Students and parents have been emailed all details for these trips. We have spoken to Y7 students that they must remember that they are representing the school on these trips and we have high expectations for their behaviour.

A big well done to all who were involved in Sports' Celebration evening on Wednesday. It was fantastic to see so many Y7 students who had got involved this year and excelled. We are eagerly looking forward to the school production of *Legally Blonde* next Thursday and Friday, and I encourage parents and students to get a ticket for what promises to be a fantastic evening!

## Year 8+9

Mr Ridley

I hope that everyone really enjoys our final weeks of the school year. The weather is due to be wonderful for activity week, but we must remind students to guard against heat stroke and sunburn. Please wear a hat, stay hydrated and apply adequate sun cream when out in the sunshine.

Please show the public the best of yourselves when off-site on trips and I am looking forward to our celebration assemblies to finish off the year.

# *Grey Court's First VPA Scholarship Workshop*

by Mr Taktak

On the afternoon of Thursday 30 June, for two hours, 30 of next year's inaugural VPA Scholars engaged in a West End workshop provided by the wonderful Elizabeth Samuels Drama School. For some of the year 6 students, this was their first time stepping into Grey Court, whilst others were more familiar with the building. However, this was a seminal moment for all in attendance as they were meeting their future classmates and friends. They are the soon-to-be bright stars of the VPA Department, our next generation of actors, singers, musicians and artists. It was my pleasure to bring them together for the first time!

The event started with a series of 'icebreakers' and drama games. Many laughs were had as students introduced themselves with their own unique poses and actions! Soon it was time to split into small groups for some character work. The day's musical focus was the marvellous 'Matilda', a story that some were more familiar with than others. This did not deter anyone from diving into the action, either as the terrifying Miss Trunchball, the kind-hearted Miss Honey or the genius Matilda. The script was broken down into 8 scenes, and each student played their part in bringing the story to life. It was hard not to be impressed by the performative skills on display.

Students were then introduced to a couple of the musical's standout songs and given the chance to work on both solos and choral singing. With their voices in fine form, it was time for them to share what they had been working on with parents and carers who took their seats in the audience. The VPA Scholars put on quite the show, combining the scenes and songs to produce an outstanding performance. They were truly worthy of the thunderous ovation! Everyone left with a smile on their faces, looking forward to the next time these talented young performers would come together. A huge thank you to Ms Bowie and Ms Cheyne for all their support in setting up the event. These are exciting times ahead for VPA at Grey Court!

# Vocal Workshop

by Ms Cowper

with Berakah Arts

Last Friday, we were very lucky to have a workshop by the wonderful musicians of Berakah Arts for some of our most talented singers here at Grey Court. We spent a day learning and refining two songs before performing them to a live audience of their peers.

We started the day by working on a version of Kate Bush's iconic *Running Up That Hill*, which recently found fame with a younger audience after it was featured in the latest series of *Stranger Things*. The students experimented with adding harmony and learned more about singing as an ensemble, skillfully conducted by Chantelle and accompanied by Mohammed and Mark.

After lunch, we moved on to Labi Siffre's timeless *Something Inside So Strong*. We discussed the meaning and history of the song before working on adding harmonies. I was particularly impressed to hear such a small group of students singing in three or more parts simultaneously!

I have seen these singers developing throughout the year and it was wonderful to watch them flourish during this workshop and perform with such confidence. It was hard to believe that there were only eleven singers, as the sound they made was worthy of a full choir!

Thank you to Chantelle, Mohammed and Mark from Berakah Arts, and to Mr Page for introducing us!

# *Congratulations*

CONGRATULATIONS to the A Level Drama and Theatre Studies group who have completed their Devising work with a beautiful play. Nowhere else in the curriculum are students asked to work creatively together and using theory, create an artefact, a product, a performance together. How would you feel if you were asked to create a painting with three other people? How could you negotiate, steer, select colour, space, shape and produce a work for an audience? It is an amazing achievement. The students worked tirelessly on their structure and logistics of who was on which chair in which scene and the final outcome was a testament to their resilience and dedication.

