G-fest 2026

A HUGE Thank You!

A massive thank you to everyone who pitched in on Saturday! Together, we managed to raise an incredible **£14,000** - which is completely mind-blowing and makes such a huge difference!

Whether you spent the rest of the weekend smelling distinctly of sizzled onions and BBQ, donated ice and waffles, or dashed off to the local shop when supplies ran low, your support was invaluable. A special shoutout to everyone who stayed past their shift or jumped in to help out at a busy stall - you were absolute stars!

For me, one of the sweetest moments was watching parents working side-by-side with their Sixth Formers. It was such a special, full-circle moment to see them all grown up and mucking in together.

While raising that much money is wonderful (and very close to my heart!), my favourite part was seeing our community come together to make fantastic memories. It's these moments that make Grey Court so special to all of us.

I'm sure I'll catch up with many of you around school over the coming weeks, but if not, mark your calendars! I can't wait to welcome you back for:

- The Christmas Performance:** Thursday 10 December
- Comedy Night:** Friday 5 February 2027

Thank you all once again for making it such a memorable day!

Maddy Thomas
Director of Development

G-Fest

I haven't had much to do with the school so far so. Part of my motivation in volunteering was to spend some time at the school and see the place where my son spends his time and see him with his friends, peers, and the school community. The upshot was that I loved it and was a fab experience and further endeared me to Grey Court and its community!

- year 9 parent

KS3+4
NEWS

Water Safety

The fact that Grey Court School is in such close proximity to the River Thames is a true blessing. The river serves as a wonderful leisure amenity, a source of well-being, allowing our staff, parents, and students to remain close to nature. However, it is also a source of significant danger - particularly when young people swim unsupervised, in an unregulated manner, or without adequate swimming ability.

An Incident Brought to Our Attention

While the actions of students outside of school hours are beyond our direct control, river safety remains a crucial area where education can save lives. Last week, we received a letter from a concerned local resident detailing a serious incident that occurred over the summer near Teddington Lock:

"We were in a hired GoBoat from Kingston when we noticed four boys in the water, two-thirds of the way across the river. They had swum out from the bank and quickly got into trouble, calling for help as one child struggled to stay afloat.

We got as close as possible, and one of our party entered the water in a lifejacket to assist. The child had no strength left to hold the rope we threw out. We managed to pull two of the boys into our boat—both were fully conscious, but the boy in distress was completely exhausted and in shock. The other two boys managed to swim back to the bank with support.

The boys had swum too far out, beyond the reach of any lifebuoy, and did not know how to float to conserve energy or help themselves. It was a frightening experience for everyone involved."

As we reach the end of the warm weather season, we must reinforce vital safety messages to prevent an unnecessary tragedy within our school and local community

Water Safety Education: we encourage all parents to discuss water safety at home. Please review the [Royal Life Saving Society Safety Video](#) with your child, which highlights critical survival techniques - most notably the **"Float to Live"** advice.

Lifesaving Courses at Local Pools: for students looking to learn a practical, life-saving skill, we strongly recommend signing up for lifesaving courses at our local swimming pool. Beyond providing vital safety skills, qualification as a trained lifesaver offers excellent part-time employment opportunities for older students.

Thank you for your ongoing support in keeping our students and community safe.

Richard Clements
Deputy Headteacher

KS3 Maths Surgery

KS3 Maths surgery is held every Thursday afternoon from 3-4pm in M3.

This is a great opportunity to receive support with homework as well as consolidating the work you are completing in class.

Chromebooks will be provided to support students with independent study.

Any questions? Speak to Mr Edmonds

sparx

Maths. Reimagined.

www.sparx.co.uk

With Mr Ridley on shared parental leave, it falls to me, Mr Holden, to report back on Y7 this week. All week, I have been delivering assemblies on attendance to each year group, and Friday was the turn of Y7.

As well as featuring Taylor Swift and Charles Dickens as figures who demonstrate dedication to their craft, the key figure I held up was Michael Jordan. "Excellence isn't a one-week or one-year ideal. It is a constant." This epitomises the attitude that we wish to instil in students at Grey Court. It was clear from the Y7s' faces that they were raring to take on the challenge, with the prospect of a lunch queue skip pass or a free sponge throw at myself or one of the Y7 team if they are able to maintain 100% attendance from now until the end of half term!

