HELP!

10-19 March
British
Science
Week
2023

YEAR 7 RESOURCE APPEAL

Year 7 classes are going to be given the challenge to build a model sustainable home or classroom.

We are asking our community to bring in their empty cardboard boxes, plastic packaging materials, woollen and cotton fabrics, anything that can be used in the science week Year 7 challenge.

All resources should be delivered to the science office from Monday 6 March until Friday 10 March.

YEAR 12 CYBER EPQ SURVEY

Hi, I am currently in Year 12 taking a Cyber EPQ course in which I have to write a 5000 word essay about a specific area of cyber security. I am going to look into how the Coronavirus pandemic has changed working habits and impacted cyber security and am hoping you can help me do that by completing this anonymous survey.

£6 for adult

Payment available on Scopay or on the door.

A tuck shop will be available on the night. All
proceeds will go back to Grey Court
Gymnastics and Dance.

KS3 & KS4 NEWS

YEAR 7 NEWS

We have had another busy week in Y7 with lots of sports, clubs and activities on the go.

Next Thursday 9 March is the MOGO awards (Music of Grey Court Origin). It is always a fantastic evening and I would encourage any students parents to attend and watch the fantastic performances on show. It is great to see some talented Y7s on the schedule and I wish them all well!

This month is LGBTQ+ history month. In tutor time, students have been learning about the amazing figures throughout history.

Well done to all the winners of this week's awards!

A	Marcus W	For improved behaviour and focus in school.
B	Clarence R	For settling in with the form really well and always being friendly and positive.
C	Milly A	For always trying her best and getting involved in form time and in her lessons.
E	Raul S	For being a kind member of the form and always helping out a friend in need.
M	Max M	For settling in with the form really well and always being friendly and positive.
O	George D	For making a great start to the term with positive behaviour and attitude.
R	Ida E	For excellent behaviour and showing dedication to her classwork and homework.
W	Jolie F	For putting 100% into all aspects of school life!

YEAR 7 MATHS ASSESSMENT

Year 7 will have their next Maths assessment on the following days:

A Band: Wednesday 15 March

B Band: Thursday 16 March

As these are days where industrial action is planned they will not be completing their assessments in class but rather in the main school hall.

The Assessment will last for 1 hour and will be non-calculator.

A revision list with hyperlinked activities have been posted on each student's Google classroom whilst a revision task has also been posted on every students Mathswatch account.

There will also be 2 additional Maths Surgeries running on Tuesday 7 and Tuesday 14 March only for year 7 students to support them in their upcoming assessment.

Mr Lunniss

Key Stage 3 Maths Coordinator

A BAND: WEDNESDAY
15 MARCH

B BAND: THURSDAY
16 MARCH

YEAR 9 NEWS

Last week the year 9's received their option booklets which they have shown great interest in and have been busy looking through them. We encourage students to ask their class teacher as many questions on the subjects they are interested in as possible, in order to guide them into making the best decision for their future.

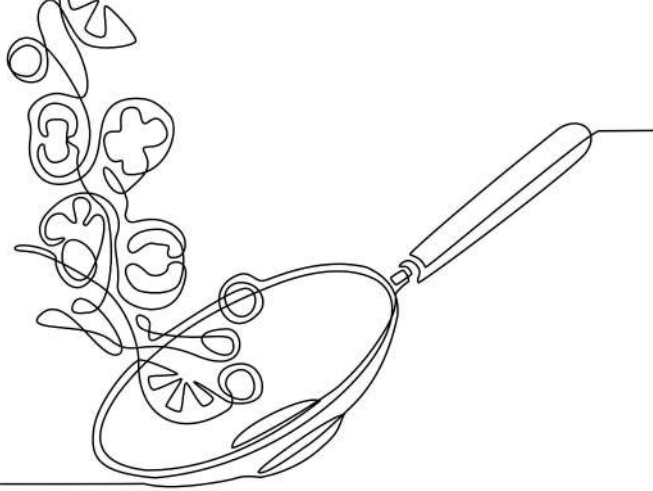

Options choices will be open on the 22 March, and the deadline to return the form is the 24 March.

