A BIG thank you from the PA

A big BIG thank to all who have supported and donated to our Go Fund Account this year. We set out to raise £7,000, and we have reached the grand total of £5,381—so nearly there. We want to raise funds for:

- another Water fountain
- benches (c. £300ea)
- better pathways and to improve the area in front of the food cube
- more bike racks/repair stations
- Astro-turf further areas in the school grounds

Help us to reach our target. It would be wonderful to buy some of these items for the students to use during the summer months

Here is the [link](#) to donate.

Thank you
Lou, Amira and Michaela

Education Grants

Education grants are provided to individuals, schools and organisations within the catchment area (TW9, TW10, SW13, SW14) to further the learning and development of those in our community.

Click [here](#) for information and relevant forms. Should you have any queries, please contact Amy Vogel, our Education Grants Manager, who will be happy to advise you - education@rplc.org.uk or call: 0208 948 5701.

See the flyer at the end of the bulletin

Teaching & Learning

Grey Court recently had their very first Teaching and Learning Book Club.

Mr Rhodes generously bought copies of our first book: *Retrieval Practice* by Kate Jones for all who were interested in participating.

Teachers from all departments got involved in lively debates and discussions about the benefits of Retrieval Practice, and shared ideas of how staff and students could best implement these in the classroom and home learning. A retrieval practice summary has been created for students, which includes practical examples and top tips to try at home - please take a look!

Click [here](#) to download the Retrieval Practice Student Guide

GREY COURT SCHOOL

RETRIEVAL PRACTICE STUDENT GUIDE

FROM THE TEACHING & LEARNING BOOK CLUB

Retrieval practice is a study strategy that focuses on 'getting information out'. Through the act of retrieval, our memory for that information is strengthened and forgetting is less likely to occur. It is a powerful tool for improving learning.

WHY?

Despite research suggesting that reading and highlighting are two of the least effective study methods, the majority of students still use these as their 'go to' for revision. Only using these methods gives you a false sense of mastery and makes you think you have learnt something when in reality, you will often forget that material in a short space of time.

How well information is stored in your memory $\neq$ How easily you can retrieve information

HOW?

Retrieval is challenging!
Work your way up to recalling information without notes if needed

Make a list of the important information/content that you need to know by using your class notes and other resources → Put away your books/notes and TEST YOURSELF → Retrieve as much information as you can without your notes. Then CHECK your answers → Use your answers to inform the next stage of your revision.

Make sure you recall main ideas and link them to other examples. Not just words and definitions.

Focus on areas that you struggled to recall from memory

TRY THESE

BRAIN DUMP Write, draw a picture, create a mind map on everything you know about a topic. Give yourself a time limit (e.g. 10 minutes). Then make a list of all the things you forgot.	QUIZZING Create practice questions on a topic. Give your questions to a partner to answer. Question - what is a receptor? ☐ A comparison using 'like' or 'than' ☐ A comparison when one thing is another ☐ A comparison with a known attribute
FLASHCARDS Create your own flashcards: question on one side, answer on the other. Can you make links between the cards? You need to repeat the Q&A process for flashcards you fail on more frequently and less frequently for those you answer correctly.	KNOWLEDGE ORGANISERS Complete a knowledge organiser template for key information about a topic. You can use knowledge organisers to show your understanding of a topic (e.g. a concept, a process, a system).

Infographic created by <https://brain-impact.co.uk/>

Use retrieval examples that you see in lessons
A variety of revision activities is key!

KEY POINT

Cramming is not effective and can be stressful

- ✓ Use spaced practice rather than mass practice
- ✓ Divide up your revision into manageable chunks of time. Aim for 20-30 minutes per session.

5 HOURS IN ONE DAY → 5 HOURS OVER TWO WEEKS

NEXT STEPS

- Reflect on your current study strategies - based on research, are they effective?
- Consider how will you include retrieval practice as part of your learning.
- Talk to your teachers about how to use retrieval strategies effectively in each subject.
- To prevent cramming, plan early for assessments and create a revision timetable.

