NEWS

7SD

It has been another strong week for Y7 who are truly becoming part of Grey Court School in their own right now. This week's assembly focussed on Black History Month and was delivered by Mr Von Sun. The theme of community was explored through a number of local artists who have been residents in the area in recent history.

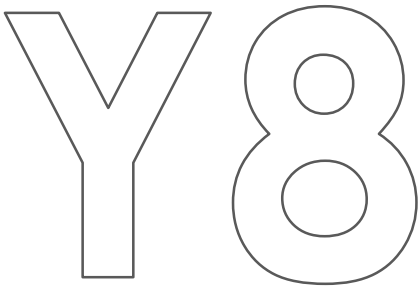

This week's tutor challenge was organised by 7 Maple and involved students making and testing a paper aeroplane whilst blindfolded, a lot of fun was had by all! Well done to 7 Willow for earning this week's assembly line up achievement points. This is a new initiative in which we reward the tutor group with the best uniform and line-up whilst waiting to go into assembly.

We have only one full week and three days remaining prior to the half term break, a well earned rest! I encourage all students to keep up their excellent effort with attendance and push on to the end of the half term, they've done fantastically well so far and we hope that continues.

As always should you have any concerns or anything to celebrate that you'd like to share please get in touch.

Jon Holden
Assistant Headteacher

We've officially survived another week, and somehow, we are only a week and a half away from a very well-deserved half-term break. The finish line is in sight!

Wednesday's Period 1 PDW took on the classic rite of passage: *what happens during puberty*. Rest assured, we delivered the facts with standard teacher calm, though I can't guarantee your child won't dramatically roll their eyes if you bring up voice breaks or awkward growth spurts over dinner this weekend.

On a more inspirational note, this morning's assembly saw Mr. Von Sun lead a brilliant and thought-provoking session for Black History Month, giving our students plenty to reflect on as we celebrate the achievements and contributions of Black figures throughout history.

Looking ahead, the excitement continues: Year 8 will be sitting their first assessments of the academic year across several subjects in the coming weeks. It's a great chance for them to show off what they've learned so far, so revision (and gentle encouragement) at home will go a long way.

Emila Gilly
Head of Year 8

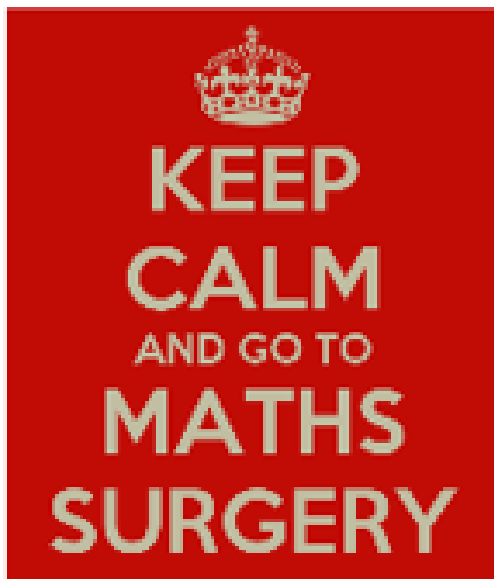

A huge well done to Dries, Arben and Almus, who are Conduct Champions once again this week. To make the list once is impressive; to do it repeatedly is becoming something of a habit! Their consistently positive behaviour, attitude and choices deserve recognition, so congratulations to all three.

This week, Mr Von Sun delivered an excellent assembly celebrating Richmond heroes of Black History Month. Students were introduced to inspiring individuals with important connections to our local area, helping us to recognise the achievements and contributions of people whose stories deserve to be heard and remembered.

In PDW, students tackled the important topic of gang violence. The session explored some of the risks and realities surrounding gangs, including the pressures young people can face and the importance of making safe, positive choices. It was a valuable opportunity for students to think carefully about the consequences of the decisions they make and where they can turn for support.

Anna Sutcliffe
Head of Year 9

KS3 Maths Surgery

KS3 Maths surgery is held every Thursday afternoon from 3-4pm in M3.

This is a great opportunity to receive support with homework as well as consolidating the work you are completing in class.

Chromebooks will be provided to support students with independent study.