We were joined by Ms Weston and Ms Laws (from the English Department) in assembly in celebration of World Book Day on the 2 March. They informed the students of the array of benefits 30 minutes of reading had per day. The English Department also encouraged other teachers to dress up as their favourite book character today...await the pictures!

When completing my learning walk on Wednesday afternoon, I was extremely impressed by the level of skill and technique demonstrated by a collection of Y9 students in Ms Clark's Food & Nutrition lesson. They were required to make 1-2 multicultural dishes for a particular age group showcasing a range of skills that they had learned. Huge well done for your efforts - the dishes looked very professional and absolutely delicious!

THE
Secret
INGREDIENT IS
ALWAYS
love

Uniform: We have had some uniform issues this week - we strongly encourage all Y9 students to ensure that they follow the uniform policy to avoid receiving a behaviour point/detention.

Ms Howarth and Mr Ridley

Welcome back to all of our lovely year 10s. Feedback from Ms Weston, Ms Ilett and the rest of the team was that those who attended the ski trip behaved impeccably and were an absolute delight all week. This makes me proud as ever of my year group and thank year 10 for being such good ambassadors for the school. I hope everyone had a wonderful time and managed to do something fun and relaxing during the half term break. I was lucky enough to accompany the sixth form to Vancouver on the ski trip and only came back with a few bruises - a great success!

We are now over half way through the year. Year 10 had an assembly from Ms Howarth and Ms Corrigan this week about career pathways after year 11 and the different options available to them once they finish their GCSEs. There are lots of different routes and whilst it might seem premature to be thinking of this, time is certainly flying by! It is good for Year 10 to think about their future and what they might like to do, and to take all the opportunities to maximise their chances of fulfilling their dreams.

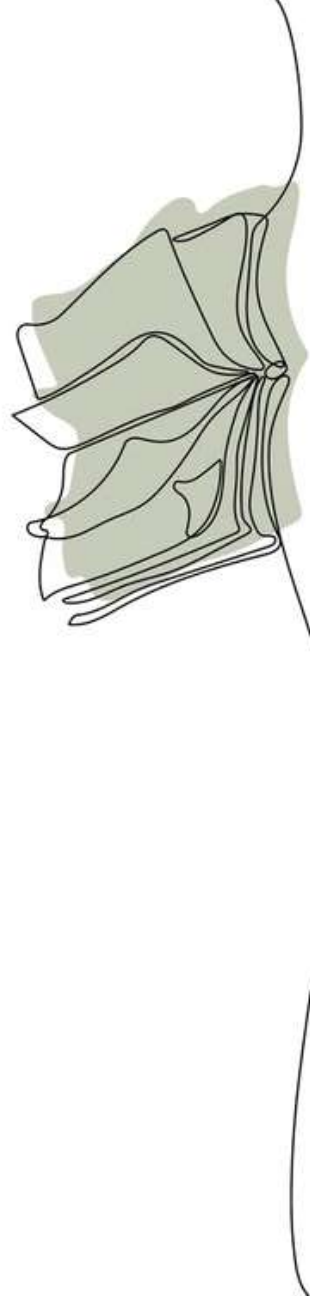

Ms Weston also delivered a really interesting assembly around reading and how it is the single most important factor that can determine future success. We encourage our community to challenge themselves with reading different genres and to try reading for pleasure and to reduce stress levels - it is scientifically proven to do so!

This always goes back to the age old mantra about 'If you're not in school, you're not learning'. I hope that the INSET day on Thursday was an opportunity to catch up, read, rest and maybe do something a little different such as trying a new skill - something that benefited your wellbeing!

Have a great weekend.

Miss Clark

ANNOUNCING
our
HEAD PREFECTS

ANNOUNCING *our* HEAD PREFECTS

Well done to Kanye Ellick and Marwa Najib who have been elected as our new Head Prefects

YEAR 12 *congratulations*

STUDENT VOLUNTEERS

Well done and thank you to our student volunteers! Year 12 students are involved in a range of volunteering activities, and I regularly receive emails praising their work and their input. These are the lovely emails that I have received this week:

Emily Lumsden (peer mentor):