Congratulations!

to **Madeline Jones** (ex-Grey Court student) who accompanied **Arlo Park** (2021 Brits Breakthrough Artist) on the keyboard at the BRIT Awards on Tuesday

The Big Read is a reading club charged with finding the best book for the new year 7s. This title will then be bought and given to every year 6 student making their way to Grey Court. Last year's winner was *Swimming Against the Storm*. This year we have made video presentations on each book so we can include the whole year group in the voting. Watch a video relating to each of the titles and vote. Voting can only be submitted once by GC students. Alternatively, students can access the voting presentation through their AR Google classroom. Read

#KS3

#Y7

We are now over half way through the half-term. This week marked the end of Ramadan so I, and the rest of Grey Court, wish everyone well, and hope that families could enjoy a celebration. Eid - Mubarak!

At the start of next week students in Y7 will receive their Revision booklets ahead of their exams after half-term. These booklets will contain general revision tips, specific subject information (including content and equipment needed for exams) as well as the exam timetable. Students will be given a paper copy in school and an electronic version will be sent home. Next week they will spend time in their tutor periods reading through the booklets and familiarising themselves with the schedule and assessments. It will also be helpful to go through the information with your son / daughter to familiarise yourself with the assessments.

Whilst these assessments are important we have been stressing to students that they are a chance for them to show how much work they have put in this year. Their dedication and commitment to their studies this year has been exceptional, in difficult circumstances, so we want these assessments to be framed positively as a recognition of all their efforts. We have also been stressing that being nervous about an assessment is normal - it shows that they want to do well. Nonetheless, if any students do feel that they are over stressed they should speak to me, their tutors or Mrs Shore.

Mr Day

A big well done to Tariq and Efe (Y7) for starting up Y7 Yo-Yo club. Mr Day is very impressed with their initiative and organisation skills in starting the club. The club is held every Monday from 12.30-1pm in H4 - all are welcome!

YO YO Club

Yo Yos have been dated back as far as 440 BC. It is believed that the **yo-yo originated** from one of three countries: China, the Philippines and Greece. However, the oldest **historical** mentions and artefacts that have been found are from Greece.

Book of the Week

The Invisible Boy by Alyssa Hollingsworth

A powerful contemporary novel for readers about slavery, friendship and standing up for what is right.

From the author of the *UKLA Book Award-winning THE ELEVENTH TRADE* comes a second novel with a powerful modern message.

Twelve-year-old Nadia has discovered a new and dangerous secret: she is lonely. Then two things happen that change everything. She meets Eli, who she suspects may be a superhero, and she finds a strange letter under the dried juniper branches. The next day Nadia gathers her courage to take the letter to Eli.

But something about Eli's family is very strange. Why doesn't he let her step close to the house? And is her new friend hiding his own secrets?

AR Stars of the Week

Accelerated Reader Stars are chosen because they have excelled at Accelerated Reader, whether it is because they have passed a lot of quizzes, earning lots of points whilst maintaining a high average pass percentage. These particular students should be praised and rewarded.

#Y8+#Y9

It was mental health awareness week this week and our morning registration slot devoted some time to debunk some of the myths surrounding mental health and how nature can be a vital tool to help improve it. We are very fortunate at Grey Court to have such a brilliant pastoral network, with student support officers available throughout the day; if you would like to speak to one of our student support officers please make an appointment on the sheet on their office door and they will either collect you or organise a time to speak with you. Please do not wait outside the office as you will be missing lesson time and they may not be available to speak until much later that day. Please use before school, break time, lunchtime, or after school to request an appointment.

We continue to look forward to our exams after half term and will be issuing the revision guide and examination timetable on Monday the 17th. This will be available on Google classroom and on the school website as well as sent home via email. Students should create their own revision timetable and stick to it as they prepare for their end of year assessments.

There are still too many equipment issues being brought to my attention, both Y8 and Y9 need to prepare their schoolbag the night before and include their planners, pencil cases, reading books and all the books that they need for their lessons that day. If your child is struggling and accumulating negative SIMS points due to lack of equipment, please support them by ensuring they are ready and have all the equipment they need. It is also worth reminding that students need to be at school for 8:25 each morning and in form rooms for 8:30am.