Any questions? Speak to Mr Edmonds

Y10 + Y11

Year 10 has had a fantastic week representing Grey Court with Front of House leaders giving parents tours over the last few days and showcasing our school in the best way possible.

Ms Corrighan also extends a big thank you to those Front of House Leaders who also helped out with the Careers event last week - it is much appreciated!

Activity Day is fast approaching, and in next week's assembly I will be discussing the outline of the day for the Y10s.

Wishing you all a lovely weekend and next week promises to be a great week for Year 10, too!

Sara Handzar-Maldonado
Head of Year 10

It has been another busy week for Year 11, with students continuing to make good progress with their coursework across a number of subjects. With the GCSEs now firmly on the horizon, it is encouraging to see students making the most of the time available to them. Excitement is also building for those heading to Berlin, with the trip now just over a week away. We are looking forward to what promises to be a fantastic abroad experience for our students.

Dan Tandy
Head of Year 11

Y10 Art Trip to Hayward Gallery and London South Bank

Visual Research for GCSE Art Project 1: "URBAN"

Last Friday, Ms Razvand, Ms Bull and Mr Allchurch took our Year 10 GCSE Art students to the Anish Kapoor exhibition at Hayward Gallery to carry out first-hand artist research for their first coursework project.

Students were captivated by Kapoor's ambitious and immersive artworks, from his enormous sculptural installations to polished mirrored surfaces that warped and distorted their reflections, and mysterious Vantablack works and seemingly bottomless voids that challenged their perception of depth and space. They responded to the exhibition through observational sketches and written reflections, recording their thoughts and reactions to the scale and sensory qualities of the work.

Photo taken by Maya P. 10W

The trip also gave students the opportunity to explore the South Bank as an extension of their Urban project. They observed and recorded examples of the area's distinctive Brutalist architecture before undertaking an urban photography challenge, capturing textures, structures, viewpoints, street art and everyday city life. Their exploration took them through locations including the Southbank Undercroft skate park and the colourful graffiti-covered Leake Street Arches.

It was a fantastic opportunity for students to experience contemporary art and architecture first-hand and to gather a rich collection of drawings, photographs and ideas that will now inform the development of their own GCSE coursework.

BOOST Time Table

Community Y10+Y11 Languages

If your child is fluent (native speaker) in another language, that is they can **speak, write and understand its written and oral forms**, please fill in the Google Form that was sent to you on Monday via email or alternatively direct your child to **see Ms Parimbelli in L2**.

Students will then be able to sign up to complete a Community Languages GCSE this academic year.

There will be **a cost** associated with entering your child for the examination. Further details, including the cost, will be communicated to you at a later date.

For families who are eligible for financial support with school-related costs, arrangements will be available to cover the examination fee closer to the time.

These are the languages your child can sit at Grey Court School: **Spanish, French, German, Mandarin, Cantonese, Italian, Russian, Arabic, Japanese, Urdu, Portuguese, Gujarati, Persian, Turkish, Biblical Hebrew, Polish, Bengali**

The final deadline for expressing interest is **Friday 16 October**.

Please note that the school does not provide preparation lessons or mock examinations for the Community Language exam. Students who choose to take the exam will therefore be expected to prepare independently, using the relevant exam **specification** and guidance available online.

Gate-keeper of the V Price cycle super highway!

Definition: A gatekeeper is a person, system, or organization that controls access to a place, resource, decision-maker, or specific status.

Mr Clements

In my role as Ms Price's humble minion, I have received an officially unofficial promotion this year: I am now allowed to stand next to the great matriarch by the school front gate and control the flow of children as they skip out like an army of happy dormice!

This is a considerable promotion - as I have noticed that there is a hierarchy of duties senior leaders must work through until they are allowed by the front gate: Toilets (aspiring senior leaders), zebra crossing (associate assistant heads) bus duty/bull meadow gate (assistant heads) Ham Parade/Sandy Lane/Teddington Lock (Deputy Heads), The Front GATE! (The headteacher, CEO...and designated chief minion.) My job now involves - chatting to parents, encouraging pick ups and drop offs away from the school safety zone, stewarding students to the zebra crossing, stopping students from walking directly into the road, patting dogs and ponies and encouraging students to walk their bikes out of the school premises.