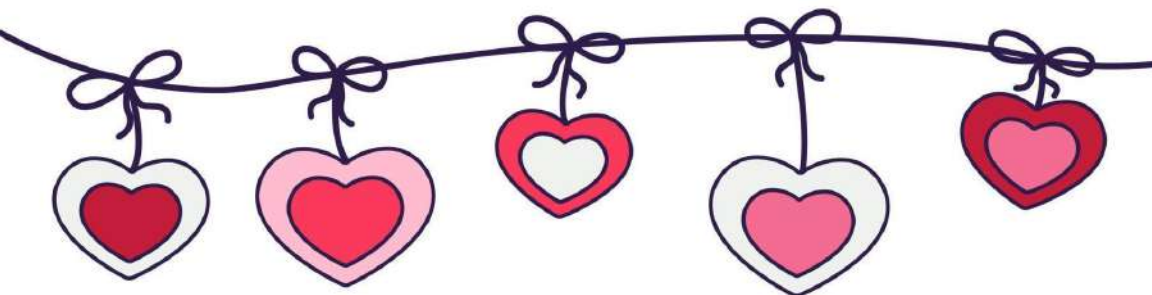

I have just covered a year 7 maths class where Emily is volunteering as an LSA. She is doing an absolutely fantastic job mentoring and advising the students. She is a valued new member of the sixth form.

Bella Asghar (peer mentor):

She mentors year 9 English students every Monday and I have had students requesting that she works with them. Bella has a very calm and helpful manner. She is also discrete but proactive. I very much appreciate the contribution she is making to our school community.

Rosie Dawson (volunteer at Strathmore School):

I'm a teacher at Strathmore school and have had one of your student's, Rosie, volunteering in our class. I just wanted to pass on how grateful we are to have her in class. She has shown great initiative and been very proactive with our pupils, in what is a challenging class.

YEAR 13

EASTER TRIAL EXAMS will take place from the 15 March onwards. The exam booklet has been sent to the students and can be viewed using [this link](#).

Well done to the large number of EPQ students who gave their final presentations this week, the feedback on these so far has been enormously positive. Good luck to those pupils who will be presenting next week.

UCAS What Comes Next?

Once you have heard from all five courses you applied to you should choose a firm choice and an insurance choice of course. Sounds scary but the earliest deadline for responding is the 8th June so there is plenty of time for making decisions. Many students will have received invites to Offer Holder Days. This is the best way of helping students choose the best course and university for them. You should look at not just the university but the city or town where it is located. Consider factors such as whether you like the set up of a campus university or a university spread across a city. Think about where you might live in the second year when you will not be living in university accommodation. You might want to think about whether there will be opportunities for part time work to help supplement your living expenses. Check out transport to and from university - how long will it take you to get there and arrive in time for your 9.00am lecture? How long will it take to get back to your family home and how much will it cost? What social activities does the student union offer?

Below is a brief presentation and a short video link to a UCAS guide on how to accept offers.

[How to Accept your University Offers](#)

When you are making your choices you should base your decision for your firm choice of the university you most want to go to. When choosing an insurance choice it should be a university that has made you a lower offer (but you are still happy to attend). This will mean that if you miss your grades for your firm choice you will still be given a place at your insurance university and won't have to go through the Clearing process in August.

UCAS EXTRA

Extra opened on February 23rd and it allows you to add another course choice if you have received decisions from all five, and weren't accepted, or if you declined the offers you received.

If you did not use all your choices in your initial application, you don't need to use Extra, you can just sign in to your application and add another choice, as long as it's before 30 June, and you've not accepted or declined any offers. Please come and talk to Mr Taylor or Ms McNicol before turning down any offers you have been made and using UCAS Extra. It may be that contacting a university and asking to change your course will be a better way of making a change than using Extra.

Work Experience & Careers Bulletin

A reminder work experience takes place 3-7 July 2023 for Year 12. To confirm the placement, students must input the information on the **Unifrog Placements** tool. This will confirm with the employer the placement. See this step by step guide of how to add on your placement: [Unifrog - adding a placement .pdf](#)