Have a great weekend!

Mr Ridley

#KS4

#Y10

Post-16 Pathways Presentation

During yesterday's PDW period Y10 students partook in an advice and guidance session about post-16 pathways designed by Ms Higham and Ms Corrighan.

Students were provided with information about the following:

- types of post-16 pathways – jobs/vocational qualifications A-levels
- the range of local providers in the form of colleges and sixth forms alongside the range of courses on offer
- an applications timeline
- a reflection sheet aimed at encouraging students to begin the process by considering their career goals and academic strengths and weaknesses

Ms Corrighan has produced an excellent four minute video (click [here](#)) for staff and parents that explains the process very succinctly.

Y11 Passport to Success Timetable

As you will be aware, Y11 students End of Year Assessments started on Thursday, 6 May. Y11 students will no longer have their usual school timetable and will revert to the **Passport to Success Timetable**. The **Passport to Success** is our bespoke revision timetable that ensures students receive revision sessions just before their assessments to accelerate their progress. In previous years this has been an extremely successful programme and we are confident that students will benefit once again this year.

From Thursday, 6 May, the school day is as follows:

Lesson 1 & 2

Study Leave: Students should use this time for constructive revision

10.30

Students arrive at school if they have an assessment on that day

Lesson 3 & 4

Passport Revision Session

1pm

Students sit their assessment

Students leave once their assessment is finished

Y10 Interventions

From Monday, 10 May, a full intervention timetable starts for Y10 students. We want to accelerate their progress rapidly as they move towards their end of year exams that start on the 14 June. The interventions start on Monday and will run through to Friday, 25 June. They are a fantastic opportunity for all Y10 students and we ask that if students are invited to attend that they make the effort to attend.

A copy of the intervention timetable [can be found here](#)

Summer Leavers' Party

As you may be aware, in previous years we have organised several events for Y11, to celebrate and recognise their journey at Grey Court. The last year has been incredibly challenging for everyone, not least for our Y11s. So whilst we can't do everything we would normally do (given restrictions), it is important to us that Y11 still go out with a bang!

Therefore, we have arranged to have a Summer Leavers' Party for Y11 as the last official event that they will all be together as a year group. This will include a mixture of informal celebrations, a BBQ and music, but also a formal element to recognise achievements. This will take place at Grey Court on the 23rd June 2021, 5-7pm. Students should arrive and exit via the Bull Meadow entrance. Dress code is smart casual (we will be on the field). Please note, students should not loiter around the area or on Ham Common after the event, as we need to be respectful to the local residents.

The price for the ticket is £15, this includes food and soft drinks for the evening. If your son/ daughter would like to attend, please complete the google form here: <https://forms.gle/ddN45z4EthzHNRwAg>. Payment should be made through Scopay, on the tab Summer Party @ £15. Cash/ cheque payments can be made to Mr Williams in the Finance Office.

At the beginning of the academic year, all Y11 students were informed that they could not purchase a ticket for the celebration if they had negative conduct points and/or if there were concerns regarding behaviour. However, given how challenging the last year has been for everyone, we have decided to disregard conduct points from term 1, and to only count conduct points from the 3 weeks prior to Easter (post lockdown) and the weeks post Easter until the Assessments. Your

son/daughter has been informed of their conduct points by their tutor this week, so for any students who are in negative conduct points, there is still time to turn things around.

Please note that the school holds the right to withdraw/ prevent any student from going to the Summer Party if behaviour / conduct does not meet our expectations. In addition, any student not adhering to our expectations on the evening will also be asked to leave and parents / carers will be contacted immediately. This relates to any anti-social behaviour including alcohol and drug use.

Deadline for payment and completing the Google form is 9 June 2021

Leavers' Hoodies

Also available to purchase are 'Leavers 2021 Hoodies.' These have proved very popular in the past and are a nice keepsake to mark their time at Grey Court. The cost is £24.20 per hoodie (including delivery). If you would like to buy one, you can purchase them directly with our supplier; the closing date for orders is the 8th July 2021. Please click on this [link](#)

Food and nutrition

by Ms Clark

It has been busy in Food and Nutrition over the past few weeks. We have seen the return of Food Club with our lovely Y7s, who have been baking some delectable treats.