The weekly tutor challenge continued this week with a competition to create the tallest tower out of paper, with the winners to be announced next week.

This week's PDW session was titled 'When Does Conflict Become Abuse?'. This involved some serious discussions, with students reported to have managed themselves well, shared ideas for the benefit of all, and demonstrated maturity while discussing a difficult topic.

We had an amazing turnout for our Y7 Parents' Information Evening. Thank you to everyone who attended. If you have any feedback, please send it to me so that we can continue striving to be responsive to the needs of our Y7 community.

If anyone has not yet contacted me about not having EduLink or SCOPAY access, please do so and I will arrange for this to be sent to you.

Jon Holden
Assistant Headteacher

**Year 7 curriculum booklet and
presentation**

Happy Friday! We made it through another week!

First up, a massive round of applause for our Conduct Champions of the week: **Minnie T** (again!!) and **Harry W!**

In PDW this week, we tackled the very real dangers of vaping. The kids were very engaged. We covered the health risks, the clever marketing tricks, and why "everyone is doing it" is officially a myth.

Thursday's assembly shifted gears to attendance and its direct link to academic success. Bottom line: showing up matters. Every day missed is a missing piece of the puzzle, and while your bed is warm, school is where the magic happens.

Have a wonderful, restful weekend, see everyone bright and early on Monday!

Emila Gilly
Head of Year

Year 9 curriculum booklet and presentation

Year 8 curriculum booklet and presentation

Well done Year 10 on another successful week!

A special shout out to those Front of House Leaders who helped out with the Careers Evening yesterday evening and represented Grey Court so well.

In today's news, a group of 34 GCSE Art students have embarked on an Art Trip to Hayward Gallery this morning, which is an exciting opportunity for these students to explore their course in the real world.

Looking forward to another great week ahead next week Year 10!

Sara Handzar
Head of Year 10

[Year 10 curriculum booklet and presentation](#)

Year 11 have had a fantastic week, including a highly successful Careers Evening this Thursday, which provided students with a valuable opportunity to explore their options and think about their next steps beyond school.

Next week also sees the start of our Booster Sessions, designed to help students get their revision underway and build confidence as they begin to turn their attention towards the trial exams taking place during the next half term. We look forward to supporting students as they prepare, and encourage them to make the most of these additional opportunities.

Dan Tandy
Head of Year

BOOST Time Table

Community Y10+Y11 Languages

If your child is fluent (native speaker) in another language, that is they can **speak, write and understand its written and oral forms**, please fill in the Google Form that was sent to you on Monday via email or alternatively direct your child to **see Ms Parimbelli in L2**.

Students will then be able to sign up to complete a Community Languages GCSE this academic year.

There will be **a cost** associated with entering your child for the examination. Further details, including the cost, will be communicated to you at a later date.

For families who are eligible for financial support with school-related costs, arrangements will be available to cover the examination fee closer to the time.

These are the languages your child can sit at Grey Court School: **Spanish, French, German, Mandarin, Cantonese, Italian, Russian, Arabic, Japanese, Urdu, Portuguese, Gujarati, Persian, Turkish, Biblical Hebrew, Polish, Bengali**

The final deadline for expressing interest is **Friday 16 October**.

Please note that the school does not provide preparation lessons or mock examinations for the Community Language exam. Students who choose to take the exam will therefore be expected to prepare independently, using the relevant exam **specification** and guidance available online.

Wellbeing

Supporting families and professionals

Welcome to our latest Newsletter, as we kick off ADHD Awareness Month, 2026.

When a community comes together, with well-supported charities at its heart, no one affected by ADHD should feel they are facing it alone. Every child with ADHD, every parent and every professional needs understanding, connection and support. And we are here to help.

View our October [Events Calendar](#) for a mobile-friendly summary of all our upcoming events this month and early November. Highlights includes our next in-person [Post Diagnosis Workshop](#) for parents on 7 October, our [live Community Event](#) at Heatham House, 13 October, our 3-week [Study Skills Course for GCSE and A Level pupils](#), starting 5 November, and recently added, [Parenting Workshop for parents of children & teens with AuADHD](#) later next month.