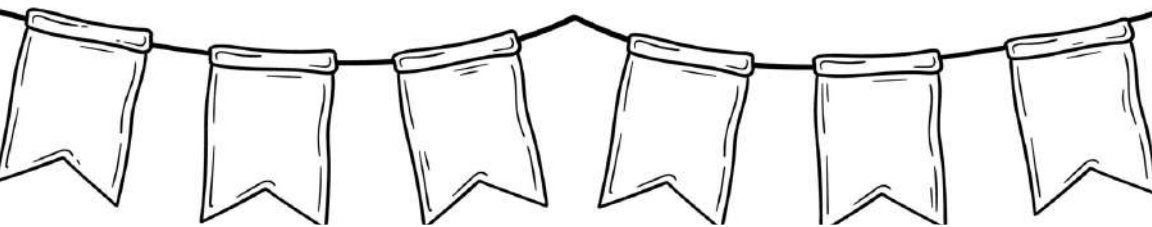

Please see the link with more opportunities that sixth formers can get involved with next week we encourage all students to check this bulletin for work experience opportunities: [02/03/2023 Sixth Form Careers opportunities](#)

This also includes summer schools students can sign up to at Universities such as Surrey, Southampton, Bath and more more!!

National Careers week (6-12 March)

We provide students with opportunities throughout the year but we want to highlight the below events students/parents can get involved in next week as well as highlight some of the great talks by Women in Industry to celebrate **International Women's Day (9 March)** - click the link below:

BE INSPIRED WITH UPCOMING TALKS WITH SPEAKERS FOR SCHOOLS HIGHLIGHTING WOMEN IN INDUSTRY

Unifrog Next Steps Student Fair

We would encourage students and parents to access this event. The Next Steps Fair is a free, unique opportunity for you to compare all your post-school/college options in one place. Hear from Sophie Pender, our keynote speaker, Forbes 30 under 30, and founder of the 93% Club and join live sessions with top UK universities like the University of Manchester and University of Warwick, plus big name employers and apprenticeship providers like the BBC and EY. Ask your questions on entry requirements and what a normal day in different industries looks like.

All the drama...

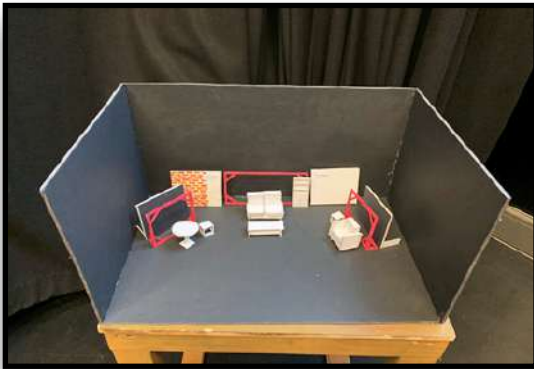

SIXTH FORM

DRAMA

CONGRATULATIONS to Daisy, Raisharnai, Lily and Leanna for their amazing A Level drama practical exam on Wednesday evening.

Daisy worked tirelessly over four days of the half-term break to get the set ready for the actors who came in all weekend (Leanna fresh from the slopes!). We had amazing help from Charles, Jake and James (in years 8 and 9) to get the set up and lights in, and James has now taken on the role of Stage Manager for the school's upcoming production of *The Merchant of Venice*. Daisy created a brilliant Model-Box of the set and then created it in full-scale in the drama studio.

DRAMA
DRAMA
DRAMA

Huge congratulations also to **Leanna, Lily and Raisharnai** for their work to produce 26 minutes of almost professional standard entertainment for three audiences in one day. Each playing a character in Amelia Bullmore's "Di and Viv and Rose" (a rare play text for three women). They played their characters with nuance and finesse and we now have to wait until August before we know what the external examiner thought of the work. They worked so hard and with such commitment I was very proud. I was delighted also to be joined at the last minute by an ex-Drama student Izzie K-R who helped with the characterisation and final warm-up.

This week we have the year 12 monologue showcase (wait for the photos next week!) and in mid-March we are all off to the theatre together. - **Mr Page**

THEATRE

Back in December 2022, which feels like an age ago, three of our Grey Court sixth formers were involved, as actors, in the Rose Christmas show *A Christmas Carol*. Another one was backstage and another working in the bar! This is The Guardian's theatre page review with 'our Summer T' centre stage!