In just nineteen minutes, the student actors took on the journeys of four women and their particular relationship with childbirth and parenting. Each student created a character with a story which was played in front of us employing a range of dialogue, narration, action and movement. With occasional choreographic ideas borrowed from Frantic Assembly, the group assured the play had a soft and poetic style within the episodic form. The students were keen that this remain personal stories of their characters and not a socio-political debate about, to select the most topical 'issue', abortion. The group was keen to remind us that 'the personal IS political' and what happens to an individual remains of social and political importance.

The students performed with discipline and focus and the final exam show was, without doubt, the strongest performance. A big "well done" to the group, and thanks to Ms Howell and Mr Taktak for their assistance and support.

# KS4

# *Be* GREAT

The KS4 Phase team launched the 'Be Great' programme in the year 9 assembly this week. This is an exciting scheme which builds upon the work done in KS3 in the Gradu8 programme to continue to develop our young people to be confident, assertive, successful and kind individuals. It is a two-year programme in which students' efforts will then be recognised in a graduation ceremony called ROA (Record of Achievement), when they leave school in year 11. There are five sectors to the programme (Growth, Responsibility, Entrepreneur, Academic and Towards) which we feel are the key focuses to being successful in KS4.

One aspect of the programme requires students to develop their leadership skills (Responsibility); therefore, we have invited the applications for our new student leaders for Year 10. The leadership roles include: Prefects, Strathmore Leaders, Eco Leaders, Mental Health Leaders and Front of House leaders (all details about the roles can be found on the Powerpoint). This is a fantastic opportunity for students to develop their skills as young leaders. Students have been emailed a copy of the [Powerpoint](#) and the [Application form](#), so please do discuss this at home and encourage your child to apply for one (or more) of the roles. Deadline for applications: 15 July 3pm.

Thank you in advance for your support.

# *A selection of* **Summer Activities**

**MAN&BOY** support boys 9-12 years, who are struggling with an aspect of life, be it at school or at home and would benefit from developing a deeper relationship with a significant man from their family (dad, stepdad, uncle, grandfather etc.) through activities such as camps, courses and other connect events.

**TAZ** run outdoor and adventure activities at High Ashurst and Thames Young Mariners for 5-13 year olds (up to 16 yrs for sailing) during each school holiday. Don't forget TAZ Family Glamping Staycations and the popular weekly Forest School sessions in Little Squirrels at Thames Young Mariners and High Ashurst for 18mth- 4 yrs.

**Action-attainment** runs holiday sports programmes in peer groups for neurodiverse children and young people (5-25).

Just some of the fun are Ballsports activities (Football, Tennis and Golf) alongside Brentford FC Community Sports Trust and Watersports activities (Kayaking and Paddleboarding) are run at Brentford Canal.

**Tag** provide a safe, stimulating and engaging environment for anyone with a disability or additional needs to meet up with their friends, take part in fun activities and learn social and life skills.

They provide adaptive snowsports, parkour, fencing, climbing and more!

**Heatham House Youth Centre** in central Twickenham is the flagship centre for the borough of Richmond and works with thousands of young people(9-19 years old) every year. Booking is now open for so many fantastic activities from football to Tae Kwon Do, dance, basketball, cooking, music and much more.

**The Lighthouse Project** is a closed group for young people 11 to 24 years with autistic spectrum condition (ASC) or attention deficit hyperactivity disorder (ADHD). The sessions take place at Heatham House for the age groups above.

**Knots Arts** work in three London Boroughs, Richmond-upon-Thames, Sutton and Camden. And run a range of sessions including drama, activity groups and youth clubs for children and young people aged 4 – 25.

# *Literary Festival proves to be a Tour de Force*

It was a case of the Moore the merrier on Thursday night as the English society welcomed esteemed travel writer, Tim Moore, into our esteemed halls. An eclectic audience of eighty staff, students and parents as well as some congruous middle-aged men in lycra, were regaled by Mr Moore's readings from his new book "Vuelta Skelter." This tome recounts his cycling adventures as he follows in the treadmarks of political prisoner and Vuelta winner, Julian Berrendero, as he retraces his 1941 Vuelta route across Spain in a time of Covid.