It is actually quite a cheery job and I have now mastered the art of getting students to wear their blazers by 1. Offering to hold their bags as they untie or unfurl this crumpled garment and place it on their person. 2. By claiming performatively that they are doing huge reputational damage to the school if they walk into the community sans this hallowed cloak of belonging!

And so - on the subject of bikes - I would like parents to help by reminding their charges that: whilst we encourage students to ride their bikes TO and FROM school we really need them to walk their bikes when they are in the school grounds. This is especially important since the construction of the munificently named Victoria Price super-highway - the Roman style straight road - that leads down from the state-of-the-art-nuclear fusion ready - new science building. Student bike riders tend to build up Mark Cavendish levels of speed if they ride down this avenue and with 1654 students leaving the site at 3pm every day they can only exit at walking pace if they are actually walking!

In addition, I received a worrying email from a witness to a road accident from a local resident this morning which read as follows: "This morning, one of your pupils was lying on the road near our home and had just been in a collision. We really hope all is ok with him now. There were several members of the public with him, and he had obviously hit the back of his head very hard. One of the members of the public was saying very gently to him 'you really need to have that helmet on', and we saw once again he had a helmet, but it was dangling from his handlebars." It is frustrating that the wearing of cycle helmets is not enshrined in law, but we would urge students to wear their helmet to and from school rather than hang them from their handle bars.

On other bike-related matters please note that lower school students should not be depositing bikes in the sixth form bicycle racks as this induces levels of injustice and ire in the Sixth formers last seen by the peasants at the dawn of the Russian revolution. Lower school students will know it is the Sixth form bicycle racks when they see the sign SIXTH FORM BICYCLE RACKS.

Students are also reminded to walk their bikes carefully around the site on designated paths as a number of staff cars have been damaged recently by students taking short cuts whilst riding their Raleigh choppers between parked cars.

Finally, in my more official role as gatekeeper of the school's status in the local community, I took a call from a distressed elderly resident. Whilst the lady was at great pains to tell me that the majority of Grey Court students were "delightful" and "wonderful" (they were undoubtedly walking their bikes, wearing helmets and wearing the school blazer I assured her!), she had recently been bumped into by a Grey Court student at the junction of Loch Road as they attempted to navigate their way around the roadworks. Unfortunately, the student had refused to apologise and stomped off which had made the lady feel "invisible."

This message made me very sad as conflict of any kind is always avoidable and as a school we do not want the majority of students to be "delightful;" we want ALL of our students to be "delightful." This means that everyone should behave in a civilised and responsible manner!

Mr Holden and I, are now strolling down Ham Road to the junction of Loch Road at the end of the school day to check that Grey Court students are being civilised and responsible. I have also invited the local lady to my very office for a cup of tea and a chat in the near future!

On a more positive note - rather than pavement hopping desperadoes our trip revealed the wonderful sight of three year 7s sitting on the bench by the German church having a nice chat in the Autumn sunshine. So on that positive note, I will bid everyone farewell for the week and go back to my late afternoon job of patting the new turf down by the science block that the foxes allegedly roll up every evening! This middle-aged suburban man ritual is wonderful for my well-being!

Mrs Meadows earns a PB at Kingston Half Marathon

Three weeks after her ultra-running feat in Lake District, Mrs Meadows earned a PB of 1 hour and 45 minutes at the Kingston Half Marathon on Sunday, placing her sixth in her age category.

Next Stop: Valencia Marathon - wish her luck as she tackles 26.2 miles in December!

Wellbeing

**EVERYONE DESERVES
GOOD MENTAL HEALTH**

mentalhealth.org.uk/wmhd

Our top tips to listen better

How to support someone's mental health through listening well.

1. FIND A GOOD TIME AND SPACE

If you're worried about someone, choose a time to talk when you won't be rushed, and a space where you won't be interrupted or distracted.

2. LISTEN TO UNDERSTAND

Focus on listening to understand, not to respond. This can make a big difference to making someone feel heard.

3. ACTIVELY LISTEN

Show them that you're listening by facing them, making eye contact, and not interrupting. If you ask questions, keep them open and aimed at clarifying.

4. ASK, DON'T TELL

Don't rush to offer a solution. Instead, try to ask what you can do to help. They might want practical support, like help contacting their GP. Or they may simply want a listening ear.