Y9 had their final lesson, which was a House Competition, in which they had to create one or two multicultural dishes to show their skills and creativity. Well done to the following winners, who will be awarded house points:

A Band

- 1st: Sophia Carlino
- 2nd: Atiya Moin
- 3rd: Niah Westbrook
- 4th: Bobby Bryant

B Band

- 1st: Harris Cathcart
- 2nd: James Bachour
- 3rd: Juliette Croft
- 4th: Jemima Dewar

Y10 has moved on to their next topic, Food Safety, where they are focusing on understanding hygienic food practices in the food industry and the ways to control pathogenic bacteria in food. They were instructed to make their version of a paella, showing their understanding of using high risk foods such as seafood, chicken and rice.

Therefore I thought it would be a good time for Mrs Anjum to discuss the importance of Food Hygiene this week. We learn this in all lessons in Food and Nutrition at Grey Court. Also check out our recipe for Portuguese Custard Tarts - with the news that we can visit Portugal, we thought it would be a great recipe for you to try out! **Send us any photos if you manage to make and watch out for more recipes in future.**

Food hygiene can be defined as handling, preparing and storing food or drink in a way that best reduces the risk of consumers becoming sick of food borne diseases. Food hygiene is one of the important practices, which means it's a subcategory of "food safety". Food hygiene is utmost important at home as it helps to prevent bacteria from multiplying in foods and reaching dangerous levels, ensuring daily healthy family living. Good food hygiene is vital to make sure that the food you make is safe to eat. It helps prevent food poisoning. When you are setting up a food business, you need to introduce ways of working that will help you make sure that good food hygiene is implemented right from the start.

It is crucial that the food we eat and the water we drink is clean and safe. Hence, it is vital to prepare meals in a safe and hygienic way. If germs such as harmful microorganisms and parasites get into our food and drinks, they may give us food poisoning resulting in diarrhoea and vomiting. The 4 simple rules that will help you to stay safe from food borne illnesses in the kitchen are known as the 4C's. Cleaning, Cooking, Cross Contamination and Chilling. One can be safe by following these essentials:

Clean: Washing hands with soap & water. **Sanitise** surface. Clean sweep your refrigerator once a week. Keep appliances clean. Rinse produce such as fresh fruits and vegetables just before cutting and cooking. **Separate:** Separate food when shopping, place raw seafood, meat and poultry in a plastic bag. Store them at the lower shelf in your refrigerator. Also separate food when preparing and serving. Always use clean chopping boards for fresh produce and separate for raw meat. Never put the cooked food back in the same plate or chopping board that has been previously used. **Cook and Chill:** using a food thermometer or temperature probe ensures that the food is safely cooked and held at the safe temperature until eaten. Cooking food to safe internal temperature is one of the effective ways to reduce food illnesses. Cook all raw poultry, beef, pork, lamb & veal steaks, chops and roasts to a safe minimum internal temperature of 75 degrees Celsius. For safety and quality allow meat to rest for 3 min. Keeping food at safe temperature is very important, hold cold food at 5 degrees Celsius or below. Keep hot food at 75 degrees Celsius or above and out of the danger zone!

De la panza sale la danza

Portuguese Custard Tarts

Ingredients

For the sugar syrup

250g/9oz [caster sugar](#)

1 [cinnamon](#) stick

½ [lemon](#), whole peeled rind only

For the custard filling

25g/1oz [plain flour](#), plus extra for dusting

12g [cornflour](#)

300ml/10½fl oz [milk](#)

4 free-range [egg yolks](#), plus 1 whole free-range egg
vanilla seeds from one [vanilla pod](#)

300g/10½oz ready-made all-butter [puff pastry](#)

Method

Preheat the oven to its highest setting, or at least 230C/210C Fan/Gas 8.