The aim of the English society is to set aside a space for intellectual reflection and debate, to celebrate the written and spoken word and to provide a platform for the talents of Grey Court writers and artists. The evening was inspired by the arrival of a number of Ukrainian refugees on our shores. This meant that we bookended the festival with readings from British-Somali poet Warsan Shire and Anglo-American icon, W H Auden. Their respective poems "Conversations about Home (at a deportation centre)" and "Refugee Blues" were read by talented Year 10 wordsmiths Lamar Helena Ferreira Dias and Lamar Mansour and secret slam-poets, Euan Janes (Year 12) and Ms Comrie.

Both poems highlight the capacity the UK has to welcome refugees to our shores as a place of opportunity and sanctuary, but also to allow individuals the freedom for artistic comment and dissent. The evening culminated in a rendition of the Clash's iconic song, "London Calling" which has been adopted as a rallying cry in the Ukraine. Performed by our talented Year 11, 4-piece, house band, Pictures of Trickery, the piece literary and metaphorically brought the curtain down, in time for the enraptured audience to stumble outside blinking into a lovely midsummer's evening.

The evening highlighted my own management mantra of: throw an idea up in the air, look slightly befuddled, and watch on in admiration as the talented and able run with it. So many thanks to the following people for making the Grey-on-Wye-festival happen:

- Mr Moore and his wife Ms Helgaddottir for talking and donating to medicine sans frontiers
- Mr Thomas and the Parents' Association for organising the "Eventbrite" event platform and supplying refreshments
- Ms Howell for seamlessly filming, photographing and projecting images for the event
- Year 12 student, Alfie Turner, for miraculously appearing and sounding checking equipment and setting up the stage
- Irene Hurmandias for designing a series of arresting posters publicising the evening.
- Members of the English society: Charlotte, Sienna, Amelia, Euan, Florence, Eloise, Georgie and Amelie for acting as perfect hosts and downloading tricky payment apps onto their phones.
- LSA Tanya Dhahliawayo for acting as event organiser on the night
- Esteemed members of the English department, Ms Randles, Ms Rudd, Ms Comrie and Ms Laws for the support, inspiration and mockery of all things R Clements.
- Parents for words of encouragement, ideas, support and for chaperoning very well behaved and engaged younger children.
- Pictures of Trickery for getting the band back together at a week's notice!

So, a very enjoyable night, with the only fly in the ointment being a plague of flying ants threatening to ruin chilled Peroni! The next English Society event will be in September when Ms Laws and Ms Comrie accompany their public speaking team to the St Paul's Grammar School, Women's Open debating competition on Saturday 24 September 2022. As well as wanting to amplify talented female voices, I have tempted the duo with the observation that St Paul's provide cookies the size of a small lacrosse field for teachers who attend their events.

Meanwhile, I am charging parents, students and teachers with the task of finding a famous writer, poet or laureate to appear at future English society events. So, the numerous students who claim to live near, by or adjacent to Jacqueline Wilson or the mums who boast of walking their mammut with Stormzy in Richmond Park - please get to work - an evening at Grey Court awaits!

## Work Experience

Well done to all the year 12s for taking part in your work experience and summer schools this week. The feedback we are receiving is outstanding and we look forward to hearing your stories!

## Activities Week

Please see below for the timetable of activities that are taking place over activity week next week. Geography students will be on their field trip for the duration of the week.

# STARS OF THE WEEK

*Unconventionally, this week I feel it is important to celebrate the staff who made induction day what it was. Thank you so much to all of the staff who helped with the set up, the teachers who ran taster and tutor sessions but the biggest star of the week is Mrs McNicol who facilitated the entire event. The feedback was fantastic and I know that the students really benefited from being able to come in and get a taste of what is to come in September.*

Mr Taylor  
nursed a bee  
back to health!

Mr Bee was exhausted after flying around Grey Court all day welcoming our prospective new Sixth Formers. Luckily, Mr Taylor was around to offer it a little drink of sugar water and an opportunity to rest.