5. CHECK IN

Keep checking in so that they know they can come to you again. If you're worried that they need more support, you can encourage them to talk to their GP or contact a mental health service:
[mentalhealth.org.uk/get-help](https://www.mentalhealth.org.uk/get-help)

Everyone deserves good mental health.

Supporting families and professionals

Welcome to our latest Newsletter, as we kick off ADHD Awareness Month, 2026.

When a community comes together, with well-supported charities at its heart, no one affected by ADHD should feel they are facing it alone. Every child with ADHD, every parent and every professional needs understanding, connection and support. And we are here to help.

View our October [Events Calendar](#) for a mobile-friendly summary of all our upcoming events this month and early November. Highlights includes our next in-person [Post Diagnosis Workshop](#) for parents on 7 October, our [live Community Event](#) at Heatham House, 13 October, our 3-week [Study Skills Course for GCSE and A Level pupils](#), starting 5 November, and recently added, [Parenting Workshop for parents of children & teens with AuADHD](#) later next month.

We are really excited this week because we've been selected for Waitrose's Community Matters fundraising programme this autumn. So, grab those green tokens!

And finally, don't forget, during ADHD Awareness month in particular, that charities rely on donations too. Please consider making a [one-off donation](#) or become a fundraising hero at one of our upcoming [Challenge Events](#).

Best wishes
the team at ADHD Embrace.

Careers
with Ms Corrighan

Careers Fair 2026

Last Thursday we held our annual Careers Fair and it was a great night for our students to explore different options and engage with a wide range of people from industry, and education who can talk to them about their career journeys and share their expertise. This event was for Year 11-13 students and we had over 60 volunteers and organisations attending. We also had a range of colleges and universities to allow students to think about the range of options available to them at post 16 and 18.

Thank you to all our contacts within the Grey Court community, including parents/carers who gave up their evening and a big shout out to Mr Clarke who represented the teaching profession. Thank you to Tiffany Barwick, who is our Enterprise Adviser from We Communications, who supports us behind the scenes as well as at these events. Finally, thank you to all the staff involved in organising and running the event - it's a big team effort and staff are always fantastic.

A big shout out to all our alumni who came back and spoke to students about their journey since leaving Grey Court - we have all age ranges from Graham, who came to the school in the 60s and had a very successful career with IBM and Faisal, who attended our sixth form and is now doing a PhD in Physics. Also a shout out to alumni: Matt, Martin, Neil who are regular supporters of our events. We are so lucky to have supportive alumni who give back to the school.

As a school we are proud to hold the 'Quality in Careers Standard' which shows commitment to providing outstanding careers provision to our students. We are going for re accreditation this academic year. The careers fair is an example of how we enable our students to not only learn more about future careers but also develop their networking skills, which is a vital skill going forward in the world of work.

Work Ready

Thrive in our digital
world by getting Work
Ready today.

Reminder to Year 11s

Just a reminder that open days are coming up for colleges and sixth forms that you can attend to find out more about the range of local options. We encourage you to apply to 2-3 providers. The GC sixth form open evening is Thursday 5 November. In PDW, we have been doing personal statements to help you complete your sixth form applications.

Also in PDW this term, we have spoken about using [Unifrog](#) as a careers resource, interview skills, and next half term we will have a speaker on apprenticeships.

September at Grey Court Catering Review

Staff of the month

KHALID

-End of Month Catering Review-

- Our Culinary Director, Tom, visited the school to provide feedback on the service and operation. As a result, we are looking at improving the 6th form offer and adding a few new items. We are currently making a plan ready to discuss next week.
- We participated in Snacktember and offered the children free fruit daily to encourage healthier choices and include fruit in their daily meals.
- All staff were re-trained on 2nd September ahead of the new school year, and all training is up to date.
- We are happy to have welcomed Khalid to the team, and he is already making positive changes relating to food presentation, timings and team morale. We have hired a chef and we hope that his DBS will clear before the start of the new term.
- We were happy to support Macmillan Cancer Research and donated some popular school cakes to the school.