To make the sugar syrup, bring the sugar, cinnamon and lemon rind to the boil in a saucepan with 250ml/9fl oz water. Reduce the heat until the mixture is simmering, then simmer for 3 minutes. Set the syrup aside until completely cool. Once cool, discard the cinnamon stick and lemon rind.

To make the custard, mix the flours together in a bowl. Pour in a splash of milk and stir with your finger until combined.

Bring the remaining milk to the boil in a saucepan over low heat, stirring regularly. Gradually add the boiled milk to the flour and whisk for 1 minute, or until smooth and well combined. Slowly whisk in the sugar syrup. Whisk in the egg yolks, whole egg and vanilla seeds until smooth. Set aside.

Roll out the pastry onto a lightly floured work surface to a rectangle measuring approximately 50x30/20x12in, but more importantly to a thickness of 1mm. With the longest edge of the pastry rectangle facing you, roll the pastry as tightly as possible, brushing it from right to left with water as you go. Cut the pastry roll into 2cm/¾in-thick discs.

Place the discs in the holes of a muffin tin and massage them with a circular motion using a wet thumb, until the pastry rises up the sides of the holes in the tray. Make sure you don't make any holes in the pastry.

Fill the pastry cases with the custard until they are almost, but not quite, full.

Bake for 20 minutes, or until the pastry has risen and the surface of the custard is scorched. Set aside to cool for at least 10 minutes before serving to allow the custard to set slightly.

Pastéis de Nata

Activity Week: 12–16 July

We are delighted that the lifting of restrictions according to the government's roadmap means we should be able to run a modified version of our hugely successful Activity Week.

You will have received a letter from Ms Hurley detailing the various activities. Please ensure that you complete the permission form and make payment by Friday, 18 June.

Don't forget:

Y13 Summer Party

Traditionally, we would have had our Y13 celebration meal before the students began their A Levels; however, this year COVID restrictions have prevented us from being able to do so.

After discussion with the student leadership team we have decided that this year we will have a Summer Leavers' Party to celebrate the end of their time at Grey Court at school on the 24 June 2021, between 5 and 7pm. This will include a mixture of informal celebrations, a BBQ and music, but also a formal element to recognise achievements over the last two years. Students should arrive and exit via the Bull Meadow entrance. Dress code is smart casual (we will be on the field). Please note, students should not loiter around the area or on Ham Common after the event, as we need to be respectful to the local residents.

Y12 Trial Exams

These will start on **Monday, 21 June** - timetables and revision booklets will be released shortly. You need to ensure that you have put together a revision timetable and that you know exactly what you need to be revising. The results of these trial exams will go towards your predicted grades for UCAS forms.

Y12 GRADUATE Edge

This week, we are launching 'Krispy Kreme Fridays'! Tutors will nominate 2 students in their tutor group every week, who have been consistently and comprehensively filling in their Graduate Edge document.

#SixthForm

Stars of the week

Lan My Dau and Alba Mccann Carrasco for organising the Sixth Form '**Wear Red Day**' on Friday to publicise the *53 campaign endorsed by the "United Nations entity for gender equality and the empowerment of women."* They also created the resources that were shared with the Sixth Form in order to support the organisation's aim to raise awareness about global violence against women and sexual harassment.

SIXTH FORM SPORTS' UPDATE

This week we have two very exciting updates:

Jorja Fox has been selected to be part of the Chelsea women's squad for the Champions League final in Gothenburg

and

Harry Slater and his partner Lea have been selected to represent GB in the 12-18 category of the Acrobatic Gymnastics World Championships in June this year.

Sixth Form Suggestion Box

by Mr Clements

For a number of years a red lacquered box made of the finest Brazilian mahogany was situated at 45 degrees latitude to the right of the front desk in the sixth form. Labelled with the inscription, "Sixth form suggestions box: keep out of the sunlight and don't feed after midnight," this channel served as a relatively anonymous depository whereby students could cajole, praise, alert, inform, chide, vent and educate staff about issues they felt passionate about. However, as technology evolved - like an old beta-max video - the device has been used less and less – and now serves as a defunct symbol of yesteryear whose only purpose is to evoke a sense of airy nostalgia.