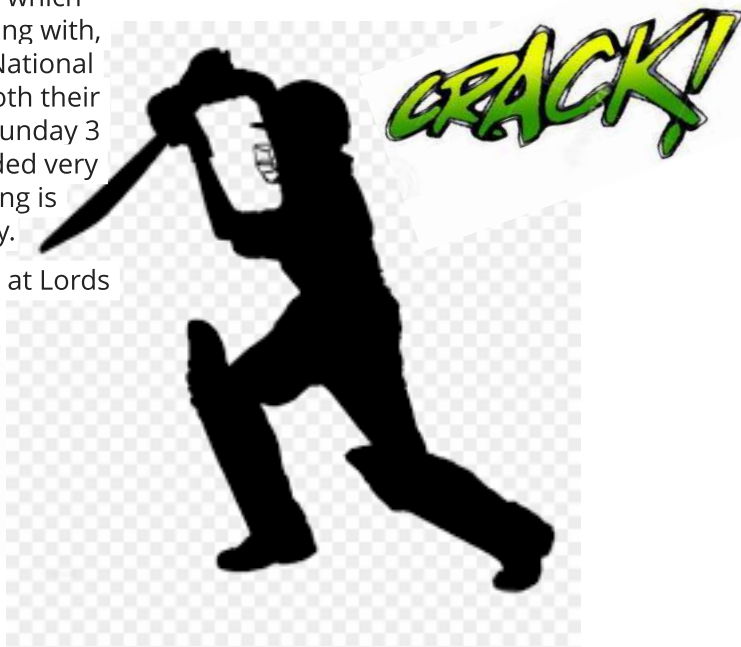

Eventually, after some encouragement, Mr Bee was able to fly away!

## *Lauren Jackson*

Congratulations to **Lauren** and the MCC Guildford Hub, which Lauren is currently playing with, who have reached the National Finals. The team won both their semi final matches on Sunday 3 July at Eton. Lauren fielded very well today and her batting is coming along very nicely.

The finals will be played at Lords later this month.

## BBGs at The Championships

In a usual year, there is a final total of approximately 250 Ball Boys and Girls (BBGs) from around 1000 applicants who work at The Championships, Wimbledon.

Approximately 170 are selected from about 750 year 9 & 10 applicants and around 80 are chosen from about 250 ballboys/girls from previous years.

Average age is 15 years. Many BBGs spend two years as a BBG.

Six teams of six selected to be responsible for Centre and No.1 Courts.

Six teams of six rotate around the other show courts.

Remainder in teams of six rotate around the rest of the courts.

Usual routine is one hour on, one hour off.

**Grey Court students

2011**

Congratulations U12 Rounders team who are Borough Tournament CHAMPIONS! We missed a few key players at the cricket yesterday but still had some amazing matches with others stepping up for the team, well done girls!

Our U15 girls cricket team played their last fixture of the season yesterday up near Bedford at the regional finals. It didn't go our way but lots to work on for next year

Well done to these 4 who competed in the Duathlon last night. Some very impressive performances with George R winning his event. Thank you to [@MK\\_Performance](#) for all your hard work this year.

# Boys' Player of the Month

## Shakur Roberts

Shakur has enjoyed an outstanding athletics season. He competes in the 200m and Long Jump and has now achieved personal bests in both events. Shakur won two golds at the Borough athletics on Wednesday 22nd June. He ran 22.83 in the 200m and jumped 5.42m in the long jump.

Shakur has also been selected to run the 200m for Middlesex in the English Schools Championships on 7/8th of July in Manchester This is a fabulous achievement and we wish him all the best.

Well done, Shakur!

*June '22*

# Girls' Player of the Month

## Nina Blazevic

Nina is an excellent athlete both on the track and the field. She is extremely dedicated and trains regularly, including two interval sessions a week on the track alongside her rowing commitments. Nina finished 1st in the high jump at the English Schools preliminary rounds, clearing a height of 1 metre 39. She also ran superbly in her 300m, with a time of 46.7 seconds. This was then followed up by two more strong performances at the ESAA regional rounds in boiling hot conditions earlier this month. At Borough Sports, Nina proved to be one of the stand out athletes for the Year 10/ 11 team. She dominated her race in the 300m, winning in a personal best time of 46.3 seconds.

Nina was also selected to attend the Middlesex Schools U15/U17 Championships earlier this month (alongside Juliette Croft). Nina has been an instrumental part of our athletics team this term, and we are looking forward to bringing down her times and heights up even more next year. Well done Nina!