We are really excited this week because we've been selected for Waitrose's Community Matters fundraising programme this autumn. So, grab those green tokens!

And finally, don't forget, during ADHD Awareness month in particular, that charities rely on donations too. Please consider making a [one-off donation](#) or become a fundraising hero at one of our upcoming [Challenge Events](#).

Best wishes
the team at ADHD Embrace.

Soluna is packed with activities designed alongside young people - all free.

Sixth Form News

Y12 Art

The Art Department is delighted to report on the progress of our 14 artists in Year 12 Art. They have started with sculptures inspired by Lynn Chadwick, building and then recording in our Photography Studio and through drawing.

To learn about further education opportunities in Art and Design, on Thursday 24 September the students visited Ham House. The House is currently hosting a fantastic MA exhibition by Kingston University students which we were keen for our young artists to see. The photographs speak for themselves in the focus, engagement and productivity shown on the trip.

We're excited for what is to come with this fantastic group of creatives!

Cat Bowie

G-Fest Volunteers

Above and beyond, all of them

All the 6th formers who helped on Saturday were incredible and should be incredibly proud of themselves for representing Grey Court so well.

We had feedback from parents, from the inflatable company, from the first aider, from teachers of other schools as you were so helpful

The Inflatables team said you were very adult, proactive, supportive and great with the kids.

The book stall - you literally ran the entire stall by yourselves all day which was brilliant and thank you.

The uniform stall - Ms Niss could not have managed without you!

Raffle - you were there all day and were super organised which was very helpful. Thank you

The bar helpers - Although beer may sound enticing, it is heavy and messy (Ned & Ray will attest to that!). Thank you for using your muscles so effectively. No one needs an arm day at the gym for at least a week now.

Food runners and servers - again, all day. who knew that 15kg of onions could be peeled and clicked so fast. I know you were knackered by the end of the day but you were really helpful

Sweet sellers, litter pickers, site management, listening to Ms Mannion and the face painters who saw (and heard) so many squealing little ones all day and, again, ran themselves with minimal fuss.

What a magnificent bunch of humans you are!

Maddy Thomas

Y12 Year 12

Thank you!

A huge thank you to the many students who volunteered at G-Fest last weekend, I was very impressed with the handwork and maturity of our Year 12 students! Students have also volunteered to support the Year 6 tours as well as peer monitoring. I continue to get extremely positive feedback from other staff about the new year group, keep up the good work!

Great stuff!

The Year 12s also continue to impress us with their attendance, punctuality and overall mature attitude to learning. The majority of students have now successfully completed their 35-hour challenge, so well done for getting off to an excellent start in Sixth Form.

Readiness Assessments

w/c Monday 5 October

Readiness assessments start next week and students will be taking these in lessons. This is an early opportunity for students to demonstrate that they have understood the content so far and are able to answer A-Level style questions.

Hannah Duncan
Head of Year 12

Y13 Year 13

Academic Licenses

Once students in Year 13 have completed their UCAS application they will be awarded their academic license again. This means that they will no longer be required to attend school if they have a free period. Please note that they will still be required to attend the following:

- Tutor time sessions when they have a lesson that immediately precedes or follows it
- Enrichment
- PDW
- Assembly
- Supervised Study

UCAS

Year 13s have continued to focus on the UCAS application process this week, and each week one tutor time and one PDW session is devoted to this. Students are also encouraged to finalise their applications during their free periods or supervised study sessions. Our internal deadline for this is the end of this half term, so that we have time to check through applications and add references and predicted grades.

Running the university applications process every year, sometimes the sixth form team forgets that the language of UCAS is not universally understood. To help demystify the process UCAS have produced a handy guide. Click on the link and you will be able to outsmart your child [UCAS Terms Explained](#).

There are students who are not planning on applying to university next year, and any students who would like any advice and guidance regarding apprenticeships, job applications and so on, should meet with Ms Corrigan or Mrs Tanner to discuss other options.