The red box was discussed at SLT last week and in a spirit of innovation a number of suggestions were made whereby this important strand of the student voice could be amplified. Mr Rhodes suggested Northern racing pigeons, Ms Price a Bavarian style glockenspiel, Mr Bashford Morse code and Mr Clements squirrels before Ms Higham, laying her autographed copy of "sense and sensibility" on the desk, put her hand up and suggested we use the GOOGLE CLASSROOM!

So with the words "cascaded leadership" ringing in their ears Ms Teague/Ms McNicol were later tasked with devising a comments Dropbox on the Y12 classroom. This virtual depository can be found in the following virtual location:

Google classroom - Year 12 notices/Classwork/Keeping you safe/Grey Court Sixth Form suggestions box

Students who access the box will find a form they can use to let us know about:

- *improvements we need to make*
- *any discriminatory/safe-guarding incidents they feel we should know about*
- *any students or staff they feel should be nominated for star of the week with a reason why*
- *any other aspects of sixth form life they think are going well!*

Students can opt to type their name at the end of the survey or leave this section blank.

The Sixth Form team will use their professional judgements to respond to the information that is posted in the following ways:

- Address issues via assemblies/the e-bulletin/tutor activities/the PDW programme/student leadership team and SLT.
- Follow up any discriminatory or safe-guarding concerns via the tutor/ student support officers. Head of Year/Senior leadership team/outside agencies where appropriate.

As an institution we want to provide a forum whereby students can have a voice that is heard and which will enable us to safe-guard – commend and innovate. We hope this is a popular forum that is regularly used in a mature and responsible way.

Student Leadership Elections

These elections will take place at the start of next term, so now is the time to think about your application, if you are interested!

To put yourself forward for a Senior Prefect role, or be elected for Head Boy or Head Girl, you will need to:

1. Sign up for the Future Learn 'What is Leadership?' [course](#).
2. Look at the related information which will be posted on the Y12 Notices stream this week.
3. For the Head Boy/Head Girl roles, you need to produce a short 1-2 minute video speech explaining why you should be elected.
4. For other roles, you need to write a manifesto, explaining why you should be elected and your main areas of interest.

Please submit your video or manifesto by email to Mrs Moore by Friday, 28 May.

Elections will take place during the week beginning 4 June.

UCAS

#Y13s

Applying for Accommodation

Once you have chosen your firm and insurance university choices you should select your student accommodation if you are going to be living away from home (or think you may decide to live away from home). Most universities ask you to select several choices in preference order and you should be prepared that you might not get your first choice of halls. You should have a look at what is important to you and consider factors such as:

- Distance from halls to your faculty
- Do you really need an en suite (remember you will have to clean it yourself)
- How many people do you want to live with?
- How many weeks is the tenancy for - some are term time plus a few weeks
- Do you want to cook for yourself or would you like to be in a catered hall?
- How close are you to shops, bus routes, the station, the uni library, the student union?
- What are the social facilities like - is there an onsite gym, common room, bar, coffee shop, grocery store

It is also worth making sure that you have started the application process for Student [Finance](#).

What happens after I apply for university?

Y13 students and parents - Just to point you in the direction of this useful resource - given to students in booklet form but also electronic version for parents: [WHAT HAPPENS AFTER I APPLY FOR UNIVERSITY?](#)

Ms Fincham's Oxbridge and EPQ Update

Oxbridge

This week students have been offered a session on developing their personal statements with the aim of writing a plan and a rough first draft over the course of the next 3 weeks. Over the next two weeks students who are part of the Oxbridge group and classroom can book a one to one appointment with me to discuss the specifics of their own application.

EPQ

Students need to be working to submit their initial application which includes evidence that they have completed the EPQ Future Learn course online. At this stage they should allow themselves to consider at least three possible areas for study and draft some possible questions which we can use in the next stage of the process. This must be completed by the 7th June to ensure they have a place on the course.