Theatre

A Christmas Carol review - glorious musical version of Dickens's festive treat

Rose theatre, Kingston upon Thames

Charles Dickens takes to the stage and Ebenezer Scrooge is a woman with a moving backstory in Morgan Lloyd Malcolm's adaptation

The students involved rehearsed for weeks and performed 20 shows over the holiday in a highly professional 4 Star show. Two A Level drama students interviewed **Scarlett Coburn**, who has since auditioned for several roles in high profile TV drama, made a short film and a voiceover for the BBC!

Read the interview: [part 1](#) and [part 2](#). - Mr Page

MUSIC

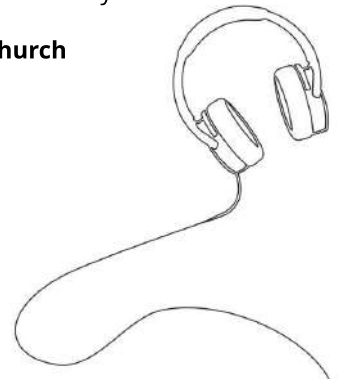

TECH

Year 12 and 13

Just before half term, Year 12 and 13 Music Technology students visited The University of Arts London, College of Communication at Elephant and Castle to tour their state of the art and industry standard recording studios, post production suites and teaching facilities. The students were impressed by the size of the spaces, the attention to detail in acoustics treatment and the quality of the technology. The faculty's technician and professional studio engineer talked them through the design of the spaces, as well as the technical specifications of each room and welcomed some very sensible questions from our students. The students were then treated to talks about the University's two music technology related courses in a space surrounded by approximately 24 speakers (8 of which were above their heads). The students were given some very good advice about choosing the right courses at University (and whether University is right for them at all) as well as considering music and sound from an artist's point of view. Even the students who want to pursue other subjects at University all gave some extremely positive feedback about the afternoon. Myself and Miss Maybey now also want to go back to University ourselves!

Mr Allchurch

MUGOs 2023

ADHD has an emotional and social impact. Hear how getting support transformed the life of one mental health professional and TikTok creator. Plus, how ADHD impacts social skills, and how to help.

Losing the shame of ADHD

On this episode of ADHD Aha!, Dr. Kojo talks about playing life on “hard mode” until he was 25. Then he got diagnosed with ADHD and everything changed.

Listen Now

How ADHD affects Social Skills

From not picking up on social cues to going off-topic, ADHD can impact relationships. See five common challenges and how to help.

Take a Look

CAREERS

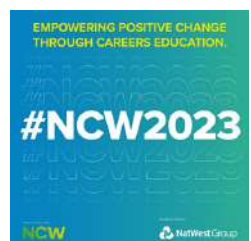

As a school we provide careers education throughout the year with various lessons, trips and activities. National Careers week is a chance to celebrate the wonderful things we do as well as talk to students about their future ideas and aspirations. There will be a range of tutor time and other activities going on next week which some are highlighted below.

We also want to thank again all the students who supported us in gaining our Quality in Careers Standard Award, they really were superstars - here's the year 10s and sixth formers with the award and laughing at my terrible photography skills!

Finally, we are looking for any parents or contacts in the Grey Court community who may be able to offer our year 12 students work experience this summer 3-7 July. Students are looking for placements and this is definitely harder since covid with working practices changing. Work experience is still so important to give our young people an insight into the world of work. If you think you might be able to help please do get in touch: bcorrighan@greycourt.org.uk

Happy National careers week!
Miss Corrighan & Miss Holmes - Careers team

CAREERS

UPCOMING CAREERS EVENTS

Year 9 Unifrog Careers Lessons

Year 9 will be using [Unifrog](#) in their Computing lessons this week to look at their careers ideas. This is to help students in making their options decisions. Miss Howarth will also be delivering the year 9 assembly on International Women's day focusing on inspiring females in business.

Year 10 Jack Petchey Speak Out Challenge

This term, approximately 60 Year 10 students have taken part in the Jack Petchey Public Speaking workshops to develop their skills, which are vital for the world of education and work. Next week we have 3 students representing Grey Court at the regional finals, expertly led by Miss Holmes. We wish them luck for the final on Thursday!

Year 11 Careers Assembly

Miss Corrighan will be delivering an assembly on Monday. While students are mainly focused on their GCSEs we want to ensure they are supported into their next stage whether that be sixth form, college or an apprenticeship.