Snacktember & Fruit Platters

Parents / E-Bulletin: Keeping pupils with allergies safe

This September sees important new allergy safety measures take effect in schools under Benedict's Law. These changes aim to strengthen allergy awareness, prevention and emergency response across the whole school community.

We remain committed to working closely with the school, pupils and families to ensure dietary and allergen requirements are understood and managed with care.

Upcoming:

- We have been in discussions with the ECEDAT Senior Leadership Team to ensure we have a clear understanding of the school's priorities and expectations.
- An expectations meeting was conducted last week, providing an opportunity to better understand the school's needs, align our approach and agree how we can best deliver against their expectations.
- We are already putting a plan in place, which we will present to you in the coming weeks.

Be adventurous

Make every day count

Be a trailblazer

Be generous

Every school meal is a big deal.

Sixth Form News

Open Evening

Thursday 5 November 2026

Session 1: 5.30pm

Session 2: 6.30pm

I am delighted to invite you to our Sixth Form Open Evening on Thursday 5 November 2026. The event will be held in our Sixth Form Centre with tours and keynote speeches at 5.30pm and 6.30pm. Please book your tickets through the Grey Court website.

During the course of the evening you will be able to meet Sixth Form staff and students, take part in A-level and BTEC activities, tour the site, meet our higher education officer and listen to a keynote speech from the Sixth Form Leadership team.

You will learn about our academic ethos, teaching philosophy, enrichment programme and community engagement scheme. In addition we will provide a clear explanation of the difference between a personalised school-based Sixth Form and a college experience.

I am very proud of the creativity, ambition and warmth exhibited by our current Sixth Form cohort as well as the drive and focus of our teaching staff, which I am certain will be evident on the night. The confidence of these students has obviously been bolstered by the outstanding range of university and apprenticeship destinations achieved by last year's cohort.

I know they are very much looking forward to welcoming a new band of positive and forward thinking individuals (as well as their positive and forward thinking parents) into our vibrant Sixth Form.

If you have any questions about the evening or the Sixth Form enrolment process, please do not hesitate to get in touch with us.

Activity Day

Wednesday 21 October

Y12 Y13

Apprentice challenge

Pupils will take part in a challenge in the style of the TV show “the Apprentice”. They will work in teams of 6 to complete a series of challenges either in central London or in the Kingston/Richmond areas where they will be unsupervised by staff. Pupils should register in sixth form at the normal time before heading off to complete the challenges. GC staff will be stationed at points around London to assist pupils if needed. Details of the challenges can be seen here:

[Apprentice Day challenges 2026](#)

[Apprentice Day letter 2026](#)

UCAS

This will be a full day of support for students with their UCAS applications. Students will be with their tutors and members of the Sixth Form team will be available to finalise references and predicted grades, and send applications off to UCAS. This will be the last time that we will be dedicating specific sessions to UCAS as all applications are expected to have been completed by this point. Students who have already had their application sent off by a member of the 6th form team do not need to attend.

EPQ

Students taking the EPQ qualification are required to be in school to continue with their research and access support if needed.

[Letter](#)

YEAR

Activity Day

12

Wednesday 21st Oct

Arrival 8:30

You will register **at School** during AM registration.

You will then **make your own way** into London in your groups.

Activity

You will complete your Apprentice Day tasks. As a team you will need to **work together** to manage the time available to you, and prioritise which tasks you will aim to complete.

Team Leader must upload evidence to Google Classroom Assignment!

Checking out 14:00

You need to **register out with a member of staff at 2:00** at Waterloo Train station.

Staff will be located by the Windrush Statue which is opposite Pure/M&S food and by Platforms 18-22.

You will then make your own way home.

GREY COURT
SIXTH FORM

Miss Fincham's EPQ Update

This week students have been working on developing their research, creating bibliographies and evaluating their sources. They need to return from the half term ready with a draft essay or artefact plan and begin the drafting process. Students who are behind should plan to catch up on key tasks during the half term period.

Miss Fincham's Oxbridge Update

All applications must have been sent to UCAS by the 15 October. The next step after half term will be to look at interview preparation. Students with pre-interview exams should continue to work on this preparation.

MedSoc

This week our students looked at arguments around assisted suicide and shared some interesting points as part of the discussion. In addition, our first Year 13 applications were sent off this week with the remainder finalising their applications.