Part time job opportunity

After school care and holiday assistants

NSSport are currently recruiting for part time positions in the Richmond area, specifically at St Elizabeth's Catholic Primary School - so an ideal part time job opportunity for Sixth Form students. NSSport are currently looking for students who would be interested in working alongside our After School Care team during term time after school until around 6pm; and in the school holidays at our holiday activities programme. I would like to open up this job opportunity to Six Form students at Grey Court who may want to:

- challenge themselves and be part of something new and exciting
- work in a fun and rewarding environment
- teach/coach and become part of a team
- work with highly experienced staff who will support, guide and provide a unique experience
- earn their own income

NSSport are always looking for amazing people to join the team and we can offer career opportunities for aspiring coaches and leaders who have a passion for sport, or simply enjoy working with children. To view the job description see: [NSSPORT - Part Time Job Opportunity 6th Form \(APRIL 2021\)](#)

We are looking for a number of students to fill this role so we would welcome to hear from any students that show an interest. NSSport can be contacted by phone: 07935 220938

Email: enquiries@nssport.co.uk or via our website: www.nssport.co.uk

Mazars apprenticeship schemes, based in London Digital Marketing, Finance, Accountancy opportunities Competitive Salaries	Mazars LLP Apprenticeships & School Leaver Profile	Deadline: 31 May Start: October 2021

Careers @ Grey Court

By Ms Corrighan
(Head of Careers)

Y10 - Post 16 options

This week in PDW students were introduced to the options available to them after GCSEs. This is the start of a programme of support students have to help them with their future career paths. After half term, students will have tutor time sessions focusing on their decisions. Ms Corrighan will also be arranging one to one careers meetings with students which take place in Y10/11. Please see timeline of all the support below:

We are linking up with Lloyds Banking Group to offer 25 Y10 students an opportunity to attend virtual work experience on Monday, 5 July, & Tuesday, 6 July. This will take place in school in sixth form and students will be off timetable.

This will be an interactive experience with students learning about different roles and what type of roles might suit them. Also developing skills, speaking to Lloyds staff and learning about the range of career pathways into these jobs. This would suit students thinking about going into the world of banking, finance and business and will look great on your CV!

Ms Corrighan will be sending more information to students and parents in the next week about how to apply for this opportunity but if you would like to register your initial interest please email: bcorrighan@greycourt.org.uk

Are you creative?

Find out more about all the creative career on the Discover Creative careers website: [Find your perfect role in the creative industries - Creative Careers](#)

Jobs in the creative industries include roles like:

- Animators, artists, musicians, performers, designers
- Architects, game developers, visual effects artists
- Publishers, production assistants, and researchers
- Event coordinators, producers, education & engagement managers
- Sound engineers, lighting technicians & stage managers

And many more!!!!

Corrado D'Orsa

Corrado D'Orsa is the male sports scholar of the month for April.

He has had a fantastic month, performing superbly in athletics in a number of events. Corrado has shown real potential in hurdles, long jump and triple jump and his dedication to training has been superb.

Well done Corrado!

Sports Scholars of the Month

Leyla Anjum-Smith

Leyla Anjum-Smith is the female sports scholar of the month for April.

Her commitment to athletics training, specifically her middle distance training has been outstanding. She is currently the fastest runner in Y7 over 800m and has real potential to go quicker. There is no doubt that Leyla will be a key member of the Y7 athletics teams this year.

Well done Leyla!

16TH JULY**

Kingston University Science & Engineering and Art & Design Saturday Clubs

Kingston University are excited to announce that applications for their 2021 Saturday Clubs are now open! Recommencing on-campus and with in-person workshops (with full COVID secure practices in line with Government guidelines), there will be two clubs running this year – Science and Engineering as well as Art and Design – both completely free and aimed at Year 10 students. In their seventh year, the Kingston University Saturday Clubs offer an exciting opportunity for students interested in learning and exploring more about the respective subject areas across a wide range of topics, alongside other Year 10s from a limited number of local schools.