Miss Fincham's EPQ Update

This week, students who remained in school continued with their project research. An intrepid group of 21 visited the British Library to learn about archives and different sources of research. They were introduced to the library's treasures collection and considered what sources can tell us when designing a research question.

Miss Fincham's Oxbridge Update

All students should now have submitted their application to the school. All applications must have been received by UCAS by the 15 October. This is not the student deadline as the school needs several days to process the application. The next step is to focus on preparing for the pre-interview assessments (if their application required one). Students must confirm if they will need to submit any work as part of their application and make sure they have prepared the required pieces well in advance. We will then be working on interview preparation.

MedSoc

MedSoc students attended the 'Make me a medic' event at Ibstock Place school last week and were able to take part in a personal statement writing workshop, an ethics discussion, a mock MMI and a Q & A session with doctors. Mr Bhumbra, who coordinated the trip, was very proud of how our students conducted themselves and took an active interest in the sessions on offer. The event was a point of discussion during the Enrichment session and students reflected on some of the questions posed during the event.

Careers Fair

Thursday 1 October

It was fantastic to see so many students at the Careers Evening on Thursday - this was an invaluable opportunity to speak with people from many and varied fields of work, and to ask questions about university degrees, apprenticeship opportunities and work experience placements. It was also lovely to catch up with some ex-Grey Court students and hear about their own career paths!

Thank you!

Thank you to the year 13 Prefects who supported the event by meeting and greeting guests: Amelia, Philine, Frank and Omran - you are stars!

Opportunities Bulletin

[GC Careers opportunities bulletin 02/10/2026](#) which shows a range of careers, work experience, university and apprenticeship opportunities. These opportunities are great to add to their experience and help students think about the future. This is posted to students weekly in the year 12 and 13 notices classroom and they should be accessing this every week to take advantage of all the opportunities they are offered.

After half term we will launch the year 12 work experience programme with all the information about their work experience week which takes place 28 June - 2 July 2027.

SPORTS

News

Friday 2 October: the Grey Court golf team at Lingfield Golf Club

Surrey Cup vs Turing House

U18 match report by Jake Broome

On Wednesday 30th of September, Grey Court first team competed in their first Surrey Cup game of the season. The score was 3-1 with Austin opening the scoring with a back post header from a long throw in from Che. Minutes later Valentino comes on and scores from his first touch with a front post header from another Che long throw. Grey Court led 2-0 at half time and were very dominant. In the 2nd half, we started slowly and let them back into the game conceding a poor goal. We restored our 2 goal lead when Milo delivered a cross into the box for Xavier to head onto Jack to slot calmly past the goalie. Jake B was unlucky to concede a penalty but Freddie S made a great save to keep the score at 3-1. We controlled the rest of the match to seal the 3-1 win and make it 3 wins from 3.

Thursday 1 October: congratulations to Team 2 in 5-a-side today, Jayden T was leading goal scorer as well.

Wednesday 30 September: Our U13 Boys and Girls Table Tennis teams were both crowned Borough Champions today and progress to the next round. Superb achievement everyone.

Wednesday 30 September: Our U15s won their SNS Round 1 match against Queens College, 31-14. POM Daisy B and Coaches POM Daisy ML

Wednesday 30 September: Our U18s enjoyed a lovely afternoon of netball against Harrodian!

Thursday 1 October: U16 Netballers lost out by 2 goals today against Orleans in the league, well played all

Tuesday 29 September: great victories for the Inter Mixed team in the 4 x 50m Freestyle and Medley relay.

Saturday 26 September: superb first place for Blakely and first place overall for the year 7 girls team.

Saturday 26 September: Superb third place for Finlay at Lee Valley. Strong run ahead of the ESAA first round.

Saturday 26 September: Brilliant run by Robert (1st), Liam (2nd) and Ed (4th) at the Lee Valley Cross Country. The year 9/10 team won the team event. Well done, boys.

Saturday 26 September: superb first place for Clio and brilliant team victory for the year 8 girls at Lee Valley.