Careers Fair

Well done to all the students who attended the careers fair on Thursday 1 October. And special thank you to the year 13 helpers - Amelia, Philine, Frank and Omran for showing their amazing student leadership skills and meeting and greeting our guests.

Thank you!

Opportunities Bulletin

Students and parents/carers can access the weekly bulletin: [**GC Careers opportunities bulletin 09/10/2026**](#) which shows a range of careers, work experience, university and apprenticeship opportunities. These opportunities are great to add to their experience and help students think about the future. This is posted to students weekly in the year 12 and 13 notices classroom and they should be accessing this every week to take advantage of all the opportunities they are offered.

After half-term we will launch the year 12 work experience programme with all the information about their work experience week which takes place 28 June - 2 July 2027. Save the date - our Friends and Founders event for year 12 students, this is a compulsory networking event for year 12s on Thursday 3rd December 6.30-8pm (more info to follow).

SPORTS

News

Congratulations to our junior boys and girls cross country teams on their outstanding performances at Harrodian on Tuesday

Photos: boys team (above), girls team (below)

Cross Country

Rugby

Hard fought 43-36 victory for the u14
rugby team in the Schools Cup on
Tuesday afternoon.
Well done, boys!

Scholar of the Month Blakeely Barrikor

Blakely Barikor

Scholar of the Month

Blakely has been selected as our Girls Scholar of the Month for September in recognition of her outstanding commitment, enthusiasm and developing sporting ability.

In a short period of time, Blakely has demonstrated a strong dedication to sport at Grey Court. She has represented the U12A team in their first School Sports Magazine Cup fixture and has also been selected for the U12 Cross Country team, who will be competing in the Lee Valley Cross Country Race this week. We look forward to following her progress and seeing her continue to develop as a young athlete.

During Scholarship lessons, Blakely has consistently demonstrated excellent teamwork, communication and enthusiasm. She has shown confidence when contributing to lessons and has supported her peers by helping to demonstrate key athletics techniques, including a range of jumps and throws.

Blakely has made an excellent start to the academic year and is a deserving recipient of this month's Girls Scholar of the Month award.

Well done, Blakely!

Player of the Month Ellen Dutton

Elen Dutton

Player of the Month

A huge congratulations to **Elen**, who has had an outstanding few months in hockey, representing Wales at the **School Games in Loughborough** and earning further recognition through a number of exciting selections.

Elen was selected for the **Hoci Cymru Emerging Girls (U18) squad** for the School Games tournament in Loughborough. It was an amazing experience for Elen and the rest of the squad, competing against England, Scotland and Ulster. The results were:

- Wales 1–2 England** – Elen set up Wales' equaliser.
- Wales 2–0 Scotland**
- Wales 2–0 Ulster**

Wales narrowly finished in **third place**, missing out on second by just one point. However, they were the only team to both **beat and score against the eventual winners, Ulster**, who went on to record impressive victories over Scotland and England.

Elen's performances at the School Games have also contributed to further opportunities, and she has subsequently been selected for the **Hockey Mentors 1st XI squad** for the 2026/27 season. The squad consists of **40 girls selected from across the country**. The fixtures provide an excellent opportunity to compete against some of the strongest independent schools in the country, including **Clifton College, the current U18 national champions**.

She has also been selected to represent Hockey Mentors at an **international indoor tournament in Holland from 27–29 November 2026**.

It is fantastic to see Elen's hard work and commitment being recognised at both national and international level. Her selection for the Wales Emerging Girls U18 squad, School Games involvement and continued selection for Hockey Mentors are a fantastic achievement and a reflection of the progress she is making in hockey.

Congratulations, Elen!

U15A Netball North

U15 A Netball

Team of the Month

The U15 A Netball Team have enjoyed an outstanding start to the season, demonstrating exceptional determination, resilience and team spirit.

This month, the team competed in their first School Sports Magazine Cup fixture against Howard of Effingham School. It was an incredibly closely fought contest, with the scores remaining neck and neck throughout the match. At the final whistle, the game was tied, sending the teams into five minutes of extra time — yet the scores were still level!

