just 5 days
-  Act, direct, and work behind the camera
-  Learn real editing and storytelling skills
-  Be guided by experienced industry professionals
-  Build confidence, teamwork, and creative thinking

By the end of the week, students don't just leave with a film - they leave with the skills and confidence to make more.

### **Camp Details:**

 Location: St Mary's University, Twickenham

 Dates: Weekly from **Monday 7th July – end of August**

 Time: **9:00am – 2:00pm (Monday–Friday)**

**Limited places available each week.**