Thursday 24 September: well done to our U15A team who played at the Ibstock Netball Tournament. Great standard of netball, with lots of excellent play

Wednesday 23 September: U18A team came second in the U18 Borough Tournament. Some very close games and excellent netball from all!
Coach POM Camille

Scholar of the Month Blakeely Barrikor

Blakely Barikor

Scholar of the Month

Blakely has been selected as our Girls Scholar of the Month for September in recognition of her outstanding commitment, enthusiasm and developing sporting ability.

In a short period of time, Blakely has demonstrated a strong dedication to sport at Grey Court. She has represented the U12A team in their first School Sports Magazine Cup fixture and has also been selected for the U12 Cross Country team, who will be competing in the Lee Valley Cross Country Race this week. We look forward to following her progress and seeing her continue to develop as a young athlete.

During Scholarship lessons, Blakely has consistently demonstrated excellent teamwork, communication and enthusiasm. She has shown confidence when contributing to lessons and has supported her peers by helping to demonstrate key athletics techniques, including a range of jumps and throws.

Blakely has made an excellent start to the academic year and is a deserving recipient of this month's Girls Scholar of the Month award.

Well done, Blakely!

Player of the Month Ellen Dutton

Elen Dutton

Player of the Month

A huge congratulations to **Elen**, who has had an outstanding few months in hockey, representing Wales at the **School Games in Loughborough** and earning further recognition through a number of exciting selections.

Elen was selected for the **Hoci Cymru Emerging Girls (U18) squad** for the School Games tournament in Loughborough. It was an amazing experience for Elen and the rest of the squad, competing against England, Scotland and Ulster. The results were:

- Wales 1–2 England** – Elen set up Wales' equaliser.
- Wales 2–0 Scotland**
- Wales 2–0 Ulster**

Wales narrowly finished in **third place**, missing out on second by just one point. However, they were the only team to both **beat and score against the eventual winners, Ulster**, who went on to record impressive victories over Scotland and England.

Elen's performances at the School Games have also contributed to further opportunities, and she has subsequently been selected for the **Hockey Mentors 1st XI squad** for the 2026/27 season. The squad consists of **40 girls selected from across the country**. The fixtures provide an excellent opportunity to compete against some of the strongest independent schools in the country, including **Clifton College, the current U18 national champions**.

She has also been selected to represent Hockey Mentors at an **international indoor tournament in Holland from 27–29 November 2026**.

It is fantastic to see Elen's hard work and commitment being recognised at both national and international level. Her selection for the Wales Emerging Girls U18 squad, School Games involvement and continued selection for Hockey Mentors are a fantastic achievement and a reflection of the progress she is making in hockey.

Congratulations, Elen!

U15A Netball Team of the Month

U15 A Netball

Team of the Month

The U15 A Netball Team have enjoyed an outstanding start to the season, demonstrating exceptional determination, resilience and team spirit.

This month, the team competed in their first School Sports Magazine Cup fixture against Howard of Effingham School. It was an incredibly closely fought contest, with the scores remaining neck and neck throughout the match. At the final whistle, the game was tied, sending the teams into five minutes of extra time — yet the scores were still level!

With the match heading into Golden Goal, a rare and highly exciting conclusion to a netball fixture, the teams battled back and forth with everything to play for. Finally, Laila S produced a fantastic long-range shot to secure the winning goal for Grey Court!

This was an outstanding team performance, characterised by determination, composure and an unwavering desire to succeed. Even more impressively, this victory marks the first time that Grey Court has progressed to the next round of this competition as a team — a fantastic achievement for the players and a proud moment for the school.

The U15 A team have also represented Grey Court at the Ibstock Invitational Tournament this month, competing against some highly competitive opposition, including Surbiton, Ibstock and LEH. The experience has provided the team with valuable opportunities to test themselves against strong opposition and continue developing their skills and confidence.

Scholar of the Month Felix Williams

Felix Williams

Scholar of the Month

Felix has made a brilliant start to life at Grey Court and has thrown himself into almost everything we have offered to students on the sports field.

Felix has proved already to be one of our top basketball players, demonstrating an excellent skill level and is always looking for an opportunity to drive to the basket. We have no doubt he will play a big part for the Grey Court basketball team this season, if he keeps showing the level of quality that he's demonstrated so far.