With the match heading into Golden Goal, a rare and highly exciting conclusion to a netball fixture, the teams battled back and forth with everything to play for. Finally, Laila S produced a fantastic long-range shot to secure the winning goal for Grey Court!

This was an outstanding team performance, characterised by determination, composure and an unwavering desire to succeed. Even more impressively, this victory marks the first time that Grey Court has progressed to the next round of this competition as a team — a fantastic achievement for the players and a proud moment for the school.

The U15 A team have also represented Grey Court at the Ibstock Invitational Tournament this month, competing against some highly competitive opposition, including Surbiton, Ibstock and LEH. The experience has provided the team with valuable opportunities to test themselves against strong opposition and continue developing their skills and confidence.

Scholar of the Month Felix Williams

Felix Williams

Scholar of the Month

Felix has made a brilliant start to life at Grey Court and has thrown himself into almost everything we have offered to students on the sports field.

Felix has proved already to be one of our top basketball players, demonstrating an excellent skill level and is always looking for an opportunity to drive to the basket. We have no doubt he will play a big part for the Grey Court basketball team this season, if he keeps showing the level of quality that he's demonstrated so far.

On the football pitch, Felix has found his feet quickly in the A team, playing a pivotal role in the team's first game of the season, scoring 2 goals and player of the match in a 6-1 win against Ibstock.

Felix has also made a name for himself as a runner too - he is a regular at running club on a Thursday and is part of Mr Allan's elite group that will be working towards National titles this year. Having come through as our first Year 7 runner at this week's Lee Valley Cross Country event, finishing in 5th place overall, Felix will certainly be a great addition to that team.

Well done on a great start, Felix! Keep up the hard work and enthusiasm for all your sports - we look forward to seeing what else you go on to achieve at Grey Court!

Player of the Month Jake Broorne

Jake Broome

Player of the Month

Jake has joined us from TKA for year 12. Jake plays centre midfield and plays for Conquest Academy who are based in Isleworth. Jake trains 4 times a week and has a real passion for the game. Jake made an instant impact in his first game for the school, his work rate was outstanding and gave the team a real balance in midfield. He also delivered 2 quality set pieces which led to goals in the 4-0 victory over Woking College.

We look forward to seeing Jake develop throughout the course of the season and be a pivotal player for the team.

Team of the Month

U18 Boys Football Team

The U18 Boys Football Team won 4-0 in the Surrey Cup recently.