*June '22*

# Girls' Scholar of the Month

**Julia Allen**

It has been a brilliant month for Julia who has competed for the Grey Court athletics team in both the 800m, 1500m and the long jump. She has been a key figure in the Junior Girls athletics team, leading by example at Borough Sports and ESAA fixtures. At sports day, Julia broke the Year 7 girls school record in the 1500m by a huge twelve seconds, front running a time of 5 minutes 41 seconds. She ran the 800m and 1500m in each of the rounds at English Schools, performing well at both events. So far this season Julia has run a PB of 2 minutes 37 seconds over the 800m and jumped 4 meters 45 in the long jump.

The latter of these shattered the Borough sports record, earning Julia a 1st place finish as Borough Champion. Julia was a fundamental part of the winning junior girls' team that dominated the preliminary round of the English Schools, eventually going on to compete at regionals. Julia always arrives to middle distance training and athletics club sessions prepared and hungry to give her best. It is this level of application that has led to her having so much success on both the track and field this term

# Boys' Team of the Month

## Athletics Team

It has been a great month for the boys' athletics teams. For the junior boys, they placed 4th in the regional round of ESAA, finishing only 30 points off making the National Finals. The inter boys finished 6th which was also a tremendous achievement, competing against some of the top schools in the South of England. This was a great experience for all of the boys involved and will help in their preparations for next year's competitions. At Borough sports, the boys dominated the event, winning all year groups from Years 7 - 11. This was helped by stand out performances from a number of athletes over both the track and field. In Year 7, Milo Downey jumped a PB of 4 metres 98 to win the long jump. He also brought home the relay team in 1st place, running a superb final leg. In Year 8, Benn Povey took the victory in the 200m running 26.52 seconds. He then followed this up with a PB jump of 5 metres 30 to take the long jump crown. The Year 9 boys had numerous first place finishes over both the track and field. Some of the stand out victories included Max Seddon running 11.74 in the 100m, Josh Harwood-White winning the 800m in 2.07 and Shakur Roberts winning the long jump with 5 metres 45. In Year 10 and 11, the boys took the crown over Hampton by 6 points. There were stand out victories coming from Charlie Bretherton in the 200m in 24.09 seconds, Charlie Richardson in the 800m in 2.05 and Theo Povey in the high jump in 1.74 metres.

*Borough Champions*

# Girls' Team of the Month

## Athletics Team

It has been another strong month for the girls' athletics teams. For the junior girls, they reached the regional round of ESAA, with some strong performances throughout the team. They were unfortunate to have a few key athletes out with injury/ illness that hampered their chances of progressing to Nationals. Nevertheless, there were stand out performances from Lily Burnett in the long jump, Julia Allen in the 1500m and Ella James in the shot. The inter girls also competed well against some very high-level opposition, with great performances Juliette Croft in the 100m, Nina Blazevic in the 300m and Coeretta Townsend in the shot. Reaching the regional round of ESAA was a tremendous achievement for both teams, competing against some of the top schools in the South of England. This was a great experience for all of the girls involved and will help in their preparations for next year's competitions, and another shot at Nationals. At Borough sports, the girls again finished the day as Borough Champions. There were also individual winning year groups in Years 8, 10 and 11. There were a number of strong individual performances over the course of the day. In Year 7, Sara Altun and Honey Stephens won the discus and the javelin respectively, throwing distances of 19.9 and 17.8 metres. In Year 8, there were stand out victories on the track for Matilda Dibb in the 800m in 2.36, Lily Burnett over the hurdles in 13.58 and a jump of 4 metres 48 by Neve Rugette to win the long jump. The Year 9 girls also performed well, particularly on the field, with 1st place finishes from Coeretta Townsend in the shot and Loveday Lea in the discus. The Year 10 and 11 girls finished ahead of LEH by 9 points, with further victories coming from Juliette Croft, Nina Blazevic and Ciara Walker.

# SUMMER SOCIALISATION FOR TEENS IN RICHMOND AND KINGSTON BOROUGH

Running for four weeks over summer 2022, we are offering an exciting variety of things for young people to do at our two youth centres.

We offer a relaxed and safe space for young people where they can spend their holiday time trying out different activities, making new friends and chatting to friendly youth workers.

A healthy nutritious lunch is provided every day that young people are involved in making.

Open to 10 to 16 year olds.