There are also many virtual events going on next week that students and parents/carers can access out of school. See some of the highlights:

NEXT STEPS FAIR

With guest speaker
Sophie Pender

8 March 2023
4:30pm - 7pm GMT

UNIFROG Career Centre BBC
Vodafone W NHS

Join top employers, universities, and apprenticeship providers at our virtual fair to compare all your options side by side.

Sign up on [unifrog](#)

Unifrog Next Steps Student Fair

We hosted an in-person careers fair in October but you can access this great event hosted by Unifrog. The Next Steps Fair is a free, unique opportunity for you to compare all your post-school/college options in one place. Hear from Sophie Pender, our keynote speaker, Forbes 30 under 30, and founder of the 93% Club and join live sessions with top UK universities like the University of Manchester and University of Warwick, plus big-name employers and apprenticeship providers like the BBC and EY. Ask your questions on entry requirements and what a normal day in different industries looks like. You can sign up on Unifrog.

The National Careers week 2023

Virtual Careers Fair will go live on 6 March and students and parents/carers can access this at any time on the website: [National Careers Week 2023](#). You can access this all week and there are over 100 companies taking part including some of the headline organisations:

This week's SPORTS

NEWS

ges_pe Year 10 Rugby

Unfortunately our cup run came to an end today against a very strong @greycourtschool from Richmond. We battled hard and defended well but they were just too good at the end of the day.

BASKETBALL

Thursday 2 March: Well done to these U16 netballers who played [@tiffingirls_pe](#) yesterday. A great opportunity to play some great netball. POM Madi

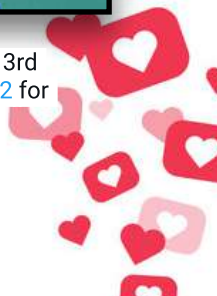

Thursday 2 March: U12 netballers played some excellent netball in their league game against [@StRCCollege](#) coming away with the win. We look forward to the Borough tournament on Friday (3 March)

CRICKET

Wednesday 1 March: Massive congrats to our U13 girls cricket team for placing 3rd overall in the Middlesex Indoor Cricket County finals. And thank you to [@Tabes2](#) for coaching the girls!

BASKETBALL

Friday 24 February: Congratulations to the year 7 basketball squad who won the 2nd Surrey competition. Well done boys!

FOOTBALL

Friday 24 February: Unfortunate result for our U15 girls football team in the Town Cup against a strong side - [@TKAPhysicalEd](#). Well done to our captain Rosie for getting Player of the Match!

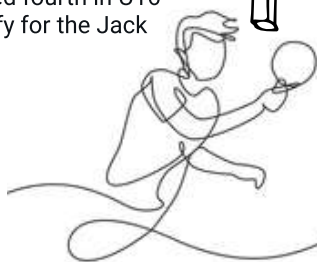

Aaron G in action, winning two big points on his way to victory in the quarter final

Saturday 25 February: These 5 students represented GC in the London Schools Table Tennis, playing against some of the best players in the country. Aaron (Y11) finished fourth in the U19 boys comp and Katrina K (Y9) also finished fourth in U16 girls' competition to qualify for the Jack Petchey finals.

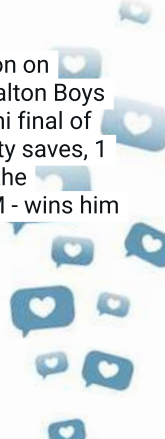

TABLE TENNIS

FOOTBALL

The Y8 football team won on penalties against Carshalton Boys to go through to the semi final of the County Cup. 3 penalty saves, 1 in normal time and 2 in the shootout from George M - wins him MoM

TOM: U15 RUGBY TEAM

Our team of the month is the U15 rugby team. They performed exceptionally well to win their recent National Bowl Quarter Final, winning 45-5 Vs Queen Elizabeth's School in Dorset. Tries from Jakob Thompson, Freddie Luing-Turnbull, Ben Hislop x 2, James Alleyne, Leo Dorey and Benn Povey helped ensure victory. Jakob was also successful with 5 conversions. There were some superb performances on the day, and the team came together to play some of their best rugby to date. The man of the match on the day was Leo Dorey. They will now look forward to their upcoming semi-final game.