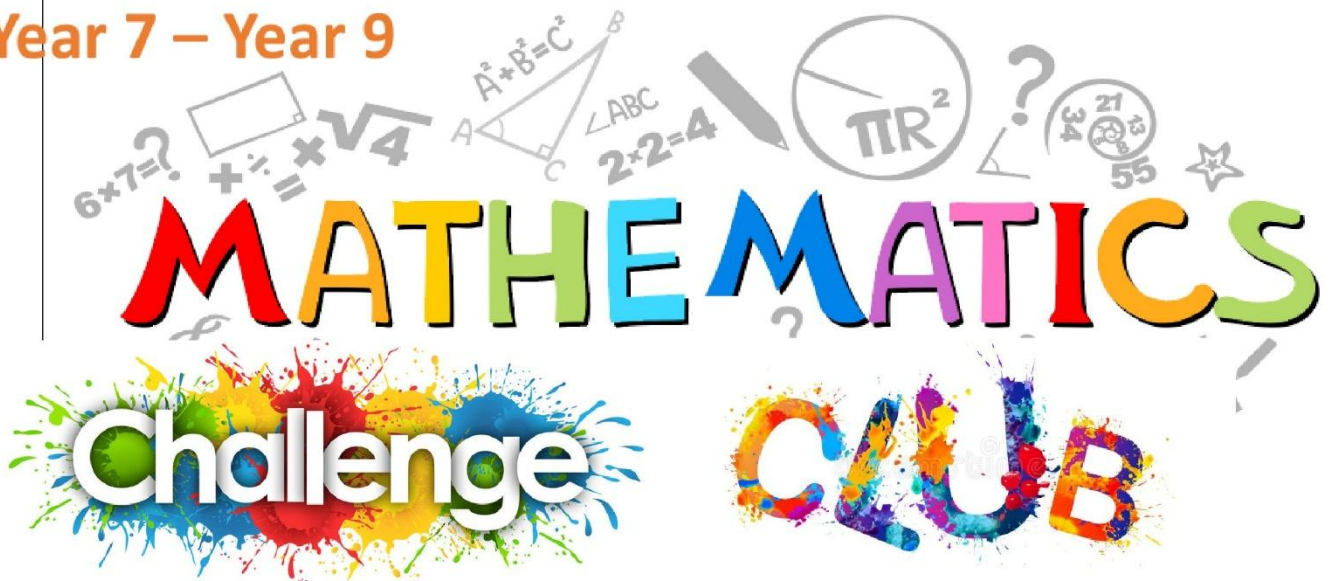

Two goals for Charlie Tong, one for Xavier, and one for Valentino. An excellent all round display from debutant Jake Broome in midfield. The team was brilliantly led by Che Bell with Chris Cato also showing his class at centre back.

The aim for this talented squad is to win the Surrey League this year!

'Open 2 Music' at Grey Court!

'Open 2 Music' is an instrumental music service providing tuition in schools since 2007 and we are honoured to provide lessons at Grey Court!

**** FREE TASTER LESSONS ****

**Weeks Commencing
21 & 28 September!**

We offer all pupils **Free Taster Lessons**, so if your child is interested in starting then please get in touch to register your interest, we will then book your child in for their **Free Taster Lesson!**

Learning goes far beyond music

Many research studies show learning to play an instrument can help build self-esteem, as well as increasing feelings of well-being and reducing feelings of stress and anxiety.

Choose from the instruments below and we will contact you to arrange a FREE lesson. If you would like to continue with lessons after that, prices are:

One-to-One	20 mins	£14
One-to-One	30 mins	£18
Group 2	30 mins	£12 per pupil per lesson
(Group lessons for Guitar & Vocals only)		

GUITAR PIANO VOCALS DRUMS
VIOLIN

Book now via our website:

www.music-in-education.co.uk

BOOK A FREE TASTER LESSON TODAY!

RICHMOND SOUP KITCHEN

WE ARE HIRING!

If you have excellent organisational, communication and practical skills and would like a hands-on role supporting those most in need in our community, this could be for you.

Richmond Soup Kitchen (RSK) provides a free, hot, takeaway food service in central Richmond through the winter months. It's open to anyone in need, no questions asked. Now in its sixth season and supported by over 125 volunteers, the service welcomed 2,228 guests last winter, and demand continues to grow.

The purpose of this role is to keep the operational heart of the service running smoothly: managing surplus food deliveries, stock and supplies, and kitchen hygiene records, and making sure volunteers and guests are supported by a well-organised, safe and reliable service each week.

It's a practical role involving on-site work at St John the Divine alongside the Managing Director and RSK's volunteer team. The hours are mainly flexible, making it a role that can fit around other commitments.

The fixed-term post starts between 26 October and 2 November 2026 and ends when the season is over (29 April 2027), with some additional time for induction and wind-down.

Applications from all backgrounds and experience levels are welcome. If you are organised, reliable and passionate about supporting your community, we'd love to hear from you.

The closing date for applications is Thursday 15 October 2026. Interviews will be held in the week commencing 19 October 2026.

Full job description and application details:

Arts Richmond Young Writers Festival 2026/27

ARTS
RICHMOND

f i X @artsrichmonduk

Arts Richmond Young Writers Festival is open to all pupils who either live or attend schools or clubs in the London Borough of Richmond upon Thames. It is their chance to demonstrate writing skills, specifically short stories or poems.

Entries are judged in four age groups with prizes for all winning entries. The shortlisted entrants are invited to a gala awards event at The Exchange Theatre Twickenham on Sunday 21st March 2027 where their work is performed by a group of young drama students.

We also produce and sell a professionally printed anthology of all the 40 shortlisted pieces of work.

Anthony Horowitz writes:

It's now been five years since I moved to Richmond and this wonderful borough continues to inspire me with its history, architecture, wild life and of course the glorious River Thames. I'm delighted to support Arts Richmond who draw on this same inspiration and, with their Young Writers Festival, encourage young people to tap into their own creative skills. Long may it continue!

Please visit our website for more information and details how to submit your work:
<https://artsrichmond.org.uk/>