Both Saturday Clubs will run for 10 consecutive Saturdays from 22nd May until 24th July 2021 (inclusive) with the following timings:

- Art and Design Saturday Club will run: 10:30 – 13:00 (2.5 hours)
- Science and Engineering Saturday Club will run: 14:00 – 16:00 (2 hours)

If you're interested, the application deadline is Sunday 16th May 2021 and there are two forms to be completed:

Student application form: <https://www.surveymonkey.co.uk/r/KUSaturdayClub>

Parent/Guardian support form: <https://www.surveymonkey.co.uk/r/KUSaturdayClubSupport>

Football training: Open to all, coached by Brentford Football Club. We hope to form a team and enter inter youth club tournaments.

Ham in Session: Come and use our state of art music studio where tutor Zad can teach music production, guitar, drumming and studio recording.

Handmade Club: Work with professional artists in textiles, painting, fashion design and printing on fabric.

Youth clubs: Open access youth club where young people decide our programme of activities - art, cooking, sport, trips, games, filmmaking, drama and lots more. (Juniors: Years 6 to 8, Seniors: Years 9+)

Girls table tennis: Run by a table tennis England coach catering for young women 11 to 19 years old.

Youth orchestra: We have a selection of instruments available - come and learn with musicians Firas and Micka who are looking to form a small orchestra for performances and concerts.

Parkour: Tuition from expert coach, Jason - learn to precision jump and cat leap with our range of specialist equipment.

TAG Youth Club: For young people with disabilities.

Good4Girls: Exciting new project for young women focusing on emotional wellbeing, trying new things and having fun.

ACHIEVEMENT AWARDS

Who are we?

We are a team of experienced youth workers who work with 11 to 19 year olds in Kingston and Richmond to provide fun, affordable and developmental activities

What do we do?

We provide young people with a safe space where they can meet their friends, talk to staff, and take part in activities.

We run accredited awards for activities such as AQA Unit Awards and the Arts Award.

We offer support on issues young people sometimes face such as stress, substance misuse, relationships, sexual health, school, careers, internet use, etc.

We operate the CCard scheme.

What about Coronavirus?

We strictly follow guidelines of the National Youth Agency - see our [website](#) for more details.

LONDON IRISH

V

TUESDAY 18 MAY
7:45PM

TICKETS ON SALE NOW.

SCHOOLS TICKET OFFER

'The hottest ticket in town.'

Not our words. The words of players, supporters, pundits and opposition teams alike having had a taste of the Brentford Community Stadium so far this season.

London Irish are #BackInTown at their new home in West London - and the good news is, YOU and YOUR school can be there too on Tuesday 18th May (7.45pm kick-off), when current Gallagher Premiership champions Exeter Chiefs are the visitors in Round 19, for our first midweek fixture under the lights.

As a special introductory offer, we're offering your school the opportunity to purchase tickets for the fixture for just £10 for juniors and £20 for adults.

How it works:

1. Visit <https://tickets.london-irish.com/shop/109/2>
2. Select the number of Green category tickets you require (max 6)
3. At the checkout, enter promotion code **SCHOOLOFFER**
4. Ensure correct breakdown is selected e.g. adult, junior and concession at respective prices (£20 & £10)
5. Assign the tickets to your guests / party by clicking 'Assign Tickets'
6. Agree to the T&Cs and Covid-19 Code of Conduct, complete payment and wait for your booking confirmation and mobile tickets to be sent via email.

VIRTUAL SPRING RUN

Calling All Young Londoners

London Youth Games is launching a Virtual Spring Run competition for all Londoners aged 18 or under.

The competition will begin on Monday 10th May and run for a two-week period until Monday 24th May.

How To Get Involved

1.

Choose a distance between 0.5km and 5km to run.

2.

Submit your entry via the [LYG website](#) and the borough that runs the furthest collective distance will win.

3.

Get your local squad involved to help back your borough and contribute to the furthest distance.

The 3km Challenge

Individual prizes are also up for grabs as part of The 3km Challenge. To get involved, submit a time for your 3km distance and prizes will be awarded for the fastest entrants.

The HANDMADE Club

at Ham Youth Centre