On the football pitch, Felix has found his feet quickly in the A team, playing a pivotal role in the team's first game of the season, scoring 2 goals and player of the match in a 6-1 win against Ibstock.

Felix has also made a name for himself as a runner too - he is a regular at running club on a Thursday and is part of Mr Allan's elite group that will be working towards National titles this year. Having come through as our first Year 7 runner at this week's Lee Valley Cross Country event, finishing in 5th place overall, Felix will certainly be a great addition to that team.

Well done on a great start, Felix! Keep up the hard work and enthusiasm for all your sports - we look forward to seeing what else you go on to achieve at Grey Court!

Player of the Month Jake Broorne

Jake Broome

Player of the Month

Jake has joined us from TKA for year 12. Jake plays centre midfield and plays for Conquest Academy who are based in Isleworth. Jake trains 4 times a week and has a real passion for the game. Jake made an instant impact in his first game for the school, his work rate was outstanding and gave the team a real balance in midfield. He also delivered 2 quality set pieces which led to goals in the 4-0 victory over Woking College.

We look forward to seeing Jake develop throughout the course of the season and be a pivotal player for the team.

Team of the Month

U18 Boys Football Team

The U18 Boys Football Team won 4-0 in the Surrey Cup recently.

Two goals for Charlie Tong, one for Xavier, and one for Valentino. An excellent all round display from debutant Jake Broome in midfield. The team was brilliantly led by Che Bell with Chris Cato also showing his class at centre back.

The aim for this talented squad is to win the Surrey League this year!

'Open 2 Music' at Grey Court!

'Open 2 Music' is an instrumental music service providing tuition in schools since 2007 and we are honoured to provide lessons at Grey Court!

**** FREE TASTER LESSONS ****

**Weeks Commencing
21 & 28 September!**

We offer all pupils **Free Taster Lessons**, so if your child is interested in starting then please get in touch to register your interest, we will then book your child in for their **Free Taster Lesson!**

Learning goes far beyond music

Many research studies show learning to play an instrument can help build self-esteem, as well as increasing feelings of well-being and reducing feelings of stress and anxiety.

Choose from the instruments below and we will contact you to arrange a FREE lesson. If you would like to continue with lessons after that, prices are:

One-to-One	20 mins	£14
One-to-One	30 mins	£18

Arts Richmond Young Writers Festival 2026/27

ARTS
RICHMOND

f i X @artsrichmonduk

Arts Richmond Young Writers Festival is open to all pupils who either live or attend schools or clubs in the London Borough of Richmond upon Thames. It is their chance to demonstrate writing skills, specifically short stories or poems.

Entries are judged in four age groups with prizes for all winning entries. The shortlisted entrants are invited to a gala awards event at The Exchange Theatre Twickenham on Sunday 21st March 2027 where their work is performed by a group of young drama students.

We also produce and sell a professionally printed anthology of all the 40 shortlisted pieces of work.

Anthony Horowitz writes:

It's now been five years since I moved to Richmond and this wonderful borough continues to inspire me with its history, architecture, wild life and of course the glorious River Thames. I'm delighted to support Arts Richmond who draw on this same inspiration and, with their Young Writers Festival, encourage young people to tap into their own creative skills. Long may it continue!

Please visit our website for more information and details how to submit your work:
<https://artsrichmond.org.uk/>

Skill Focus: Teaches catching, throwing, striking, and tactical thinking.

For: Years 2- 6 All standards

When: Mondays and Thursdays during curriculum time

Cost: Free

Talented girls will be invited to HWRCC State School Cricket Academy

07801572809

j.watson@heathfield-jun.richmond.sch.uk

www.linkedin.com/in/james-watson-0639a9109

James Watson is a force of nature. He's one of the most knowledgeable and passionate cricket people I've ever met. I have supported his work for many years because I've seen first-hand the impact it has on the children he works with.

Watching him conduct a cricket session for his students is an education in itself. But it's not just about skills. His sessions are creative, joyous, collaborative and imaginative.

He's waging a one-man war against the entrenched elitism that continues to bedevil the game in this country. His optimism is genuinely inspiring.

Phil Walker, Wisden Cricket Monthly editor-in-chief