SOM: THOMAS COPE

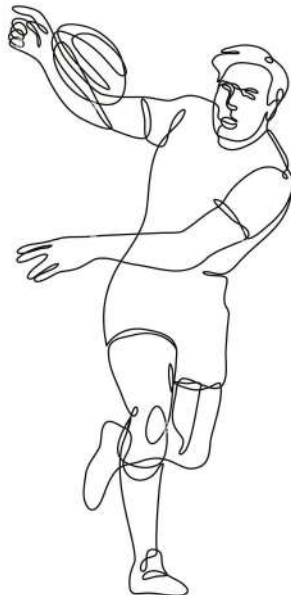

Thomas has been a fantastic ambassador for the school since he has been at Grey Court. He is an outstanding rugby player, showing his superb leadership skills on the pitch as captain of the Year 7 team. His talent on the pitch has been recognised, enabling him to also feature for the Year 8 rugby 7's team. Tom also captains the U12C football team, who remain undefeated this season, winning all of their games. His effort and communication on the pitch has been exemplary, motivating his team mates to work hard and help the team achieve success. Tom is also a very nice cricketer, impressing at our early morning training sessions. He bowls right arm medium pace, and will no doubt be involved in some of the school's upcoming fixtures after Easter. He has a great engine, honing his endurance by attending our weekly Thursday morning running club. Tom has featured for the school in our Junior boys cross country team earlier in the year, finishing high up at Boroughs before Christmas. Above all, he displays a fantastic attitude and effort at all times, and is a pleasure to teach both in his PE and scholarship lessons.

POM: JOSHUA GILBERT

Josh has performed fantastically for the rugby team at school this year. He has scored some really important tries, demonstrating both his speed and power on the pitch. Josh scored a total of five tries in our most recent tournament at John Fisher School, against some high level opposition in Whitgift, St Benedict's and Wimbledon College. Josh has also been a key player for the U12D team, contributing to goals in recent fixtures against St James's to ensure victory for the school. He is also one of our key sprinters, and will be a vital part of our indoor athletics team that will be competing next week at Lee Valley. He already excelled in our last competition, helping the team navigate their way through to the London Finals. Josh will be a key member of our summer term athletics team, and will form part of a very strong junior boys squad, featuring in both the sprints and the team relay.

Our WBD Author visit!!

Big Thank you to Matt Dickinson!!

Great speaker with incredible tales from the very top of Everest. Matt saw a range of KS3 students who all enjoyed and were enthralled by the gory details of his adventures.

Thank you to **Andy** and **Sasha Fedczuk**, **Florence Lavercombe** and **George Archer** for participating in the SW London Regional Heat. They were up against some formidable teams. We sadly missed out on qualifying for the finals, by 2 points, but we did win the Newcomer Prize.

The National Reading Champions Quiz provides a fantastic opportunity for students to enjoy a book quiz with their peers and compete with other schools from 23 regions of the UK.

WELCOME TO RADIO ASPIRE YOUTH

A radio show for children in care, by children in care, streamed by AfC Virtual School

Tune in every Wednesday from 6 to 7pm, term time only, to hear all the music and madness on RAY. You can find us on

www.schoolradio.com/users/achieving-for-children/player

or alternatively visit our website

www.afcvirtuelschool.org.uk

We believe we are the first virtual school to be launching a radio station!

How can I take part?

Come and join us and learn new skills or simply tune in to the show. It doesn't matter where you are in the country; you are a valued member of AfC Virtual School. Ask your social worker or foster carer to contact us and let us know about your talents and achievements! Why not send us your poems, funny stories and great art work? Don't forget to include your 'radio' name (not your own name) so we can give you a shout out!

Who is involved?

We are working with Radio Jackie breakfast show DJ, Neil Long, and our extended production team from CiCC, AfC Virtual School and volunteers from social care.

What is the content?

- Sting RAY - Showbiz gossip, fascinating facts and quiz
 - RAY of sunshine - Interviews and news
- X-RAY factor - a celebration of achievements and talents
 - Dr RAY - dilemma of the week
 - RAY bands - festivals, tours and local bands

Contact information: 020 8831 6037
afcvirtuelschool@achievingforchildren.org.uk

This radio station is produced
in line with AfC Virtual School safeguarding guidelines.

AfC Virtual School
'Together we can achieve!'
